B) PUBLIC COMMENT

In order to expedite the flow of business and to provide all citizens with the opportunity to speak, the mayor may impose a three-minute time limitation for each citizen to speak with a seasonal limitation on speakers on one topic or item with a maximum of fifteen total minutes on the same topic. The Texas Open Meetings Act prohibits the City Council from discussing issues which the public have not been given a seventy-two (72) hour notice. Issues raised may be referred to City staff for research and/or placed on a future agenda.

The following citizen comments were provided:

- Christina Osteen, 1029 Summit Drive, did not wish to speak, but submitted a comment card by email in opposition to the proposed budget. She expressed her gratitude to Councilman Castle and Councilman Mendoza for taking the time to acknowledge her email regarding her position on a few items in the proposed budget. She noted it's important for citizens to be heard, but did not want to reiterate her emailed comments. She noted that everyone may not have acknowledged them, but she is confident they were read.

C) PUBLIC HEARING(S)

1. Conduct a Public Hearing on the FY 2025-2026 Budget.

Mayor Clark opened the Public Hearing for the FY 2025-26 City Budget. No comments were initially presented, and the hearing remained open to allow further discussion and questions.

Mayor Clark presented a list of potential budget reductions aimed at lowering the tax rate. He emphasized the need to expand the city's commercial tax base.

The proposed cost-saving measures included:

- Extending the city's vehicle replacement cycle from 5 to 10 years and law enforcement retention.
- Reducing annual expenditures on signage and youth sports programs.
- Evaluating street lighting costs, currently totaling \$100,000 annually.
- Reassessing Fire Department staffing, including the potential elimination of the second medic unit and reduction from 8 to 5 personnel, and its effects.

Police Chief Frieda noted that vehicles exceeding 70,000 miles become increasingly costly to maintain and lose trade-in value after 100,000 miles. He also addressed the proposal for a motorcycle traffic division:

- Councilman Castle suggested a six-month pilot program at a cost of \$60,000.
- Chief Frieda cited research from Denton, San Antonio, and Houston advising against such programs, recommending data-driven traffic enforcement instead.
- Motorcycle models under consideration include Honda, VFW, and Harley Road Glide, with an estimated cost of \$40,000 per unit compared to \$100,000 for a patrol vehicle.

Councilman Castle suggested a six-month pilot program at a cost of \$60,000.

Chief Frieda cited research from Denton, San Antonio, and Houston advising against such programs, recommending data-driven traffic enforcement instead.

Motorcycle models under consideration include Honda, VFW, and Harley Road Glide, with an estimated cost of \$40,000 per unit compared to \$100,000 for a patrol vehicle.

Fire Chief Mitchell expressed concern over staffing reductions, noting that such changes would impact contracted services and response capabilities. He reported:

- The department currently operates with 10 funded staff but requires 18 to meet present demands.
- A projected need of 45 personnel by Year 2030 to support three fire stations.
- The city is midway through a 10-year transition from a volunteer to a fully paid fire department.

The following community comments were provided:

- Maria McGlaughlin (Justin, TX) requested clarification on current service coverage and the impact of new housing developments on city revenue. Mayor Clark explained that property tax revenue from new homes typically takes two years to materialize and that 75% of the city's budget is funded by residential taxes. He reiterated the importance of expanding the commercial tax base to alleviate this burden.
- Robin Amerine (101 Bluebonnet Circle) voiced strong support for maintaining essential services and infrastructure, emphasizing the importance of senior programs, parks, and public safety in preserving the city's identity.

Council Member Castle expressed openness to evaluating the motorcycle program but emphasized the need for data before committing. Councilman Stevens and Councilman Teschke requested further information on enforcement outcomes and vehicle models.

The Mayor Pro Tem stated he supports enhanced traffic enforcement to address speeding concerns, particularly from commercial vehicles.

- Tracy Kirkpatrick (Dish, TX) raised logistical concerns regarding motorcycle patrols during inclement weather. Chief Frieda confirmed that a spare vehicle would be available if needed.

Mayor Clark concluded the hearing by reaffirming the city's commitment to balancing fiscal responsibility with service quality. He highlighted the importance of strategic growth, particularly in commercial development, to support infrastructure and public safety needs as Justin continues to evolve from a bedroom community into a thriving municipality.

After discussion, Mayor Clark closed the public hearing.

E) PRESENTATION(S) AND WORKSHOP ITEM(S)

1. Receive a Biannual Parks and Recreation Board Update

Chair Robin Amerine delivered the biannual update from the Parks and Recreation Board. She

acknowledged past challenges in maintaining a quorum and credited a city-led public relations campaign—including a promotional video—for successfully increasing volunteer applications. As a result, the board now has full membership.

She expressed appreciation for the training and orientation provided to board members and highlighted the board's active involvement in shaping the city's facilities policy. Members felt their input was valued throughout the process.

Ms. Amerine noted the board's participation in the development of Timberbrook Park, including contributions to its design and naming (e.g., Peterson Park). The board also assisted in creating the park design manual and provided budget feedback to support implementation.

Additional initiatives included:

- Developing a Parks and Recreation improvement priority list.
- Organizing a Veterans Day Park event, with a presentation scheduled for September.
- Supporting interpretive signage to share historical and land-use information.
- Promoting pollinator gardens to enhance green space engagement.
- Contributing to upcoming Capital Improvement Projects, particularly trail connectivity.

She concluded by expressing gratitude for the continued collaboration with city staff and council.

2. Receive an update on a proposed renovation of the Joe Merle Morris Community Center and the design of a new gymnasium from FGMA.

Mr. Charlie Kearns, Principal-in-Charge, presented an overview of the proposed renovations to the City Hall Complex to the City Council. He highlighted the deficiencies of the existing facility, originally built in 1964, which include: lack of ADA compliance, absence of fire sprinklers, HVAC issues in the gymnasium, site drainage problems, inadequate parking, and general code compliance failures.

Mr. Kearns outlined the key features of the proposed renovation: Full ADA compliance, enlarged Council Chamber (10-seat dais, 220 public seats), expanded multipurpose spaces, enhanced police department security and functionality, ICC 500-compliant storm shelter (capacity: 200+ people), protection for citywide IT infrastructure, improved site drainage, new gymnasium suitable for league events and community meetings.

The City Manager emphasized the flexibility of the design, noting that future modifications are possible, including repurposing office spaces. He also addressed safety concerns related to the current layout, particularly the proximity of the library entrance to the police driveway, which poses risks to homeschooled children in the area. The new design relocates the main entrance to mitigate this issue.

Councilman Mendoza raised concerns about the gym's heating, which has deterred senior gatherings. The City Manager confirmed seniors are meeting at a local church currently due to the heat, but would return in September. Councilman Mendoza also inquired about ICC 500 standards, which Mr. Kearns explained they are designed to withstand F5 tornadoes and include a two-hour power backup. Councilman Mendoza noted the added cost, but Mr. Kearns clarified that the storm shelter is a required feature.

Mayor Clark referenced past tornado activity and the need for reliable warming centers. He and Councilman Castle stressed the importance of safety, flexibility, and long-term durability. Councilman Castle supported the renovation, noting the building is city-owned and no longer meets compliance standards due to electrical and plumbing issues.

Councilman Dennis asked about the storm shelter capacity, which Mr. Kearns confirmed over 200 individuals. Councilman Stevens questioned the impact on insurance rates. Mr. Greenwood responded that the city has experienced multiple claims due to roof damage and is awaiting bond approval before investing in repairs.

Mr. Kearns estimated the renovation cost at \$16.2 million. Councilman Castle compared this favorably to the previous bond proposal, highlighting the value of a modern facility with two gyms and a 50-year lifespan. Mr. Kearns added that inflation could increase costs by approximately \$2 million.

Mayor Clark and Councilman Mendoza reviewed past bond propositions and emphasized fiscal responsibility. Councilman Castle suggested a phased implementation approach.

3. Discussion regarding a no parking zone around Justin Elementary School (in Timberbrook).

Chief Frieda presented a proposed no-parking plan for Justin Elementary, including a recommendation for no parking on Candlewyck Drive. He stated that enforcement would be in effect at all times, not limited to school hours.

Councilman Stevens inquired whether restrictions would apply only during morning and afternoon school hours. Chief Frieda clarified that enforcement would be continuous.

Mayor Pro Tem St. Claire asked if the plan had been reviewed by an engineer. Chief Frieda responded that an engineering review was not required but noted the urgency due to school congestion and nearby construction. He added that the speed limit had already been reduced to 20 mph in the area.

Councilman Mendoza expressed concern about the timing and planning of the proposal. Chief Frieda explained that the school had requested the changes, but delays occurred due to operational challenges that have recently been identified.

Mayor Clark highlighted safety concerns, noting that parking on both sides of the street obstructs emergency vehicle access. He questioned the need for full-time restrictions and suggested allowing parking on one side or limiting enforcement to school hours. Chief Frieda responded that the streets are narrow and that existing park and school parking could be used for playground access. He emphasized that the proposal was initiated at the school's request.

Mayor Pro Tem St. Claire proposed exploring the option of making roads one-way during school hours. Chief Frieda noted that this would require an ordinance and appropriate signage. Chief Frieda also pointed out the absence of sidewalks, which increases the risk to pedestrians.

Mayor Clark requested further data and exploration of additional options. Councilman Castle emphasized the need for staff to document the situation to prevent similar issues with future developments. Jarrod mentioned that a second elementary school is planned, and efforts are underway to proactively address potential concerns.

Councilman Mendoza suggested that the least disruptive option might be for the Council to take no action and allow parents to find their solutions. Chief Frieda shared his difficulties managing traffic at the site. Mayor Clark concluded by stressing the need for action and encouraging the development of alternative proposals.

F) PUBLIC COMMENT

In order to expedite the flow of business and to provide all citizens with the opportunity to speak, the mayor may impose a three-minute time limitation for each citizen to speak with a seasonal limitation on speakers on one topic or item with a maximum of fifteen total minutes on the same topic. The Texas Open Meetings Act prohibits the City Council from discussing issues which the public have not been given a seventy-two (72) hour notice. Issues raised may be referred to City staff for research and/or placed on a future agenda.

Wanda Williams (139 Daisey Lane) provided an update on behalf of the Parks and Recreation Board regarding Tally Park. She highlighted the park's natural beauty and its location behind the Meadowlands subdivision. Ms. Williams noted that the park has not received city funding and expressed concern about its lack of accessibility, particularly for individuals with disabilities. She recommended the addition of a bridge or paved parking to improve access.

G) CONSENT AGENDA

Any Council Member may request an item on the Consent Agenda to be taken up for individual consideration.

Mayor Pro Tem St. Claire moved to approve Consent Items G.1 through G.5 as presented. The motion was seconded by Councilman Mendoza and approved unanimously.

I) PUBLIC HEARING(S)

1. Conduct a Public Hearing on a proposed tax rate of \$0.700000 per \$100 of taxable value. A tax rate of \$0.700000 per \$100 valuation has been proposed for adoption by the governing body of the City of Justin. This rate exceeds the no new revenue tax rate and the voter approval tax rate but does not exceed the de minimis rate for the City of Justin, Texas, for the fiscal year beginning October 1, 2025, and ending September 30, 2026.

Mayor Clark opened the public hearing and invited public comments.

Mr. Kenneth Harbin of 431 Chisholm Trail addressed the Council regarding tax rate discussions since 2024. He expressed concern over the lack of public notice for previous meetings and stated that the proposed \$0.70 tax rate constitutes an increase for homestead properties. He alleged that the Council consistently aims for the maximum rate and raised concerns about the financial impact of the proposed bond, noting that no impact study had been conducted. Mr. Harbin emphasized that the fire department serves a 70-mile radius and questioned whether projected revenues from the Treeline development would offset costs. He noted that while Treeline is under construction, the community is already experiencing the financial impact.

Mayor Clark responded that Treeline homes may take 18 to 24 months to reach full taxable value.

Mr. Harbin advocated for a reduced rate of \$0.65.

With no further comments, Mayor Clark closed the public hearing.

J) ACTION ITEM(S)

1. Consider adopting Ordinance 812-25 approving the FY 2025-2026 City of Justin Municipal Budget; and take appropriate action.
A tax rate of \$0.700000 per \$100 valuation has been proposed for adoption by the governing body of the City of Justin. This rate exceeds the no new revenue rate and the voter approval tax rate but does not exceed the de minimis rate for the City of Justin, Texas, for the fiscal year beginning October 1, 2025, and ending September 30, 2026.

Mayor Clark opened the discussion.

Councilman Dennis noted that whatever tax rate we set affects the budget. He explained he was elected to represent the citizens and costs are going up. He stated the problem is not only the tax rate but the assessed values. He noted, estimating a 10% increase every year and home values go up every year. He noted a home worth \$384k would see an increase of over \$600 a year. He suggested working on the tax rate, then adjusting the budget to suit. The mayor said we will create the tax rate, and staff

will need to manage the city within the budget. Mayor Clark stated that the cost of everything is going up for homeowners and for the city. He noted it affects everyone. He noted we are a bedroom community. We don't have a commercial development like Northlake. He stated we cannot control housing values. He stated his homeowner's insurance had doubled, and he had to switch. He stated that if we don't fund the fire department, it affects our insurance ratings.

Councilman Mendoza stated that he attends court from time to time, and sometimes someone doesn't have insurance due to not having a job or not having the necessary funds. He stated that they have to pay for insurance at a higher rate and pay the ticket, which costs extra money. He noted that we always kick the can down the road because we don't have the money. He noted the citizen surveys indicate they want more done with parks. He stated we need animal control, which costs money. He stated there is another group of people who don't post on Facebook, and they want more amenities and streets to be maintained. He noted everyone pays taxes, and we have services to provide. We are not asking for more than what citizens are asking us to provide. He noted that providing services costs money.

The mayor reviewed the cost of doing service, and we now need to focus on additional revenue to offset these costs.

Councilman Dennis asks, could we approve the budget with an amendment to reduce a dollar amount from what is proposed. Mr. Greenwood agreed that could be done. Mayor Clark noted that for every penny, it's a \$125K from the operations budget.

A motion was made by Councilman Dennis to approve the proposed budget to include the reduction of \$500K. The motion was seconded by Councilman Castle.

A motion was made to request an amendment to approve the proposed budget and include the reduction of \$250K. City Attorney Matthew Boyle explained in order to amend a motion on the floor, it must be accepted by both Councilmen Dennis and Castle. Both Councilman Dennis and Castle stated they do not accept this proposed amendment.

The original motion to approve the proposed budget to include the reduction of \$500k received the following roll call vote:

Favor: Castle, Dennis

Opposed: Stevens, Mendoza, Teschke, St. Claire, Mayor

The motion failed by vote of 5-2.

A new motion was made by Mayor Pro Tem St. Claire to adopt the budget and reduce it by \$625K.

Motion seconded by Castle. Motion approved by the following vote:

Opposed: Stevens, Mendoza, Teschke, Mayor

Favor: Castle, Dennis, St. Claire

The motion failed by vote of 4-2, (supermajority required)

Motion made by Councilman Teschke to approve the voter approval rate at \$0.67 and reduce the budget by \$375K. Motion seconded by Councilman Stevens.

The motion prevailed by the following vote:

Favor: Stevens, Castle, Teschke, St. Claire, Mayor

No: Mendoza, Dennis, St. Claire

Motion passed by a vote of 5-2.

2. Consider adopting Ordinance 818-25 to ratify the property tax revenue increase in the FY 2025-2026 City of Justin Municipal Budget; and take appropriate action.

City Manager Jarrod Greenwood noted that approval of the budget item would require a supermajority vote—five out of seven council members.

Councilman Stevens moved to ratify the adoption of a budget that increases property tax revenue compared to the previous year. Councilman Teschke seconded the motion. The vote was as follows:

In Favor: Stevens, Mendoza, Teschke, Mayor Clark

Opposed: Castle, Dennis, St. Claire

Outcome: Motion failed (supermajority not met)

Mayor Clark stated that the current rate of \$0.60 would necessitate workforce reductions. Greenwood emphasized that the General Fund primarily supports staffing and that service cuts may be required.

Councilman Mendoza suggested using a visual breakdown of expenditures to clarify the impact of budget reductions.

Mayor Clark outlined potential service cuts (approx. 10%) if staffing is maintained, including: Laserfiche, Employee Appreciation, Swag It, Civic Plus (Website), Just FOIA, Municode, Meals on Wheels, SPAM (Senior Assistance), Freeze on open positions, Crisis Communications, Adobe Suite, Genesis (Alert Software), Wireless Devices, City Mowing, Engineering, Outsourced Health Inspections, Planning Services
Blue Beam, GIS/Mapping Software, LexisNexis, Shared Police Vehicles, Vehicle Replacement Program, Signage Program, Youth Ballfields, Street Lighting, and Fire Contract (reduction in medics and staffing)

Councilman Dennis stated he opposed staff cuts and proposed cutting one-time service enhancements. Mr. Greenwood clarified that the budget concerns are involving ongoing costs.

Due to a lack of consensus, Mayor Clark recommended revisiting Agenda Item J.1. The council had previously approved a \$375,000 reduction.

Subsequent Motions to Amend Agenda Item J.1:

Motion by Mayor Pro Tem St. Claire: Reduce budget by \$500,000 to \$0.66

Seconded by: Castle

Vote: Favor – Castle, Dennis, St. Claire; Opposed – Stevens, Mendoza, Teschke, Mayor

Outcome: Failed (3-4)

Motion by Mayor Pro Tem St. Claire Motion: Reduce budget by \$437,500 to \$0.665

Seconded by: Castle

Vote: Favor – Castle, Dennis, St. Claire; Opposed – Stevens, Mendoza, Teschke, Mayor

Outcome: Failed (3-4)

Motion made by Councilman Mendoza: Reduce budget by \$250,000 to \$0.68

Seconded by: Teschke

Vote: Favor – Stevens, Teschke, Mendoza; Opposed – Castle, Dennis, St. Claire, Mayor

Outcome: Failed (3-4)

Motion by Mayor Pro Tem St. Claire: Reduce budget by \$375,000 to \$0.67

Note: The City Attorney noted this was already approved; ratification required.

Final Motion (Agenda Item J.2):

Mayor Pro Tem St. Claire moved to ratify the adoption of a budget that increases property tax revenue over the previous year. Seconded by Councilman Stevens.

Vote: Favor – Stevens, Teschke, St. Claire, Mayor, Castle; Opposed – Mendoza, Dennis

Outcome: Passed (5-2)

3. Consider adopting Ordinance 813-25 to adopt a tax rate of \$0.700000 per \$100 valuation, which is made up of a rate of \$0.554420 per \$100 valuation for Maintenance and Operations; and a rate of \$0.145580 per \$100 valuation for servicing currently outstanding Debt; and take appropriate action.

Mayor Clark noted a \$375,000 reduction at the \$0.67 rate and called for a motion.

Mayor Pro Tem St. Claire moved to adopt a property tax rate of \$0.670000 per \$100 valuation, representing a 14.3% increase. The motion was seconded by Council Member Stevens.

The motion passed with a 6–1 vote:

In Favor: Stevens, Mendoza, Teschke, Castle, Mayor Clark, St. Claire

Opposed: Dennis

4. Consider an Ordinance ordering a bond election to be held in the City of Justin, Texas, making provisions for the conduct of the election and resolving other matters incident and related to such election; and take appropriate action.

Mayor Clark noted this item is for citizens to decide if they want a bond. The City Manager, Jarrod Greenwood, noted Mr. Kearns delivered a construction cost of around \$16mill, but suggested \$19 million to include the soft cost, which would be the amount to consider for the bond.

Mayor Clark asked that based on \$19 million, what would be the impact? Financial Advisor Nick Bullaich with Hilltop Securities reviewed the impacts that wouldn't be shown until January 2028.

Councilman Castle asks if the city tries to do just a portion of a phased approach, can we put the money in an interest account? Mr. Bullaich noted you do not need to issue all the bonds at once. He stated that since these are tax-exempt bonds, you wouldn't be able to draw interest.

City Manager Jarrod Greenwood noted we could phase out the construction. He noted the total impact would be 1.7 cents in 2028 on your INS side. He noted there would be another timeline for the 2030 issuance.

Mayor Pro Tem St. Claire reviewed the current bonds being paid. He noted could refinance the existing debt. Mr. Bullaich explained that there is some debt rolling off in 2027/2028.

Councilman Castle noted that this item began with just the gym, and the existing building must be fixed and should have been done years ago. He stated this investment will benefit all citizens.

Bond Attorney Kristen Servant spoke regarding the do's and don'ts of bond elections, noting that utilizing city resources to promote the bond is not allowed. She cautioned about using social media.

After the discussion, a motion was made by Council Member Castle to adopt an Ordinance ordering a bond election for \$19 million, as presented. The motion was seconded by Mayor Pro Tem St. Claire. The motion was approved unanimously. (none opposed)

5. Consider approving Resolution 774-25 authorizing the City Manager to enter into an agreement with Denton County for Election Services; and take appropriate action.

A motion was made by Mayor Pro Tem St. Claire to approve Resolution 774-25, as presented. The motion was seconded by Councilman Castle. The motion was approved unanimously. (No opposition)

K) FUTURE AGENDA ITEM(S)

1. Consider a future agenda item requested by Mayor Pro Tem St. Claire; and take appropriate action

Mayor Pro Tem St. Claire suggested having a future agenda item to discuss stop signs to explore options to keep the streets safe.

The consensus of the City Council was to support adding this item to a future agenda. Mayor Clark noted this item would be added to the November City Council agenda.

L) ADJOURN

There being no further business to discuss, the Mayor adjourned the meeting at 9:40 p.m.

The property within this district is being developed in phases, one of which is Improvement Area #3 (approximately 52.5 acres) and certain authorized improvements will be constructed to benefit this area.

Staff recommend we update, amend, and restate the SAP to reflect Improvement Area #3 and the construction and development of this area of the district.

Title: Consider and act upon Ordinance 822-25 to rezone the subject property from Residential Estate Single Family (SF-RE) to Planned Development Light Industrial legally described as A0993A MARY POLK, TR 20B, A0993A MARY POLK, TR 20C, A0993A MARY POLK, TR 20, A0993A MARY POLK, TR 20D. Generally located northeast from the intersection of Sam Reynolds Road and Boss Range Road.

Department: Administration

Contact: Matthew Cyr, Director of Planning and Development

Recommendation:

The Justin Industrial Park aligns with the city's economic development objectives to expand the industrial tax base, diversify land uses, and create employment opportunities. The PD standards exceed the city's minimum requirements for building quality, landscaping, and screening, and the traffic impact is manageable.

Staff recommends approval of the zoning and development plan as submitted.

Background:

Project Overview

The Justin Industrial Park is a proposed **74-acre** Planned Development (PD) located in the southern portion of the city. The development is designed to create a high-quality, cohesive light industrial uses. It will be divided into **three tracts**:

- **Tract 1:** 7.92 acres
 - **Tract 2:** 58.56 acres
 - **Tract 3:** 1.25 acres
-

Zoning and Land Use

- Proposed zoning: **PD-LI** (Planned Development – Light Industrial)
 - Permitted additional uses:
 - **Data centers** (height limited to 45')
 - **Indoor vehicle sales and display** (no outdoor storage)
 - **Permanent batch plants** (Tracts 1 and 3 only)
 - Prohibited uses include sexually oriented businesses, gambling facilities, tattoo parlors, and marijuana manufacturing.
-

Design Standards

- **Maximum height:** 45 feet (with limited exceptions to 50 feet)
 - **Lot coverage:** Up to 80%
 - **Building materials:** Minimum 25% stone, cast stone, decorative concrete, or similar on street-facing facades; no corrugated metal panels permitted.
 - **Utilities:** Overhead electrical is not permitted and will be buried underground. This will also extend utilities down the FM 156 corridor to make other properties viable for development.
-

Infrastructure and Site Planning

- **Water/Sewer:** The development will connect to existing 12-inch and 8-inch waterlines and sanitary sewer systems.
 - **Drainage:** Planned storm drain system with curb inlets and junction boxes to manage runoff.
 - **Lighting:** dark-sky compliant streetlights planned throughout and will be presented with infrastructure plans.
 - **Landscaping:**
 - 20' landscape buffer along the north and west boundaries (Type F2: min. 4 canopy trees, 4 understory trees, 12 shrubs, 6' fence).
 - 15' buffer along street ROW (Type F1: min. 3 canopy trees, 6 understory trees, 10
-

shrubs).

Traffic Impact

A trip generation analysis estimates:

- **Daily trips:** 1,934
- **AM Peak Hour:** 290 trips (223 in / 67 out)
- **PM Peak Hour:** 279 trips (68 in / 211 out)
The relatively low PM peak trip count (17 net new trips) reflects the nature of light industrial operations.

Comprehensive Plan

The Justin Industrial Park proposal is consistent with the plan's goals by locating light industrial uses in a planned, well-buffered district that expands the City's employment base and diversifies its tax base. The project's PD-LI zoning, architectural standards, landscape buffers, and infrastructure design meet or exceed the quality and compatibility objectives outlined in the comprehensive plan. Additionally, its integration with existing utilities, dark-sky lighting, and site screening aligns with the plan's emphasis on infrastructure efficiency, community character, and sustainable growth. Based on these factors, the proposed development is compliant with and supportive of the Imagine Justin Comprehensive Plan's vision and implementation framework.

Fiscal Impact Analysis

As part of the Phase II planning deliverables, the Planning and Zoning Commission and City Council approved a fiscal impact analysis study that is utilized to determine the fiscal impact of each development. Based on the development uses the base floor of the fiscal impact would be anywhere from \$1,124,000- \$1,750,000 per year at full buildout, which is roughly \$15,191 per acre. This does not include cost of services, however, the cost of services for light industrial is lesser than a residential development.

Developers Agreement:

The Developers Agreement originally executed on December 7, 2015 and was later amended again in 2018 and 2021. The Developers Agreement outlines Light Industrial as a potential use.

Planning and Zoning Commission:

On August 19, 2025, the Planning and Zoning Commission recommended a denial of the rezone application by a vote of 6-1.

Lot coverage means the percentage of the gross lot area that is covered by the horizontal footprint of all principal and accessory structures, measured at ground level, including eaves and other projections. Lot coverage is calculated by dividing the total area of these structures (as measured from the outside face of exterior walls or roof overhangs) by the gross lot area, and expressing the result as a percentage. Uncovered decks, driveways, walkways, swimming pools, and landscaped open areas are excluded.

Data center means a facility whose primary service is data processing and is used to house computer systems and associated components, such as telecommunications and storage systems, including but not limited to web hosting organizations and internet service organizations.

Vehicle display and sales (indoor) means a facility for the indoor display and indoor retail sale only (no rentals) of new or used automobiles and motorcycles. Outdoor storage and display are prohibited.

Proposed Site Zoning and Land Use

Subject: Trip Generation Memorandum for Justin Industrial Park

Dear City of Justin Development Services,

I am writing to provide a trip generation memorandum for the Justin Industrial Park project, which is proposed to consist of approximately 19 light industrial buildings and a roughly 7–10-acre batch plant, ITE Land Use Code 110 General Light Industrial. This memorandum is intended to present an analysis of the expected trip generation from the proposed development, which will assist in assessing the potential traffic impact and making informed decisions related to transportation planning and infrastructure.

Trip Generation Analysis

Based on the calculated trip generation rates and the project details provided, the development is expected to generate a total of 17 trips during the PM Peak hour. These trip generation estimates should assist in evaluating the potential traffic impacts associated with the proposed development and in making informed decisions regarding transportation planning and improvements in the area. The data table is shown below:

Land Use	ITE	Gross	Intensity/	DAILY	Peak Hour		
Description	Code	SQFT	Units		In	Out	Total
General Light Industrial (AM)	110	397,000	4.87	1934	223	67	290
General Light Industrial (PM)	110	397,000	4.87	1934	68	211	279

If you require any additional information or clarification regarding the trip generation analysis or any other aspect of the project, please do not hesitate to contact me.

Sincerely,

Chandler Davis

SOUTH GATEWAY

DISTRICT PROFILE

Building set back from FM 156

Development Intensity

Regulatory Guidance

The South Gateway District is in the south-eastern section of the City of Justin. This district has a mix of residential, commercial, and light industrial. This area serves as the first impression of the community from the Fort Worth area; half of the district is within the ETJ.

IDENTITY + CHARACTER

This district's character is primarily composed of the neighborhood south of John Wiley Rd and the commercial/industrial uses fronting FM156. As the first district approached from the Dallas Forth Worth Metroplex, this district is the gateway into the community. Establishing a historic and charming town entrance should be a priority.

OPPORTUNITIES

As the gateway into the City of Justin, this district can create place-making experiences representative of the entire community. The businesses anchored in this district should be carefully considered to maximize the Justin experience.

CHALLENGES

Limited land and connectivity through FM 156 are a challenge. Major roadways border this district on all sides, impacting access to public amenities.

AREAS OF FOCUS

Public spaces should be focused on, and a sense of arrival along FM156. New developments and redevelopment should attempt to create more connections with the rest of the community through sidewalks, trails, and redesigned roadways.

DEVELOPMENT AGREEMENT

This Development Agreement (this "Agreement") is executed between Continental U.S. Management Corporation, a Texas corporation ("Owner") and the City of Justin, Texas, a general law city (the "City") (Owner and City, being referred to, individually, as a "Party" and, collectively, as the "Parties") to be effective on the Effective Date, as defined in Section 11.10.

ARTICLE I RECITALS

WHEREAS, Owner is the owner of approximately 138.906 acres of land situated in the Mary Polk Survey, Abstract Number 993, Denton County, Texas (the "County") described by metes and bounds on Exhibit A (the "Property") and shown on Exhibit B, which property is undeveloped; and

WHEREAS, Owner submitted a petition to the City requesting that the City extend its extraterritorial jurisdiction ("ETJ") to include all of the Property that was not previously in the City's ETJ, which petition was approved by the City Council on August 10, 2015, by adoption of Ordinance No. 592-15 expanding the City's ETJ to include all of the Property; and

WHEREAS, Owner intends that the Property be developed as a high-quality, master-planned, residential community with minimum one-half acre lots served by on-site septic systems and retail City water service or, in the alternative, with minimum 7,000 square foot lots served by retail City water and sewer service, pursuant to development regulations contained in this Agreement; and

WHEREAS, this Agreement will be recorded in the deed records of the County (so as to bind Owner and all future owners of the Property or any portion thereof), and will provide regulatory certainty during the term of this Agreement; and

WHEREAS, Owner does not have any interest in the minerals underlying the Property; and

WHEREAS, the Texas Commission on Environmental Quality ("TCEQ") or its predecessor has issued certificate of convenience and necessity ("CCN") number 13201 to Aqua Texas, Inc. ("Aqua Texas") to provide retail water service to the Property and has issued CCN number 20866 to the Town of Northlake to provide retail sewer service to a portion of the Property; and

WHEREAS, provision of water service to the Property by Aqua Texas will substantially arrest the sound growth of the City and will adversely impact the potential for annexation of the Property into the City's corporate limits; and

WHEREAS, Owner intends to seek expedited release of the Property from Aqua Texas' CCN service area for retail water service and to make the City the sole water CCN holder for the Property; and

WHEREAS, the City agrees, upon release of the Property from Aqua Texas' CCN service area, to expand its water CCN to include the Property and to provide retail water service to the Property; and

WHEREAS, provision of retail water service to the Property will provide a source of revenue to the City; and

WHEREAS, in order for the City to provide retail water service to the Property it will be necessary for Owner to expand the City's water system by constructing approximately 170 linear feet of off-site water main to connect the Property to the City's water system (the "Off-Site Water Main"); and

WHEREAS, oversizing the Off-Site Water Main will expand the City's water system to serve additional area outside the Property; and

WHEREAS, the City Council has determined that Owner may develop the Property with on-site septic systems or, in the alternative, that the City will provide retail sewer service to the Property provided Owner and the City determine that it is feasible for the City to be the retail provider, Owner obtains expedited release of the Property from the Town of Northlake's sewer CCN, and Owner constructs the necessary infrastructure, at Owner's expense; and

WHEREAS, Owner will construct or cause to be constructed the Off-Site Water Main, on-site water delivery lines, on-site roads, and on-site drainage to serve the Property and, in the event Owner elects to seek retail sewer service from the City in lieu of on-site septic systems, sewer infrastructure to serve the Property (collectively, the "Public Infrastructure"); and

WHEREAS, the City Council has determined that this Agreement and the development of the Property described herein comply in all respects with the City's Comprehensive Plan; and

WHEREAS, at the City's request, Owner has agreed to petition the City to annex the Property, subject to release of the Property from Aqua Texas' CCN service area; and

WHEREAS, development of the Property within the City's corporate limits will increase the City's tax base, expand the customer base for the City's retail businesses, and increase the City's population; and

WHEREAS, development of the Property within the City's corporate limits will result in increased development costs by Owner and subsequent developers of the Property; and

WHEREAS, the City agrees to provide relief to Owner from certain fees in order to mitigate, in part, the expenses incurred by Owner in connection with submittal of the petition to the PUC for expedited release from Aqua Texas' water CCN service area and the increased development costs and tax burden resulting from annexation of the Property; and

WHEREAS, the City agrees that the City Council shall not approve an ordinance annexing the Property until after January 1, 2016; and

WHEREAS, pursuant to that certain Interlocal Cooperation Agreement between the City and the County effective October 18, 2005 (the "Interlocal Agreement") and Section 242.001(a)(3) of the Texas Local Government Code, the City has exclusive jurisdiction over subdivision platting and all related permits for the Property; and

WHEREAS, the Parties intend that this Agreement be a development agreement as provided for by Section 212.172 of the Texas Local Government Code; and

WHEREAS, the Parties have the authority to enter into this Agreement pursuant to Section 212.171, et seq. of the Texas Local Government Code.

NOW THEREFORE, for and in consideration of the mutual covenants of the Parties set forth in this Agreement, and for other good and valuable consideration the receipt and adequacy of which are acknowledged and agreed by the Parties, the Parties agree as follows:

ARTICLE II

DEVELOPMENT REGULATIONS

2.1 Governing Regulations. The Property shall be developed as a single-family residential development. At Owner's option, the Property will be developed (i) with minimum one-half acre lots with retail City water service and private on-site septic systems or (ii) with minimum 7,000 square foot lots with retail City water and sewer service. Development of the Property shall be governed solely by this Agreement and the following regulations (collectively, the "Governing Regulations"):

(a) the City's Subdivision Regulations, consisting of Ordinance No. 248 effective March 24, 1997, as modified by Exhibit C and all other provisions of this Agreement (the "Subdivision Regulations");

(b) building, plumbing, electrical, mechanical, and fire codes adopted by the City and uniformly enforced within the City's corporate boundaries, as may be amended from time to time, and any subsequently adopted local amendments to uniform building, fire, electrical, plumbing, or mechanical codes that are uniformly applicable to similarly situated development within the City's corporate boundaries (the "Building Codes");

(c) development standards attached as Exhibit D (the "Development Standards");

(d) road standards attached as Exhibit E (the "Road Standards");

(e) 100-year drainage design for ditches and major drainage structures and 10-year drainage design for individual lot driveway culverts, using the rational method and discharging undetained to the floodplain (the "Drainage Standards");

(f) preliminary plat attached as Exhibit F; and

(g) final plats for portions of the Property that are approved, from time to time, by the City in accordance with this Agreement (each, an "Approved Plat").

2.2 Zoning. In the event of any conflict between this Agreement and any zoning ordinance adopted by the City Council relating to the Property, this Agreement will prevail except as expressly agreed in writing by Owner, the City, and the owners of the portion of the Property subject to such zoning ordinance. Any established use of the Property or a portion thereof that may be in conflict with the City's zoning ordinances at the time of annexation shall be deemed a legal use and shall not be considered to be a nonconforming use provided such use is in compliance with this Agreement.

2.3 Development Standards Revisions and Waivers.

(a) The Mayor, the City Manager, or a designee may administratively approve in writing minor revisions to the Development Standards, including without limitation the following: (i) an increase in the height of any structure by five percent (5%) or less; (ii) a setback reduction of ten percent (10%) or less; or (iii) an increase in lot coverage of five percent (5%) or less.

(b) The City Council may waive strict compliance with the Development Standards on a case-by-case basis when Owner demonstrates, to the reasonable satisfaction of the City Council, that the requested waiver: (i) is not contrary to the public interest; (ii) does not cause injury to adjacent property; and (iii) does not materially adversely affect the quality of development.

2.4 Drilling and Production of Natural Gas; Setback Requirements.

(a) Three gas well sites are located on the Property, as shown in Exhibit G (the "Existing Well Sites"). Additional gas wells may be drilled on the Existing Well Sites provided (i) such wells are set back at least 150 feet from homes and public parks; and (ii) such wells are screened in accordance with Section 4.721 of the City's Code of Ordinances in effect as of the Effective Date ("Section 4.721").

(b) Homes shall be set back 150 feet from wells on the Existing Well Sites in existence when a building permit application is submitted, provided such wells are screened in accordance with Section 4.721. If such existing gas wells are not screened in accordance with Section 4.721, homes shall be set back 200 feet from such wells.

(c) Distances shall be measured from the well bore, in a straight line, without regard to intervening structures or objects, to the closest exterior point of the residence or public park.

(d) Notwithstanding anything addressed above, the City may not enforce regulations concerning gas drilling and production with respect to the Property that are stricter than regulations enforced by the City within its corporate limits.

2.5 Conflicts. In the event of any conflict between this Agreement and any other ordinance, rule, regulation, standard, policy, order, guideline or other City-adopted or City-enforced requirement, whether existing on the Effective Date or hereinafter adopted, this Agreement shall control, except as otherwise expressly provided in this Agreement. In the event of any conflict between any provision of the Agreement and the Governing Regulations, the provision of the Agreement shall prevail.

(a) Owner shall not construct, or allow to be constructed, on the portion of the Property owned by such Owner a permanent building designed or intended for human occupancy or use (each, a "Structure") until a permit is issued certifying that the plans and specifications for the Structure are in compliance with the Building Codes and Development Standards (a "Building Permit").

(b) At the City's option, Building Permits may be issued by a City employee or a third party contractor retained by the City and approved by the affected Owner.

4.1 Plat Review Fees. Development of the Property shall be subject to payment to the City of the reasonable fees and charges applicable to the City's preliminary and final plat review and approval process (the "Plat Review Fees") according to the fee schedule adopted by the City Council and in effect on the date of submittal of each plat application. The fee schedule uniformly applicable to development within the corporate limits of the City shall be applicable to the Property.

4.7 Exclusive Fees. Except for Plat Review Fees, Plan Review Fees, Residential Fees, Water Impact Fees, Sewer Impact Fees (if applicable), Infrastructure Inspection Fees (in accordance with Section 3.3) and Annexation and Zoning Fees, no other fees or charges of any kind are due and payable to the City in connection with the development of the Property.

ARTICLE V

PUBLIC INFRASTRUCTURE; RETAIL UTILITY SERVICE

5.1 Certificates of Convenience and Necessity.

(a) Within 30 days after the Effective Date, Owner shall submit a petition to the Public Utilities Commission (the "PUC") pursuant to Section 13.254, Texas Water Code ("Section 13.254"), requesting expedited release of the Property from Aqua Texas' water CCN service area and the Town of Northlake's sewer CCN service area, and shall provide a copy of such petition to the City. The City shall cooperate with Owner to remove the Property from Aqua Texas' water CCN service area and Northlake's sewer CCN service area and to add the Property to the City's water CCN service area and, upon Owner's written request, to add the Property to the City's sewer CCN service area.

(b) The City shall provide written notice to the PUC of the City's intent to provide retail water service to the Property within fifteen (15) days after receipt of written request from Owner. The City shall not provide such notice to the PUC except upon receipt of written request from Owner. If the Property is removed from Aqua Texas' water CCN, Owner shall pay compensation, if any, to Aqua Texas as determined by the PUC in accordance with Section 13.254 on behalf of the City, subject to right to reimbursement pursuant to Section 4.4.

(c) The City shall provide written notice to the PUC of the City's intent to provide retail sewer service to the portion of the Property removed from the Town of Northlake's sewer

CCN within fifteen (15) days after receipt of written request from Owner. The City shall not provide such notice to the PUC except upon receipt of written request from Owner.

5.2 Retail Water Service; Construction of Infrastructure.

(a) Retail water service to the Property for development in accordance with this Agreement will be provided by the applicable CCN-holder.

(b) Provided the Property is released from Aqua Texas' water CCN service area in accordance with Section 5.1, Owner shall design and construct or cause to be designed and constructed approximately 170 linear feet of eight-inch water main sized to serve the Property (the "Off-Site Water Main") and all on-site water infrastructure for the City to provide retail water service to the Property. At the City's request, Owner shall oversize the Off-Site Water Main with 12-inch water main, provided the City pays 1/3 of all costs associated with design and construction of the Off-Site Water Main prior to commencement of construction of the Off-Site Water Main. If the City does not deposit funds for the City's 1/3 share of such costs in an escrow account designated by Owner or make other payment arrangements acceptable to Owner within 30 days after Owner delivers notice of intent to commence construction of the Off-Site Water Main, Owner may install the Off-Site Water Main as an eight-inch main and shall have no obligation to oversize the Off-Site Water Main.

(c) Water service by the City to portions of the Property located within the City's water CCN service area shall be at the City's generally applicable in-city rates.

5.3 Retail Sewer Service. At Owner's option, sewer service to the Property shall be provided by:

(a) Individual on-site septic systems on each platted lot. Owner shall obtain a septic tank license for each platted lot from the County Health Department in accordance with applicable regulations; or

(b) The City, provided the Property is released from the Town of Northlake's sewer CCN service area in accordance with Section 5.1 and Owner constructs at Owner's expense, all infrastructure determined by the City to be necessary to connect to the City's sewer system.

5.4 Roadways.

(a) Owner shall dedicate right-of-way to the City for Boss Range Road adjacent to the Property sufficient to provide a total of 30 feet of right-of-way from the centerline, in connection with final platting the Property adjacent to Boss Range Road. Owner's sole obligation with respect to Boss Range Road shall be dedication of such right-of-way. Owner shall have no obligation to construct, or finance the construction of, any improvements to Boss Range Road.

(b) Owner has no obligation to dedicate right-of-way or construct improvements to John Wiley Road.

(c) If Owner elects to develop the Property with one-half acre lots served by on-site septic systems and City retail water service, Owner shall construct internal roads within the boundaries of the Property in accordance with the Road Standards.

(d) If Owner elects to develop the Property with minimum 7,000 square foot lots with City retail water and sewer service, Owner shall construct internal roads within the boundaries of the Property in accordance with City standards set out in Exhibit C.

(e) Notwithstanding any provision of the Subdivision Regulations or any other City requirements to the contrary, no dedication of right-of-way or construction of improvements to John Wiley Road or Boss Range Road and no other roadway improvements outside the Property boundaries are required for development of the Property except as set out in this Section 5.4.

5.5 Drainage. Owner shall construct drainage improvements on the Property in accordance with the Drainage Standards.

5.6 Dedication, Ownership and Maintenance of Public Infrastructure; Capacity. Owner shall dedicate the Public Infrastructure to the City, provided the Property is annexed by the City. Notwithstanding such dedication, Owner shall have a continuing right to require the City to utilize a portion of the capacity in the Off-Site Water Main to serve the Property, which capacity shall be made available by the City as necessary to provide water service to customers within the Property.

5.7 Oversized Infrastructure. Owner has no obligation to design or construct water, sewer, drainage or other Public Infrastructure that exceeds the capacity needed to serve the Property, except as set out in Section 5.2(b).

ARTICLE VI TERM OF AGREEMENT

6.1 Term. The term of the Agreement will be fifteen (15) years commencing on the Effective Date (the "Term").

6.2 Termination of Agreement. This Agreement may be terminated as to all of the Property as follows:

(a) at any time by mutual written consent of the City and Owner;

(b) by the City if (i) Owner's petition for expedited release from Aqua Texas' water CCN service area is not approved by the PUC pursuant to Section 5.1; (ii) Owner fails to submit an annexation petition in accordance with Section 7.1(a); (iii) the Annexation Petition is deemed withdrawn pursuant to Section 7.1(c); or (iv) the City does not annex the Property by March 1, 2016;

(c) by Owner if (i) Owner's petition for expedited release from Aqua Texas' water CCN service area is not approved by the PUC pursuant to Section 5.1; (ii) the Annexation Petition is deemed withdrawn pursuant to Section 7.1(c); or (iii) the City does not annex the Property by March 1, 2016.

ARTICLE VII
ANNEXATION; ROLLBACK TAXES

7.1 Annexation.

(a) Owner shall, no later than September 1, 2015, submit a petition to the City requesting annexation of the Property (the "Annexation Petition"). The Annexation Petition shall be subject to approval by the PUC of Owner's petition for expedited release from Aqua Texas' water CCN area pursuant to Section 5.1.

(b) The City may not annex the Property unless the PUC approves the petition for expedited release of the Property from Aqua Texas' water CCN service area pursuant to Section 5.1 (the "Annexation Condition"). The City shall follow the annexation process set out in Section 43.061, et seq., of the Texas Local Government Code. The City Council shall not adopt an ordinance annexing the Property prior to January 1, 2016.

(c) The Annexation Petition shall be deemed to be automatically withdrawn by Owner and otherwise void without further action by Owner if (i) the PUC does not approve the petition for expedited release of the Property from Aqua Texas' water CCN service area pursuant to Section 5.1; or (ii) the City terminates this Agreement; or (iii) the City posts an agenda providing for approval of an ordinance annexing the Property prior to January 1, 2016 (the "Withdrawal Events").

(d) The City acknowledges that acceptance of the Annexation Petition by a City employee or other representatives constitutes acceptance of the Annexation Condition and the Withdrawal Events.

7.2 Rollback Taxes. The City acknowledges that no municipal rollback taxes are owed to the City for the Property.

ARTICLE VIII
EVENTS OF DEFAULT; REMEDIES

8.1 Events of Default. No Party shall be in default under this Agreement until notice of the alleged failure of such Party to perform has been given (which notice shall set forth in reasonable detail the nature of the alleged failure) and until such Party has been given a reasonable time to cure the alleged failure (such reasonable time determined based on the nature of the alleged failure, but in no event less than thirty (30) days after written notice of the alleged failure has been given). In addition, no Party shall be in default under this Agreement if, within the applicable cure period, the Party to whom the notice was given begins performance and thereafter diligently and continuously pursues performance until the alleged failure has been cured.

8.2 Remedies. IF A PARTY IS IN DEFAULT, THE AGGRIEVED PARTY MAY, AT ITS OPTION AND WITHOUT PREJUDICE TO ANY OTHER RIGHT OR REMEDY UNDER THIS AGREEMENT, SEEK ANY RELIEF AVAILABLE AT LAW OR IN EQUITY, INCLUDING, BUT NOT LIMITED TO, AN ACTION UNDER THE UNIFORM DECLARATORY JUDGMENT ACT, SPECIFIC PERFORMANCE, MANDAMUS, AND

INJUNCTIVE RELIEF. NOTWITHSTANDING THE FOREGOING, HOWEVER, NO DEFAULT UNDER THIS AGREEMENT SHALL:

- (a) entitle the aggrieved Party to terminate this Agreement; or
- (b) entitle the aggrieved Party to suspend performance under this Agreement unless the portion of the Property for which performance is suspended is the subject of the default (for example, the City shall not be entitled to suspend its performance with regard to the development of "Tract X" by "Developer A" based on the grounds that Developer A is in default with respect to any other tract or based on the grounds that any other developer is in default with respect to any other tract) unless the default is in the nature of the failure to undertake a shared obligation as between such tracts or developers; or
- (c) adversely affect or impair the current or future obligations of the City to provide water service to any portion of the Property within its water CCN; or
- (d) entitle the aggrieved Party to seek or recover monetary damages of any kind; or
- (e) limit the Term.

ARTICLE IX **ASSIGNMENT AND ENCUMBRANCE**

9.1 Assignment by Owner to Successor Owners. Owner has the right (from time to time without the consent of the City, but upon written notice to the City) to assign this Agreement, in whole or in part, and including any obligation, right, title, or interest of Owner under this Agreement, to any person or entity (an "Assignee") that is or will become an owner of any portion of the Property or that is an entity that is controlled by or under common control with Owner. Each assignment shall be in writing executed by Owner and the Assignee and shall obligate the Assignee to be bound by this Agreement to the extent this Agreement applies or relates to the obligations, rights, title, or interests being assigned. A copy of each assignment shall be provided to all Parties. Provided that the successor owner assumes the liabilities, responsibilities, and obligations of the assignor under this Agreement as to the Property or portion of the Property in question, the assigning party will be released from any rights and obligations under this Agreement as to the Property involved in such assignment, effective upon receipt of the assignment by the City. It is specifically intended that this Agreement and all terms, conditions, and covenants herein shall survive a transfer, conveyance or assignment occasioned by the exercise of foreclosure of lien rights to a creditor or a party hereto, whether judicial or nonjudicial, as evidenced by execution of this Agreement by all lienholders against the Property as of the Effective Date (if any) subordinating such liens to this Agreement. No assignment by Owner shall release Owner from any liability that resulted from an act or omission by Owner that occurred prior to the effective date of the assignment. Owner shall maintain true and correct copies of all assignments made by Owner to Assignees, including a copy of each executed assignment and the Assignee's Notice information as required by this Agreement. Owner hereby represents and warrants that there are no liens against the Property to secure loans, as of the Effective Date.

9.2 Assignment by the City. The City shall not assign this Agreement, in whole or in part, and including any obligation, right, title, or interest of the City under this Agreement, without the prior written approval of Owner.

9.3 Encumbrance by Owner and Assignees. Owner has the right, from time to time, to collaterally assign, pledge, grant a lien or security interest in, or otherwise encumber any of their respective rights, title, or interest under this Agreement for the benefit of their respective lenders without the consent of, but with prompt written notice to, the City, and in no event provided later than ten (10) days after any such encumbrance takes effect. The collateral assignment, pledge, grant of lien or security interest, or other encumbrance shall not, however, obligate any lender to perform any obligations or incur any liability under this Agreement unless the lender agrees in writing to perform such obligations or incur such liability. Provided the City has been given a copy of the documents creating the lender's interest, including Notice (hereinafter defined) information for the lender, then that lender shall have the right, but not the obligation, to cure any default under this Agreement and shall be given a reasonable time to do so in addition to the cure periods otherwise provided to the defaulting Party by this Agreement; and the City agrees to accept a cure offered by the lender as if offered by the defaulting Party. A lender is not a Party to this Agreement unless this Agreement is amended, with the consent of the lender, to add the lender as a Party. Notwithstanding the foregoing, however, this Agreement shall continue to bind the Property and shall survive any transfer, conveyance, or assignment occasioned by the exercise of foreclosure or other rights by a lender, whether judicial or non-judicial. Any purchaser from or successor owner through a lender of any portion of the Property shall be bound by this Agreement and shall not be entitled to the rights and benefits of this Agreement with respect to the acquired portion of the Property until all defaults under this Agreement with respect to the acquired portion of the Property have been cured.

9.4 Encumbrance by City. The City shall not collaterally assign, pledge, grant a lien or security interest in, or otherwise encumber any of its rights, title, or interest under this Agreement without Owner's prior written consent.

ARTICLE X

RECORDATION, RELEASES, AND ESTOPPEL CERTIFICATES

10.1 Binding Obligations. Pursuant to the requirements of Section 212.172(c) of the Texas Local Government Code, this Agreement and all amendments hereto shall be recorded in the deed records of the County. In addition, all assignments of this Agreement shall be recorded in the deed records of the County and a copy of the recorded assignment shall be delivered to the City as a condition to the City having notice of the assignment or having the assignment binding upon the City. This Agreement, when recorded, shall be binding upon the Property, the Parties, and all successor Owners of all or any part of the Property, provided, however, this Agreement shall not be binding upon, and shall not constitute any encumbrance to title as to, any End-Buyer except for the land use and development regulations that apply to specific lots. An End-Buyer shall not be considered an Owner. For purposes of this Agreement, the Parties agree: (a) the term "End-Buyer" means any tenant, user, occupant, or owner that is intended to be a final user, of a fully developed and improved lot and does not include a builder; (b) the term "fully developed and improved lot" means any lot, regardless of proposed use, for which a final plat has been approved by the City and recorded in the County's real property records; and (c) the

term "land use and development regulations that apply to specific lots" means all of the Governing Regulations except the Public Infrastructure and Retail Utility Service provisions of Article V.

10.2 Releases. From time to time upon written request of Owner, the Mayor and City Manager, or designee of their choice, shall execute, in recordable form, subject to approval as to form by the City Attorney, a partial release of this Agreement if the requirements of this Agreement have been met, subject to the continued application of the Building Codes and the Development Regulations.

10.3 Estoppel Certificates. From time to time upon written request of Owner, the Mayor and the City Manager, or a designee of their choice, will execute a written estoppel certificate, subject to approval as to form by the City Attorney, identifying any obligations of Owner under this Agreement that are in default or, with the giving of notice or passage of time, would be in default; and stating, to the extent true, that to the best knowledge and belief of the City, Owner is in compliance with its duties and obligations under this Agreement, except as expressly identified. The City is entitled to recover all of the City's out-of-pocket expense for gathering the information required to sign the estoppel certificate, including professional and consulting fees and related expenses, and such expense shall be paid prior to the City releasing the estoppel certificate.

ARTICLE XI ADDITIONAL PROVISIONS

11.1 Recitals. The recitals contained in this Agreement: (a) are legislative findings by the City Council; (b) are true and correct as of the Effective Date; (c) contribute to the basis upon which the Parties negotiated and entered into this Agreement; and (d) reflect the final intent of the Parties as stated therein. In the event it becomes necessary to interpret any provision of this Agreement, the intent of the Parties, as evidenced by the recitals, shall be taken into consideration and, to the maximum extent possible, given full effect. The Parties have relied upon the recitals as part of the consideration for entering into this Agreement and, but for the intent of the Parties reflected by the recitals, would not have entered into this Agreement.

11.2 Notices. All notices required or contemplated by this Agreement (or otherwise given in connection with this Agreement) (a "Notice") shall be in writing, shall be signed by or on behalf of the Party giving the Notice, and shall be effective as follows: (a) on or after the 5th business day after being deposited with the United States mail service, Certified Mail, Return Receipt Requested, with a confirming copy sent by FAX; (b) on the day delivered by a private delivery or private messenger service (such as FedEx or UPS) as evidenced by a receipt signed by any person at the delivery address (whether or not such person is the person to whom the Notice is addressed); or (c) otherwise on the day actually received by the person to whom the Notice is addressed by delivery in person or by regular mail. 11.3 Reservation of Rights. UPON THE EFFECTIVE DATE, THIS AGREEMENT SHALL CONSTITUTE A "PERMIT" WITHIN THE MEANING OF CHAPTER 245, TEXAS LOCAL GOVERNMENT CODE. OWNER WAIVES ALL CLAIMS THAT ANY OBLIGATION INCURRED BY OWNER SET OUT IN THIS AGREEMENT CONSTITUTES A "TAKING", AN ILLEGAL EXACTION, OR INVERSE CONDEMNATION OF ALL OR ANY PORTION OF THE PROPERTY. EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, OWNER DOES NOT, BY ENTERING INTO THIS AGREEMENT, WAIVE (AND OWNER EXPRESSLY RESERVES) ANY RIGHTS AND CLAIMS THAT OWNER MAY HAVE ARISING FROM ANY ACTION BY THE CITY AFTER THE EFFECTIVE DATE. THE CITY SHALL NOT BE REQUIRED TO DETERMINE ROUGH PROPORTIONALITY OR NECESSITY AS PROVIDED FOR IN SECTION 212.904 OF THE TEXAS LOCAL GOVERNMENT CODE FOR ANY DEDICATIONS OR IMPROVEMENTS REQUIRED UNDER THIS AGREEMENT, AS AMENDED, OR OTHERWISE PROPOSED BY OWNER.

11.4 Authority and Enforceability. The City represents and warrants that this Agreement has been approved by the City Council in accordance with all applicable public notice requirements (including, but not limited to, notices required by the Texas Open Meetings Act) and that the individual executing this Agreement on behalf of the City has been duly authorized to do so. Owner represents and warrants that this Agreement has been approved by appropriate action of Owner, and that the individuals executing this Agreement on behalf of Owner have been duly authorized to do so. Each Party acknowledges and agrees that this Agreement is binding upon such Party and enforceable against such Party in accordance with its terms and conditions and that the performance by the Parties under this Agreement is authorized by Section 212.171, et. seq., of the Texas Local Government Code.

11.5 Entire Agreement; Severability; Amendment. This Agreement constitutes the entire agreement between the Parties and supersedes all prior agreements, whether oral or written, covering the subject matter of this Agreement. Except as provided in Section 2.3, this Agreement shall not be modified or amended except in writing signed by the City, Owner, and the owner of the portion of the Property affected by the amendment. If any provision of this Agreement is determined by a court of competent jurisdiction to be unenforceable for any reason, then: (a) such unenforceable provision shall be deleted from this Agreement; (b) the unenforceable provision shall, to the extent possible, be rewritten to be enforceable and to give effect to the intent of the Parties; and (c) the remainder of this Agreement shall remain in full force and effect and shall be interpreted to give effect to the intent of the Parties. If it is determined by a judgment of a trial court with jurisdiction over the matter that any of the Property is not located within the City's ETJ, this Agreement shall remain in full force and effect with respect to the remainder of the Property unless Owner and the City elect to terminate the Agreement pursuant to Section 6.2(a)..

11.6 Applicable Law; Venue. This Agreement is entered into under and pursuant to, and is to be construed and enforceable in accordance with, the laws of the State of Texas, and all obligations of the Parties are performable in the County. Venue and exclusive jurisdiction for any action to enforce or construe this Agreement shall be the County.

11.7 No Waiver. Any failure by a Party to insist upon strict performance by another Party of any material provision of this Agreement shall not be deemed a waiver thereof, and the Party shall have the right at any time thereafter to insist upon strict performance of any and all provisions of this Agreement. No provision of this Agreement may be waived except by writing signed by the Party waiving such provision. Any waiver shall be limited to the specific purposes for which it is given. No waiver by any Party of any term or condition of this Agreement shall be deemed or construed to be a waiver of any other term or condition or subsequent waiver of the same term or condition.

11.8 No Third Party Beneficiaries. Except as otherwise provided in this Section 11.8, this Agreement only inures to the benefit of, and may only be enforced by, the Parties. An End-Buyer shall be considered a third-party beneficiary of this Agreement, but only for the limited purposes for which an End-Buyer is bound by this Agreement. No other person or entity shall have any right, title, or interest under this Agreement or otherwise be deemed to be a third-party beneficiary of this Agreement.

11.9 Force Majeure. Each Party shall use good faith, due diligence and reasonable care in the performance of its respective obligations under this Agreement, and time shall be of the essence in such performance; however, in the event a Party is unable, due to force majeure, to perform its obligations under this Agreement, then the obligations affected by the force majeure shall be temporarily suspended. Subject: 250027 rezoning

Good afternoon,

I heard there is some back and forth regarding the final zoning and land purpose for the property listed in subject line, both with various positive and negative attributes.

I just moved to legacy ranch, so either way this decision would directly affect me.

In reference to industrial vs residential I officially voice my opinion for residential specifically due to the batch plant option. I think this would be very industrial for an area so close to many current and upcoming neighborhoods.

Due to that, I believe its best zoned as residential.

Thanks,

Conner Yowell

Planning & Zoning Commission
415 N. College Ave.
Justin, TX 76247

Delivered via E-mail

Attention: Planning & Zoning Commission

Dear Commissioners:

Subject: Public Hearing Re Justin Industrial Park Rezoning

BURNCO Texas LLC ("BURNCO") is writing to express concern with the development contemplated to be enabled by the rezoning being proposed as part of the August 19th 2025 Planning and Zoning Commission meeting. The plan places BURNCO in a difficult position as noted below: On one hand, BURNCO favors a commercial or industrial zoning of these lands; on the other, BURNCO views the development concepts included in the materials as prematurely presuming sacrifices to BURNCO's lands and operations that have not yet been agreed to.

BURNCO is a family-owned construction materials company founded in 1912. We are proud to operate a number of ready-mix plant locations across the state of Texas and we are proud to operate one on the lands adjacent to this proposed development.

BURNCO is encouraged that industrial and commercial development is being considered on these lands. BURNCO was not supportive of the 2024 residential proposal titled the Trafford Terrace which would have seen a high density of residential development neighboring our plant. BURNCO strives to be a good neighbor, but having residential development in such close proximity to the plant created the potential for future land-use conflicts that we did not consider to have been adequately addressed in that earlier plan.

Given that the new proposal is for an industrial use, BURNCO would normally be enthusiastically supportive. In this case however, the industrial use relies on a road being developed through the middle of BURNCO's property and plant. As noted before, this puts BURNCO in a difficult position. This proposed roadway will bisect and segregate the existing operations at the plant and lead to as-yet not understood operational and safety impacts to BURNCO and the other users of Industrial Rd.

The Town has engaged with BURNCO on this issue, but no agreement is yet in place in respect of any transfer of land (necessary to connect Industrial Rd. to the subject lands) or any compensation BURNCO would be entitled to in respect of that transfer. To have included that connection through BURNCO's property is premature and deeply concerning to us. In truth, BURNCO is still working to fully understand the operational impacts of a road being developed through a busy industrial operation. This is in addition to the yet unstudied potential safety implications such a bisection would create both to BURNCO personnel as well as the general public utilizing Industrial Rd.

One idea that had been contemplated to serve as compensation for these lands and the significant impact it will have on BURNCO was to provide BURNCO with the 1.25 acre parcel west of the plant. On further study, BURNCO is of the view that this approach may not sufficiently address the significant impact the bisection of its operations would create. Review remains underway, but BURNCO advises

OVER A CENTURY OF QUALITY AND SERVICE

that significant cost might yet be required in order to make the reconfigured lands safe and productive for the plant, the employees that work there and the future users of Industrial Rd.

Land Requirement (0.172 acres through the middle of BURNCO operations)

Finally, BURNCO understands that the 7.60 acres highlighted in the agenda package is to be developed as a Ready Mix Plant. BURNCO has no issue with competition and trusts that should this development go ahead, that the land use zoning being proposed is supportive of this use.

We thank you for your consideration and also wish to thank town administration for their efforts on this project. Their proactive and detailed communication has been much appreciated.

Please do not hesitate to contact me at (972) 207-2272 or rick.pucci@burnco.com to discuss this matter.

Sincerely,

Section 1. Terms.

Terms not otherwise defined herein are defined in the Service and Assessment Plan.

Section 2. Findings.

The findings and determinations set forth in the preambles hereof are hereby incorporated by reference and made a part of this Ordinance for all purposes as if the same were restated in full in this Section. The City Council hereby finds, determines, and ordains, as follows:

(a) The apportionment of the Actual Costs of the Improvement Area #3 Improvements (as reflected in the Service and Assessment Plan), the Administrative Expenses and the Bond Issuance Costs (collectively, the “Improvement Area #3

Authorized Improvements”) pursuant to the Service and Assessment Plan is fair and reasonable, reflects an accurate presentation of the special benefit each parcel of Improvement Area #3 Assessed Property will receive from the Improvement Area #3 Authorized Improvements identified in the Service and Assessment Plan, and is hereby approved;

(b) The Service and Assessment Plan (i) covers a period of at least five years, (ii) defines the annual indebtedness and projected costs for the Improvement Area #3 Authorized Improvements, and (iii) includes a copy of the notice form required by Section 5.014 of the Texas Property Code, as amended;

(c) The Service and Assessment Plan apportions the Actual Costs of the Improvement Area #3 Authorized Improvements to be assessed against the Improvement Area #3 Assessed Property as Improvement Area #3 Assessments and such apportionment is made on the basis of special benefits accruing to the Improvement Area #3 Assessed Property because of the Improvement Area #3 Authorized Improvements;

(d) All of the real property in Improvement Area #3 of the District which is being assessed in the amounts shown in the Improvement Area #3 Assessment Roll will be benefited by the Improvement Area #3 Authorized Improvements proposed to be constructed as described in the Service and Assessment Plan, and each assessed parcel of Improvement Area #3 Assessed Property will receive special benefits during the term of the Improvement Area #3 Assessments equal to or greater than the total amount assessed;

(e) The method of apportionment of the Actual Costs of the Improvement Area #3 Authorized Improvements set forth in the Service and Assessment Plan results in imposing equal shares of the Actual Costs of the Improvement Area #3 Authorized Improvements on property similarly benefited, and results in a reasonable classification and formula for the apportionment of the Actual Costs;

(f) The Service and Assessment Plan should be approved as the 2025 Annual Service Plan Update for the District as described in Sections 372.013 and 372.014 of the PID Act;

(g) The Improvement Area #3 Assessment Roll should be approved as the assessment roll for the Improvement Area #3 Assessed Property within Improvement Area #3 of the District;

(h) The provisions of the Service and Assessment Plan relating to due and delinquency dates for the Improvement Area #3 Assessments, interest on Annual Installments, interest and penalties on delinquent Improvement Area #3 Assessments and delinquent Annual Installments, and procedures in connection with the imposition and collection of Improvement Area #3 Assessments should be approved and will expedite collection of the Improvement Area #3 Assessments in a timely manner in order to provide

the services and improvements needed and required for Improvement Area #3 of the District; and

SECTION IV: SERVICE PLAN

The Act requires the service plan to cover a period of at least five years. The service plan is required to define the annual projected costs and indebtedness for the Authorized Improvements undertaken within the District during the five-year period. The Service Plan must be reviewed and updated by the City Council at least annually. **Exhibit C** summarizes the Service Plan for the Major Improvement Area, Improvement Area #1, Improvement Area #2-A, Improvement Area #2-B, Improvement Area #3, and Improvement Area #4. Pursuant to the PID Act and Section 5.014 of the Texas Property Code, as amended, this 2025 A&R Service and Assessment Plan, and any future Annual Service Plan Updates, shall include a form of the buyer disclosure for the District. The buyer disclosures are attached hereto as Appendix B.

Exhibit D summarizes the sources and uses of funds required to construct the Authorized Improvements, fund required reserves and issue the PID Bonds. The sources and uses of funds shown in **Exhibit D** shall be updated each year in the Annual Service Plan Update to reflect any budget revisions and Actual Costs.

SECTION V: ASSESSMENT PLAN

The Act allows the City Council to apportion the Authorized Improvements to the Assessed Property based on the special benefit received by the Authorized Improvements. The Act provides that such costs may be apportioned: (1) equally per front foot or square foot; (2) according to the value of property as determined by the City Council, with or without regard to improvements constructed on the property; or (3) in any other manner approved by the City Council that results in imposing equal shares of such costs on property similarly benefited. The Act further provides that the governing body may establish by ordinance or order reasonable classifications and formulas for the apportionment of the cost between the municipality and the area to be assessed and the methods of assessing the special benefits for various classes of improvements.

This section of this 2025 A&R Service and Assessment Plan describes the special benefit received by each Parcel within the District as a result of the Authorized Improvements and provides the

basis and justification for the determination that this special benefit is equal to or exceeds the amount of the Assessments levied or to be levied on the Assessed Property for such Authorized Improvements.

The determination by the City Council of the assessment methodologies set forth below is the result of the discretionary exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on the Developer and all future owners and developers of the Assessed Property.

A. Assessment Methodology

The City Council, acting in its legislative capacity based on information provided by the Developer and its engineer and reviewed by the City staff and by third-party consultants retained by the City, has determined that the cost of the Authorized Improvements shall be allocated or apportioned as follows:

- By the City Council approving the applicable 2018 Assessment Ordinance, the Major Improvements were allocated between Improvement Area #1 and the Major Improvement Area based on the total number of estimated residential Lots. Improvement Area #1 was allocated 27.55% of the Major Improvements. The remaining 72.45% of Major Improvements were allocated to the Major Improvement Area. This amount shall be allocated among Improvement Area #2-A, Improvement Area #2-B, Improvement Area #3, Improvement Area #4, and the Future Improvement Areas pro rata based on the Estimated Buildout Value of Assessed Property.
- By the City Council approving the applicable 2018 Assessment Ordinance, the Improvement Area #1 Authorized Improvements were allocated 100% to Improvement Area #1 Assessed Property by spreading the entire Improvement Area #1 Assessment across all Improvement Area #1 Assessed Property based on the ratio of the Estimated Buildout Value of each Parcel designated as Improvement Area #1 Assessed Property to the Estimated Buildout Value of all Improvement Area #1 Assessed Property.
- By the City Council approving the 2021 Assessment Ordinance (June), the Improvement Area #2 Improvements were allocated to each Improvement Area #2-A Assessed Property and Improvement Area #2-B Assessed Property in Improvement Area #2 pro rata based on the Estimated Buildout Value of all Parcels within Improvement Area #2, as depicted on **Exhibit B**.
- By the City Council approving the 2021 Assessment Ordinance (June), the Improvement Area #2-A Authorized Improvements were allocated 100% to each Improvement Area #2-

A Assessed Property by spreading the entire Improvement Area #2-A Assessment across all Improvement Area #2-A Assessed Property based on the ratio of the Estimated Buildout Value of each Parcel designated as Improvement Area #2-A Assessed Property to the Estimated Buildout Value of all Improvement Area #2-A Assessed Property, as depicted on **Exhibit B**.

- By the City Council approving the 2021 Assessment Ordinance (August), Improvement Area #2-B Authorized Improvements were allocated 100% to each Improvement Area #2-B Assessed Property by spreading the entire Improvement Area #2-B Assessment across all Improvement Area #2-B Assessed Property based on the ratio of the Estimated Buildout Value of each Parcel designated as Improvement Area #2-B Assessed Property to the Estimated Buildout Value of all Improvement Area #2-B Assessed Property, as depicted on **Exhibit B**.
- By the City Council approving the 2025 Assessment Ordinance, the costs of the Improvement Area #3 Authorized Improvements were allocated 100% to each Improvement Area #3 Assessed Property by spreading the entire Improvement Area #3 Assessment across all Improvement Area #3 Assessed Property based on the ratio of the Estimated Buildout Value of each Parcel designated as Improvement Area #3 Assessed Property to the Estimated Buildout Value of all Improvement Area #3 Assessed Property, as depicted on **Exhibit B**.

B. Assessments

Assessments are levied on the Assessed Property according to the Major Improvement Area Assessment Roll, Improvement Area #1 Assessment Roll, Improvement Area #2-A Assessment Roll, Improvement Area #2-B Assessment Roll, and Improvement Area #3 Assessment Roll attached hereto as **Exhibit F-1**, **Exhibit G-1**, **Exhibit H-1**, **Exhibit I-1**, and **Exhibit J-1**, respectively. The projected Annual Installments for the Major Improvement Area, Improvement Area #1, Improvement Area #2-A, Improvement Area #2-B, Improvement Area #3, and Improvement Area #4 are shown on **Exhibit F-2**, **Exhibit G-2**, **Exhibit H-2**, **Exhibit I-2**, **Exhibit J-2**, and **Exhibit K**, respectively, and are subject to revisions made in any Annual Service Plan Update. Upon division or subdivision of a Parcel, the applicable Assessment shall be reallocated pursuant to **Section VI**.

The Maximum Assessment for each Lot Type within Improvement Area #1, Improvement Area #2-A, Improvement Area #2-B, Improvement Area #3, and Improvement Area #4 are shown on **Exhibit E**. In no case will the Assessment for Lot Type 1, Lot Type 2, Lot Type 3, Lot Type 4, Lot Type 5, Lot Type 6, Lot Type 7, Lot Type 8, Lot Type 9, Lot Type Commercial, or Lot Type 10 exceed the corresponding Maximum Assessment.

SECTION VI: TERMS OF THE ASSESSMENTS

A. Reallocation of Assessments for Single Family Assessed Property

1. Upon Division Prior to Recording of Subdivision Plat

Upon the division of any Single Family Assessed Property (without the recording of a subdivision plat), the Administrator shall reallocate the Assessment for the Single Family Assessed Property prior to the division among the newly divided Single Family Assessed Properties according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for the newly divided Single Family Assessed Property

B = the Assessment for the Single Family Assessed Property prior to division

C = the Estimated Buildout Value of the newly divided Single Family Assessed Property

D = the sum of the Estimated Buildout Value for all of the newly divided Single Family Assessed Properties

The calculation of the Estimated Buildout Value of a Single Family Assessed Property shall be performed by the Administrator based on information from the Developer, homebuilders, market studies, appraisals, official public records of the County, and any other relevant information regarding the Single Family Assessed Property. The Estimated Buildout Values for Lot Type 1, Lot Type 2, Lot Type 3, Lot Type 4, Lot Type 5, Lot Type 6, Lot Type 7, Lot Type 8 and Lot Type 9 are shown on **Exhibit E** and will not change in future Annual Service Plan Updates but **Exhibit E** may be updated in future Annual Service Plan Updates to account for additional Lot Types. The calculation as confirmed by the City Council shall be conclusive.

The sum of the Assessments for all newly divided Single Family Assessed Properties shall equal the Assessment for the Single Family Assessed Property prior to subdivision. The calculation shall be made separately for each newly divided Single Family Assessed Property. The reallocation of an Assessment for a Single Family Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to this 2025 A&R Service and Assessment Plan approved by the City Council.

2. Upon Subdivision by a Recorded Subdivision Plat

Upon the subdivision of any Single Family Assessed Property based on a recorded Subdivision Plat, the Administrator shall reallocate the Assessment for the Single Family Assessed Property prior to the subdivision among the new subdivided Lots based on the Estimated Buildout Value according to the following formula:

$$A = [B \times (C \div D)]/E$$

Where the terms have the following meanings:

A = the Assessment for the newly subdivided Lot

B = the Assessment for the Parcel prior to subdivision

C = the sum of the Estimated Buildout Value of all newly subdivided Lots with same Lot Type

D = the sum of the Estimated Buildout Value for all of the newly subdivided Lots excluding Non-Benefitted Property

E = the number of Lots with same Lot Type

Prior to the recording of a subdivision plat, the Developer shall provide the City an Estimated Buildout Value as of the date of the recorded subdivision plat for each Lot created by the recorded subdivision plat considering factors such as density, lot size, proximity to amenities, view premiums, location, market conditions, historical sales, discussions with homebuilders, and any other factors that may impact value. The calculation of the Estimated Buildout Value for a Lot shall be performed by the Administrator and confirmed by the City Council based on information provided by the Developer, homebuilders, third party consultants, and/or the official public records of the County regarding the Lot. The Estimated Buildout Values for Lot Type 1, Lot Type 2, Lot Type 3, Lot Type 4, Lot Type 5, Lot Type 6, Lot Type 7, Lot Type 8 and Lot Type 9 are shown on **Exhibit E** and will not change in future Annual Service Plan Updates. The sum of the Assessments for all newly subdivided Lots shall not exceed the Assessment for the portion of the Single Family Assessed Property subdivided prior to subdivision. The calculation shall be made separately for each newly subdivided Single Family Assessed Property. The reallocation of an Assessment for a Single Family Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to this 2025 A&R Service and Assessment Plan approved by the City Council.

B. Reallocation of Assessments for Commercial Assessed Property

The sum of the Assessments for all newly subdivided Commercial Assessed Properties shall equal the Assessment for the subdivided Commercial Assessed Properties prior to subdivision, as shown on **Exhibit E**. When the Commercial Assessed Properties are subsequently platted, subdivided, re-subdivided or re-platted, or subject to eminent domain proceedings as described

in **Section VI.H**, the Assessment applicable to each resulting new Commercial Assessed Property shall be equal to the formula below.

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for the newly subdivided Commercial Assessed Property

B = the Assessment for the Commercial Assessed Property prior to subdivision

C = the estimated acreage of the newly divided Commercial Assessed Property

D = the sum of the estimated acreage for all of the newly divided Commercial Assessed Properties, excluding Non-Benefitted Property

In order to prevent over or under-burdening due to density changes, the reallocation of an Assessment for a Commercial Assessed Property may not exceed the Maximum Assessment for Lot Type Commercial as shown on **Exhibit E**, as measured by acreage and as shown on a final plat, and compliance may require a mandatory Prepayment pursuant to **Section VI.D**. Any reallocation pursuant to this section shall be calculated by the Administrator and reflected in an Annual Service Plan Update approved by the City. The reallocation of any Assessments as described herein shall be considered an administrative action and will not require any notice or public hearing, as defined in the Act, by the City.

C. Reallocation of Assessments for Improvement Area #4 Assessed Property

Upon the subdivision of any Improvement Area #4 Assessed Property (in accordance with the provisions of the Improvement Area #4 Condominium Regime) and the assignment of a tax parcel identification number by the Denton Central Appraisal District to such subdivided Lot of Improvement Area #4 Assessed Property, the Administrator shall, as a part of the Annual Service Plan Update in the year following the assignment of such tax parcel identification number, reallocate a portion of the Improvement Area #4 Assessment for the Improvement Area #4 Assessed Property prior to the subdivision among the new subdivided Lots within Improvement Area #4 based on the following formula:

$$A = B/C$$

Where the terms have the following meanings:

A = the Assessment for the newly subdivided Lot

B = the Assessment against Improvement Area #4 prior to subdivision as set forth in **Exhibit E**.

C = the number of Lot Type 10 Lots set forth in **Exhibit E** as updated with the filings of any additional plats and as reflected by the Denton County Central Appraisal District.

The sum of the Improvement Area #4 Assessments for all newly subdivided Lots within Improvement Area #4 shall not exceed the Improvement Area #4 Assessment prior to subdivision. The calculation shall be made separately for each newly subdivided Improvement Area #4 Assessed Property. The reallocation of an Improvement Area #4 Assessment for a Lot of Improvement Area #4 Assessed Property that is a homestead under Texas law, as applicable, may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to this 2025 A&R Service and Assessment Plan approved by the City Council.

D. Upon Consolidation

If two or more Lots or Parcels are consolidated, the Administrator shall allocate the Assessments against the Lots or Parcels before the consolidation to the consolidated Lot or Parcel, which allocation shall be approved by the City Council in the next Annual Service Plan Update. The Assessment for any resulting Lot may not exceed the Maximum Assessment for the applicable Lot Type and compliance may require a mandatory Prepayment of Assessments pursuant to **Section VI.D.**

E. Mandatory Prepayment of Assessments

1. Transfer to exempt person or entity

If the Assessed Property is transferred to a person or entity that is exempt from payment of the Assessment, the owner transferring the Assessed Property shall pay to the City the full amount of the Assessment, plus Prepayment Costs and Delinquent Collection Costs, prior to the transfer. If the owner of the Assessed Property causes the Assessed Property to become Non-Benefited Property, the owner causing the change in status shall pay to the City the full amount of the Assessment, plus Prepayment Costs and Delinquent Collection Costs, prior to the change in status.

2. Maximum Assessment exceeded at plat

Prior to the City approving a final subdivision plat, the Administrator will certify that such plat will not result in the Assessment per Lot for any Lot Type to exceed the Maximum Assessment. If the Administrator determines that the resulting Assessment per Lot for any Lot Type will exceed the Maximum Assessment, then (1) the Assessment applicable

to each Lot Type shall each be reduced to the Maximum Assessment and (2) the person or entity filing the plat shall pay to the City the amount the Assessment was reduced, plus Prepayment Costs and Delinquent Collection Costs, prior to the City approving the final plat.

3. Maximum Assessment exceeded in Improvement Area #4

Prior to the City approving a final or updated subdivision plat or subdivision or zoning plan for Improvement Area #4, the Administrator will certify that such plat or plans will not result in the Assessment per Lot to exceed the Maximum Assessment for Lot Type 10. If the Administrator determines that the resulting Assessment per Lot for Lot Type 10 will exceed the applicable Maximum Assessment, then (1) the Improvement Area #4 Assessment applicable to each Lot designated as Lot Type 10 shall each be reduced to the applicable Maximum Assessment and (2) the person or entity filing the final or updated subdivision plat or subdivision or zoning plan shall pay to the City the amount the Assessment was reduced, plus Prepayment Costs and Delinquent Collection Costs, prior to the City approving the final or updated subdivision plat or subdivision or zoning plan.

F. Reduction of Assessments

If as a result of cost savings or an Authorized Improvement not being constructed, the Actual Costs of completed Authorized Improvements are less than the Assessments levied for such Authorized Improvements, (1) in the event PID Bonds related to such Assessments have not been issued, the City Council shall reduce each Assessment related to such Authorized Improvements on a pro-rata basis such that the sum of the resulting reduced Assessments for all Assessed Properties equals the reduced Actual Costs or (2) in the event that PID Bonds related to such Assessments are issued, the Trustee shall apply amounts on deposit to be used for purposes of the Project Fund, to redeem outstanding PID Bonds, in accordance with the applicable Indenture. The Assessments shall not, however, be reduced to an amount less than the series of outstanding PID Bonds secured by such Assessment.

The Administrator shall update (and submit to the City Council for review and approval as part of the next Annual Service Plan Update) the Assessment Roll and corresponding Annual Installments to reflect the reduced Assessments.

G. Prepayment of Assessments

The owner of the Assessed Property may pay, at any time, all or any part of an Assessment in accordance with the Act. Prepayment Costs, if any, may be paid from the Additional Interest. If

an Annual Installment has been billed prior to payment, the Annual Installment shall be due and payable and shall be credited against the Prepayment.

If an Assessment is paid in full, with interest: (1) the Administrator shall cause the Assessment to be reduced to zero and the Assessment Roll to be revised accordingly; (2) the Administrator shall cause the revised Assessment Roll to be approved by the City Council as part of the next Annual Service Plan Update; (3) the obligation to pay the Assessment and corresponding Annual Installments shall terminate; and (4) the City shall provide the owner with a recordable "Notice of PID Assessment Termination."

If an Assessment is prepaid in part, with Prepayment Costs: (1) the Administrator shall cause the Assessment to be reduced and the Assessment Roll revised accordingly; (2) the Administrator shall prepare the revised Assessment Roll and submit to the City Council for review and approval as part of the next Annual Service Plan Update; and (3) the obligation to pay the Assessment will be reduced to the extent of the Prepayment made.

Unless otherwise directed to a specific Assessment by the Parcel or Lot owner at the time of the making of such Prepayment, any Prepayment or partial Prepayment for an Improvement Area #2-A Assessed Property or Improvement Area #2-B Assessed Property within Improvement Area #2, or Improvement Area #3 Assessed Property will be allocated among the Major Improvement Assessment and either the Improvement Area #2-A Assessment, the Improvement Area #2-B Assessment, or the Improvement Area #3 Assessment, as applicable, levied against such Parcel or Lot proportionally based on the ratio of (1) the Major Improvement Area Assessment remaining outstanding on such Assessed Property at the time of such Prepayment or partial Prepayment, (2) either the Improvement Area #2-A Assessment or Improvement Area #2-B Assessment, and (3) the Improvement Area #3 Assessment, as applicable, remaining outstanding on such Assessed Property at the time of such Prepayment or partial Prepayment.

H. Payment of Assessment in Annual Installments

Assessments that are not paid in full shall be due and payable in Annual Installments. Annual Installments are subject to adjustment in each Annual Service Plan Update.

- **Exhibit J-2** shows the projected total Improvement Area #3 Annual Installments for Improvement Area #3.
- **Exhibit K** shows the projected total Improvement Area #4 Annual Installments for Improvement Area #4.

Prior to the recording of a final subdivision plat, if any Parcel shown on the Assessment Roll is assigned multiple tax parcel identification numbers for billing and collection purposes, the Annual Installment shall be allocated pro rata based on the acreage of the property as shown by the Denton Central Appraisal District for each tax parcel identification number.

The Administrator shall prepare and submit to the City Council for its review and approval an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include an updated Assessment Roll and updated calculations of Annual Installments. Administrative Expenses shall be allocated equally among Parcels for which the Assessments remain unpaid. Annual Installments shall be reduced by any credits applied under the applicable Indenture, such as capitalized interest, interest earnings on account balances, and any other funds available to the Trustee for such purposes. Annual Installments shall be collected by the City in the same manner and at the same time as ad valorem taxes. Annual Installments shall be subject to the penalties, procedures, and foreclosure sale in case of delinquencies as set forth in the Act and in the same manner as ad valorem taxes for the City. The City Council may provide for other means of collecting Annual Installments. Assessments shall have the lien priority specified in the Act.

Sales of the Assessed Property for nonpayment of Annual Installments shall be subject to the lien for the remaining unpaid Annual Installments against the Assessed Property, and the Assessed Property may again be sold at a judicial foreclosure sale if the purchaser fails to timely pay the non-delinquent Annual Installments as they become due and payable.

The City reserves the right to refund PID Bonds in accordance with the Act. In the event of a refunding, the Administrator shall recalculate the Annual Installments so that total Annual Installments will be sufficient to pay the refunding bonds, and the refunding bonds shall constitute "PID Bonds."

Each Annual Installment of an Assessment, including interest on the unpaid principal of the Assessment, shall be updated annually. Each Annual Installment shall be delinquent if not paid prior to February 1 of the following year.

Failure of an owner to receive an invoice for an Annual Installment on the property tax bill shall not relieve the owner of the responsibility for payment of the Assessment. Assessments, or Annual Installments thereof, that are delinquent shall incur Delinquent Collection Costs. The City may provide for other means of collecting the Annual Installments to the extent permitted by the PID Act or other applicable law.

I. Prepayment as a Result of an Eminent Domain Proceeding or Taking

Subject to applicable law, if any portion of any Parcel of Assessed Property is taken from an owner as a result of eminent domain proceedings or if a transfer of any portion of any Parcel of Assessed Property is made to an entity with the authority to condemn all or a portion of the Assessed Property in lieu of or as a part of an eminent domain proceeding (a “Taking”), the portion of the Assessed Property that was taken or transferred (the “Taken Property”) shall be reclassified as Non-Benefitted Property.

For the Assessed Property that is subject to the Taking as described in the preceding paragraph, the Assessment that was levied against the Assessed Property (when it was included in the Taken Property) prior to the Taking shall remain in force against the remaining Assessed Property (the Assessed Property less the Taken Property) (the “Remaining Property”), following the reclassification of the Taken Property as Non-Benefitted Property, subject to an adjustment of the Assessment applicable to the Remaining Property after any required Prepayment as set forth below. The owner of the Remaining Property will remain liable to pay in Annual Installments, or payable as otherwise provided by this 2025 A&R Service and Assessment Plan, as updated, or the PID Act, the Assessment that remains due on the Remaining Property, subject to an adjustment in the Assessment applicable to the Remaining Property after any required Prepayment as set forth below. Notwithstanding the foregoing, if the Assessment that remains due on the Remaining Property exceeds the Maximum Assessment, the owner of the Remaining Property will be required to make a Prepayment in an amount necessary to ensure that the Assessment against the Remaining Property does not exceed the Maximum Assessment, in which case the Assessment applicable to the Remaining Property will be reduced by the amount of the partial Prepayment. If the City or owner receives all or a portion of the eminent domain proceeds (or payment made in an agreed sale in lieu of condemnation), such amount shall be credited against the amount of Prepayment, with any remainder credited against the assessment on the Remainder Property. In all instances the Assessment remaining on the Remaining Property shall not exceed the Maximum Assessment.

By way of illustration, if an owner owns 100 acres of Assessed Property subject to a \$100 Assessment and 10 acres is taken through a Taking, the 10 acres of Taken Property shall be reclassified as Non-Benefitted Property and the remaining 90 acres of Remaining Property shall be subject to the \$100 Assessment, (provided that this \$100 Assessment does not exceed the Maximum Assessment on the Remaining Property). If the Administrator determines that the \$100 Assessment reallocated to the Remaining Property would exceed the Maximum Assessment on the Remaining Property by \$10, then the owner shall be required to pay \$10 as a Prepayment of the Assessment against the Remaining Property and the Assessment on the Remaining Property shall be adjusted to be \$90.

Notwithstanding the previous paragraphs in this subsection, if the owner of the Taken Property notifies the City and the Administrator that the Taking prevents the Remaining Property from being developed for any use which could support the Estimated Buildout Value requirement, the owner shall, upon receipt of the compensation for the Taken Property, be required to prepay the amount of the Assessment required to buy down the outstanding Assessment to the Maximum Assessment on the Remaining Property to support the Estimated Buildout Value requirement. Said owner will remain liable to pay the Annual Installments on both the Taken Property and the Remaining Property until such time that such Assessment has been prepaid in full.

Notwithstanding the previous paragraphs in this subsection, the Assessments shall never be reduced to an amount less than the amount required to pay all outstanding debt service requirements on all outstanding PID Bonds.

Upon receipt of a written notice of error from an owner, the City shall refer the notice to the Administrator who shall provide a written response to the City and the owner within 30 days of such referral. The City Council shall consider the owner's notice of error and the Administrator's response, and within 30 days the City Council shall make a final determination as to whether or not an error has been made. Appeals shall be decided by the City Council after holding a public hearing at which all interested parties have an opportunity to be heard.

Decisions by the City Council shall be final and binding on the owners and developers and their successors and assigns.

Per Section 5.014 of the Texas Property Code, as amended, this 2025 A&R Service and Assessment Plan and any future Annual Service Plan Updates shall include forms of the buyer disclosures for the District. The buyer disclosures are attached hereto as **Appendix B**. Within seven days of approval by the City Council, the City shall file and record in the real property records of the County the executed ordinance approving this 2025 A&R Service and Assessment Plan, or any future Annual Service Plan Updates. The executed ordinance, including any attachments, approving this 2025 A&R Service and Assessment Plan or any future Annual Service Plan Updates shall be filed and recorded in their entirety.

E. Severability

If any provision of this 2025 A&R Service and Assessment Plan is determined by a governmental agency or court to be unenforceable, the unenforceable provision shall be deleted and, to the maximum extent possible, shall be rewritten to be enforceable. Provided, however, if the City or its assigns shall well and truly pay, or cause to be paid, the principal or redemption price of and the interest on all the Bonds at the times and in the manner stated in the Bonds, according to the true intent and meaning thereof, then this Indenture and the rights hereby granted shall cease, terminate and be void; otherwise this Indenture is to be and shall remain in full force and effect.

(a) Following the delivery and registration of the Initial Bond and pending the preparation of definitive Bonds, the proper officers of the City may execute and, upon the City's written request, the Trustee shall authenticate and deliver, one or more temporary Bonds that are printed, lithographed, typewritten, mimeographed or otherwise produced, in any Authorized Denomination, substantially of the tenor of the definitive Bonds in lieu of which they are delivered, without coupons, and with such appropriate insertions, omissions, substitutions and other variations as the officers of the City executing such temporary Bonds may determine, as evidenced by their signing of such temporary Bonds.

(b) Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the benefit and security of this Indenture.

(c) The City, without unreasonable delay, shall prepare, execute and deliver to the Trustee the Bonds in definitive form; thereupon, upon the presentation and surrender of the Bond or Bonds in temporary form to the Paying Agent/Registrar, the Paying Agent/Registrar shall cancel the Bonds in temporary form and the Trustee shall authenticate and deliver in exchange therefor a Bond or Bonds of the same maturity and series, in definitive form, in an Authorized Denomination, and in the same aggregate principal amount, as the Bond or Bonds in temporary form surrendered. Such exchange shall be made without the making of any charge therefor to any Owner.

Section 3.10. Replacement Bonds.

(a) Upon the presentation and surrender to the Paying Agent/Registrar of a mutilated Bond, the City shall issue and the Trustee shall authenticate and deliver in exchange therefor a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding. The City or the Paying Agent/Registrar may require the Owner of such Bond to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected therewith.

(b) In the event that any Bond is lost, apparently destroyed or wrongfully taken, the Trustee, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Bond has been acquired by a bona fide purchaser, shall authenticate and

deliver a replacement Bond of like tenor and principal amount bearing a number not contemporaneously outstanding, provided that the Owner first complies with the following requirements:

(i) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction or theft of such Bond;

(ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar and the Trustee to save them and the City harmless;

(iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Trustee and the Paying Agent/Registrar and any tax or other governmental charge that is authorized to be imposed; and

(iv) satisfies any other reasonable requirements imposed by the City and the Trustee.

(c) After the delivery of such replacement Bond, if a bona fide purchaser of the original Bond in lieu of which such replacement Bond was issued presents for payment such original Bond, the City and the Paying Agent/Registrar shall be entitled to recover such replacement Bond from the Person to whom it was delivered or any Person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost, or expense incurred by the City, the Paying Agent/Registrar or the Trustee in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed or wrongfully taken Bond has become or is about to become due and payable, the Paying Agent/Registrar, instead of issuing a replacement Bond, may pay such Bond if it has become due and payable or may pay such Bond when it becomes due and payable.

(e) Each replacement Bond delivered in accordance with this Section shall constitute an original additional contractual obligation of the City and shall be entitled to the benefits and security of this Indenture to the same extent as the Bond or Bonds in lieu of which such replacement Bond is delivered.

Section 3.11. Book-Entry Only System.

The Bonds shall initially be issued in book-entry-only form and shall be deposited with DTC, which is hereby appointed to act as the securities depository therefor, in accordance with the letter of representations from the City to DTC. On the Closing Date, the definitive Bonds shall be issued in the form of a single typewritten certificate for each maturity thereof registered in the name of Cede & Co., as nominee for DTC.

With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the City and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any Person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the City and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other Person, other than an Owner, as shown on the

Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other Person, other than an Owner, as shown in the Register of any amount with respect to principal of, premium, if any, or interest on the Bonds. Notwithstanding any other provision of this Indenture to the contrary, the City and the Paying Agent/Registrar shall be entitled to treat and consider the Person in whose name each Bond is registered in the Register as the absolute owner of such Bond for the purpose of payment of principal of, premium, if any, and interest on Bonds, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfer with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of, premium, if any, and interest on such Bond only to or upon the order of the respective Owners as shown in the Register, as provided in this Indenture, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to payment of principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No Person other than an Owner, as shown in the Register, shall receive a certificate evidencing the obligation of the City to make payments of amounts due pursuant to this Indenture. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Indenture with respect to interest checks or drafts being mailed to the registered owner at the close of business on the relevant Record Date, the words "Cede & Co." in this Indenture shall refer to such new nominee of DTC.

Section 3.12. Successor Securities Depository: Transfer Outside Book-Entry-Only System.

In the event that the City determines that DTC is incapable of discharging its responsibilities described herein and in the letter of representations from the City to DTC, the City shall (i) appoint a successor securities depository, qualified to act as such under Section 17A of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository; or (ii) notify DTC and DTC Participants of the availability through DTC of certificated Bonds and cause the Paying Agent/Registrar to transfer one or more separate registered Bonds to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Indenture.

Section 3.13. Payments to Cede & Co.

Notwithstanding any other provision of this Indenture to the contrary, so long as any Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Bonds, and all notices with respect to such Bonds shall be made and given, respectively, in the manner provided in the blanket letter of representations from the City to DTC.

(b) At least 45 days prior to each mandatory sinking fund redemption date, and subject to any prior reduction authorized by subparagraphs (c) and (d) of this Section 4.2, the Trustee shall select a principal amount of Bonds (in accordance with Section 4.5) of such maturity equal to the Sinking Fund Installment amount of such Bonds to be redeemed, shall call such Bonds for redemption on such scheduled mandatory sinking fund redemption date, and shall give notice of such redemption, as provided in Section 4.6.

(c) The principal amount of Bonds of a Stated Maturity required to be redeemed on any mandatory sinking fund redemption date pursuant to subparagraph (a) of this Section 4.2 shall be reduced, at the option of the City, by the principal amount of any Bonds of such maturity which, at least 45 days prior to the mandatory sinking fund redemption date shall have been acquired by the City at a price not exceeding the principal amount of such Bonds plus accrued and unpaid interest to the date of purchase thereof, and delivered to the Trustee for cancellation.

(d) The principal amount of Bonds required to be redeemed on any mandatory sinking fund redemption date pursuant to subparagraph (a) of this Section 4.2 shall be reduced on a pro rata basis among Sinking Fund Installments by the principal amount of any Bonds which, at least 45 days prior to the mandatory sinking fund redemption date, shall have been redeemed pursuant to the optional redemption or extraordinary optional redemption provisions hereof and not previously credited to a mandatory sinking fund redemption.

Section 4.3. Optional Redemption.

The City reserves the right and option to redeem the Bonds maturing on or after September 1, 20__, before their respective scheduled maturity dates, in whole or in part, on any date on or after September 1, 20__, such redemption date or dates to be fixed by the City, at the Redemption Price.

Section 4.4. Extraordinary Optional Redemption.

Notwithstanding any provision in this Indenture to the contrary, the City reserves the right and option to redeem Bonds before their respective scheduled maturity dates, in whole or in part, and in an amount and on any date specified in a City Certificate, at the Redemption Price of such Bonds, or portions thereof, to be redeemed plus accrued interest to the date of redemption from amounts on deposit in the Redemption Fund as a result of Prepayments (including related transfers to the Redemption Fund made pursuant to the terms of this Indenture) or any other transfers to the Redemption Fund under the terms of this Indenture, or as a result of unexpended

amounts transferred from the Project Fund pursuant to the terms of this Indenture. The City will provide the Trustee a City Certificate directing the Bonds to be redeemed pursuant to this Section 4.4 in accordance with the provisions of Section 4.5 hereof.

Section 4.5. Partial Redemption.

(a) If less than all of the Bonds are to be redeemed pursuant to Sections 4.2, 4.3, or 4.4, Bonds shall be redeemed in minimum principal amounts of \$1,000 or any integral multiple thereof. Each Bond shall be treated as representing the number of bonds that is obtained by dividing the principal amount of such Bond by \$1,000. No redemption shall result in a Bond in a denomination of less than the Authorized Denomination in effect at that time; provided, however, if the amount of the Outstanding Bond is less than an Authorized Denomination after giving effect to such partial redemption, a Bond in the principal amount equal to the unredeemed portion, but not less than \$1,000, may be issued.

(b) In selecting the Bonds to be redeemed pursuant to Section 4.2, the Trustee may select Bonds randomly by lot.

(c) In selecting the Bonds to be redeemed pursuant to Section 4.3, the Trustee may rely on the directions provided in a City Certificate.

(d) If less than all of the Bonds are called for extraordinary optional redemption pursuant to Section 4.4 hereof, the Bonds or portion of a Bond, as applicable, to be redeemed shall be selected in the following manner:

(i) with respect to a Substantial Amount Redemption, the principal amount called for redemption shall be allocated on a pro rata basis among all Outstanding Bonds; and

(ii) with respect to a Minor Amount Redemption, the Outstanding Bonds shall be redeemed in inverse order of maturity.

(e) Upon surrender of any Bond for redemption in part, the Trustee, in accordance with Section 3.7 of this Indenture, shall authenticate and deliver an exchange Bond or Bonds in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered, such exchange being without charge.

Section 4.6. Notice of Redemption to Owners.

(a) Upon written notification by the City to the Trustee of the exercise of any redemption at least 45 days prior to the date fixed for redemption, the Trustee shall give notice of any redemption of Bonds by sending notice by United States mail, first-class, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond or portion thereof to be redeemed, at the address shown in the Register. So long as the Bonds are in book-entry-only form and held by DTC as security depository, references to Owner in this Indenture means Cede & Co., as nominee for DTC.

(b) The notice shall state the redemption date, the Redemption Price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Outstanding Bonds are to be redeemed, and subject to Section 4.5 hereof, an identification of the Bonds or portions

thereof to be redeemed, any conditions to such redemption and that on the redemption date, if all conditions, if any, to such redemption have been satisfied, such Bond shall become due and payable.

(c) Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

(d) The City has the right to rescind any optional redemption or extraordinary optional redemption described in Section 4.3 or 4.4 by written notice to the Trustee on or prior to the date fixed for redemption. Any notice of redemption shall be cancelled and annulled if for any reason funds are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption, and such cancellation shall not constitute an Event of Default under this Indenture. Upon receipt of the City's written notice, the Trustee shall mail notice of rescission of redemption in the same manner notice of redemption was originally provided.

(e) With respect to any optional redemption of the Bonds, unless the Trustee has received funds sufficient to pay the Redemption Price of the Bonds to be redeemed before giving of a notice of redemption, the notice may state the City may condition redemption on the receipt of such funds by the Trustee on or before the date fixed for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption are not satisfied and sufficient funds are not received, the notice shall be of no force and effect, the City shall not redeem the Bonds and the Trustee shall give notice, in the manner in which the notice of redemption was given, that the Bonds have not been redeemed.

Section 4.7. Payment Upon Redemption.

(a) The Trustee shall make provision for the payment of the Bonds to be redeemed on such date of redemption by setting aside and holding in trust an amount from the Redemption Fund or otherwise received by the Trustee from the City and shall use such funds solely for the purpose of paying the Redemption Price on the Bonds being redeemed.

(b) Upon presentation and surrender of any Bond called for redemption at the Designated Payment/Transfer Office of the Trustee on or after the date fixed for redemption, the Trustee shall pay the Redemption Price on such Bond to the date of redemption from the moneys set aside for such purpose.

Section 4.8. Effect of Redemption.

Notice of redemption having been given as provided in Section 4.6 of this Indenture, the Bonds or portions thereof called for redemption shall become due and payable on the date fixed for redemption provided that funds for the payment of the Redemption Price of such Bonds to the date fixed for redemption are on deposit with the Trustee; thereafter, such Bonds or portions thereof shall cease to bear interest from and after the date fixed for redemption, whether or not such Bonds are presented and surrendered for payment on such date.

ARTICLE V

FORM OF THE BONDS

Section 5.1. Form Generally.

(a) The Bonds, including the Registration Certificate of the Comptroller of Public Accounts of the State of Texas, the Certificate of the Trustee, and the Assignment to appear on each of the Bonds, (i) shall be substantially in the form set forth in Exhibit A to this Indenture with such appropriate insertions, omissions, substitutions, and other variations as are permitted or required by this Indenture, and (ii) may have such letters, numbers, or other marks of identification (including identifying numbers and letters of the Committee on Uniform Securities Identification Procedures of the American Bankers Association) and such legends and endorsements (including any reproduction of an opinion of counsel) thereon as, consistently herewith, may be determined by the City or by the officers executing such Bonds, as evidenced by their execution thereof.

(b) Any portion of the text of any Bonds may be set forth on the reverse side thereof, with an appropriate reference thereto on the face of the Bonds.

(d) The Initial Bond submitted to the Attorney General of the State of Texas may be typewritten and photocopied or otherwise reproduced.

Section 5.2. CUSIP Registration.

The City may secure identification numbers through the CUSIP Services, managed by FactSet Research Systems on behalf of The American Bankers Association, New York, New York, and may authorize the printing of such numbers on the face of the Bonds. It is expressly provided, however, that the presence or absence of CUSIP numbers on the Bonds shall be of no significance or effect as regards the legality thereof; and none of the City, the Trustee, nor the attorneys approving said Bonds as to legality are to be held responsible for CUSIP numbers incorrectly printed on the Bonds. The Trustee may include in any redemption notice a statement to the effect that the CUSIP numbers on the Bonds have been assigned by an independent service and are included in such notice solely for the convenience of the Owners of the Bonds and that neither the City nor the Trustee shall be liable for any inaccuracies of such numbers.

Section 5.3. Legal Opinion.

The approving legal opinion of Bond Counsel may be printed on or attached to each Bond over the certification of the City Secretary of the City, which may be executed in facsimile.

The Pledged Funds shall constitute trust funds which shall be held in trust by the Trustee as part of the Trust Estate solely for the benefit of the Owners of the Bonds.

(d) Except as set forth in Section 6.10(f), interest earnings and profit on each respective Fund and Account established by this Indenture shall be applied or withdrawn for the purposes of such Fund or Account as specified below.

Section 6.3. Pledged Revenue Fund.

(a) On or before February 15 of each year while the Bonds are Outstanding and beginning February 15, 2026, the City hereby directs the Trustee to deposit or cause to be deposited the Pledged Revenues into the Pledged Revenue Fund. From amounts deposited into the Pledged Revenue Fund, the City shall deposit or cause to be deposited Pledged Revenues as follows: (i) first, to the Bond Pledged Revenue Account of the Pledged Revenue Fund in an amount sufficient to pay debt service on the Bonds next coming due in such calendar year, (ii) second, to the Reserve Account of the Reserve Fund in an amount to cause the amount in the Reserve Account to equal the Reserve Account Requirement, in accordance with Section 6.7(a) hereof, (iii) third, to the Additional Interest Reserve Account of the Reserve Fund in an amount equal to the Additional Interest collected, if any, in accordance with Section 6.7(b) hereof, (iv) fourth, to pay Actual Costs of the Improvement Area #3 Improvements as identified in a City Certificate delivered to the Trustee, and (v) fifth, to pay other costs permitted by the PID Act as identified in a City Certificate delivered to the Trustee.

(b) From time to time as needed to pay the obligations relating to the Bonds, but no later than five Business Days before each Interest Payment Date, the Trustee shall withdraw from the Bond Pledged Revenue Account and transfer to the Principal and Interest Account of the Bond Fund, an amount, taking into account any amounts then on deposit in such Principal and Interest Account, such that the amount on deposit in the Principal and Interest Account equals the principal (including any Sinking Fund Installments) and interest due on the Bonds on the next Interest Payment Date.

(c) If, after the foregoing transfers and any transfer from the Reserve Fund as provided in Section 6.7 herein, there are insufficient funds to make the payments provided in paragraph (b) above, the Trustee shall apply the available funds in the Principal and Interest Account first, to the payment of interest, and, second, to the payment of principal (including any Sinking Fund Installments) on the Bonds, as described in Section 11.4(a) hereof.

(d) Notwithstanding Section 6.3(a) hereof, the Trustee shall deposit Prepayments to the Pledged Revenue Fund and as soon as practicable after such deposit shall transfer such Prepayments to the Redemption Fund.

(e) Notwithstanding Section 6.3(a) hereof, the Trustee shall deposit Foreclosure Proceeds (as such are identified in a City Certificate) to the Pledged Revenue Fund and as soon as practicable after such deposit shall transfer Foreclosure Proceeds, as directed pursuant to a City Certificate, first, to the Reserve Account to restore any transfers from the Reserve Account made with respect to the Assessed Parcel(s) to which the Foreclosure Proceeds relate, second, to the Additional Interest Reserve Account to restore any transfers from the Additional Interest Reserve Account made with respect to the Assessed Parcel(s) to which the Foreclosure Proceeds relate, and third, to the Redemption Fund.

(f) After satisfaction of the requirement to provide for the payment of the principal and interest on the Bonds and to fund any deficiency that may exist in an account of the Reserve Fund, and the other deposits described in subsection (a) above, the City may direct the Trustee, by City Certificate, to apply Assessments for any lawful purposes permitted by the PID Act for which Assessments may be paid. The Trustee may rely on such City Certificate and shall have no obligation to determine the lawful purposes permitted under the PID Act.

(g) Any additional Pledged Revenues remaining after the satisfaction of the foregoing shall be applied by the Trustee, as instructed by the City pursuant to a City Certificate, for any lawful purpose permitted by the PID Act for which such additional Pledged Revenues may be used, including transfers to other Funds and Accounts created pursuant to this Indenture. The Trustee may rely on such City Certificate and shall have no obligation to determine the lawful purposes permitted under the PID Act.

Section 6.4. Bond Fund.

(a) On each Interest Payment Date, the Trustee shall withdraw from the Principal and Interest Account and transfer to the Paying Agent/Registrar the principal (including any Sinking Fund Installments) and/or interest then due and payable on the Bonds.

(b) If amounts in the Principal and Interest Account are insufficient for the purposes set forth in paragraph (a) above, the Trustee shall withdraw from the Reserve Fund amounts to cover the amount of such insufficiency in the order described in Section 6.7(f) hereof. Amounts so withdrawn from the Reserve Fund shall be deposited in the Principal and Interest Account and transferred to the Paying Agent/Registrar.

Section 6.5. Project Fund.

(a) Money on deposit in the Project Fund shall be used for the purposes specified in Section 3.1 hereof.

(b) Disbursements from the Costs of Issuance Account of the Project Fund shall be made by the Trustee to pay costs of issuance of the Bonds pursuant to one or more City Certificates or an executed, completed, and accepted Closing Disbursement Request.

(c) Disbursements from the Improvement Area #3 Improvements Account of the Project Fund to pay Actual Costs of the Improvement Area #3 Improvements shall be made by the Trustee upon receipt by the Trustee of either a properly executed and completed Certification for Payment or written direction from the City or its designee approving the disbursement to the Developer or the Developer's designee. The disbursement of funds from the Improvement Area #3 Improvements Account of the Project Fund pursuant to a Certification for Payment shall be pursuant to and in accordance with the disbursement procedures described in the Improvement Area #3 Improvements Construction, Funding, and Acquisition Agreement. Such provisions and procedures related to such disbursements contained in the Improvement Area #3 Improvements Construction, Funding, and Acquisition Agreement, are herein incorporated by reference and deemed set forth herein in full, provided that the Trustee shall be permitted to rely fully on any Certification for Payment, City Certificate, or other written direction pursuant to this Section of the Indenture without independent investigation.

(d) If the City Representative determines in his or her reasonable discretion that amounts then on deposit in the Improvement Area #3 Improvements Account of the Project Fund are not expected to be expended for purposes of the Improvement Area #3 Improvements Account of the Project Fund due to the abandonment, or constructive abandonment, of the Improvement Area #3 Improvements such that, in the opinion of the City Representative, it is unlikely that the amounts in the Improvement Area #3 Improvements Account of the Project Fund will ever be expended for the purposes of such Account, the City Representative shall file a City Certificate with the Trustee which identifies the amounts then on deposit in the Improvement Area #3 Improvements Account of the Project Fund that are not expected to be used for purposes of such Account. If such City Certificate is so filed, the amounts identified in the City Certificate on deposit in the Improvement Area #3 Improvements Account of the Project Fund shall be transferred to the Redemption Fund to redeem Bonds on the earliest practicable date after notice of redemption has been provided in accordance with this Indenture.

(e) In making any determination pursuant to this Section, the City Representative may conclusively rely upon a certificate of an Independent Financial Consultant.

(f) Upon the filing of a City Certificate stating that all Improvement Area #3 Improvements have been completed and that all Actual Costs of the Improvement Area #3 Improvements have been paid, or that any such Actual Costs of the Improvement Area #3 Improvements are not required to be paid from the Improvement Area #3 Improvements Account of the Project Fund pursuant to a Certification for Payment or written direction from the City or its designee, the Trustee shall (i) transfer the amount, if any, remaining within the Improvement Area #3 Improvements Account of the Project Fund to the Principal and Interest Account of the Bond Fund or to the Redemption Fund to be used to redeem Bonds pursuant to Section 4.4 as directed by the City Representative in a City Certificate filed with the Trustee, and (ii) shall close the Improvement Area #3 Improvements Account of the Project Fund. If the Improvement Area #3 Improvements Account of the Project Fund has been closed as provided above and the Costs

of Issuance Account of the Project Fund has been closed pursuant to the provisions of Section 6.5(g) below, the Project Fund shall be closed.

(g) Not later than six months following the Closing Date, or upon an earlier determination by the City Representative that all costs of issuance of the Bonds have been paid, any amounts remaining in the Costs of Issuance Account shall be transferred to the Improvement Area #3 Improvements Account of the Project Fund and used to pay Actual Costs or to the Principal and Interest Account of the Bond Fund and used to pay interest on the Bonds, as directed by the City in a City Certificate filed with the Trustee, and the Costs of Issuance Account shall be closed.

Section 6.6. Redemption Fund.

(a) The Trustee, pursuant to a City Certificate, shall cause to be deposited to the Redemption Fund from the Bond Pledged Revenue Account of the Pledged Revenue Fund an amount sufficient to redeem Bonds as provided in Sections 4.3 and 4.4 on the dates specified for redemption as provided in Sections 4.3 and 4.4. Amounts on deposit in the Redemption Fund shall be used and withdrawn by the Trustee to redeem Bonds as provided in Article IV.

Section 6.7. Reserve Fund.

(a) The City agrees with the Owners of the Bonds to accumulate from the deposits described in Section 6.2 and Section 6.3(a) hereof, and when accumulated, maintain in the Reserve Account of the Reserve Fund, an amount equal to not less than the Reserve Account Requirement, except to the extent such deficiency is due to the application of Section 6.7(d) hereof. All amounts deposited in the Reserve Account of the Reserve Fund shall be used and withdrawn by the Trustee for the purpose of making transfers to the Principal and Interest Account of the Bond Fund, as provided in this Indenture.

(b) The Trustee, if needed, will transfer from the Bond Pledged Revenue Account of the Pledged Revenue Fund to the Additional Interest Reserve Account on March 1 and September 1 of each year, commencing March 1, 2026, an amount equal to the Additional Interest collected, if any, and as shown on the Improvement Area #3 Assessment Roll attached to the Service and Assessment Plan or an Annual Service Plan Update, until the Additional Interest Reserve Requirement has been accumulated in the Additional Interest Reserve Account. If the amount on deposit in the Additional Interest Reserve Account shall at any later time be less than the Additional Interest Reserve Requirement, the Trustee shall notify the City, in writing, of the amount of such shortfall, and the City shall resume collecting the Additional Interest and shall file a City Certificate with the Trustee instructing the Trustee to resume depositing the Additional Interest from the Bond Pledged Revenue Account of the Pledged Revenue Fund into the Additional Interest Reserve Account until the Additional Interest Reserve Requirement has been accumulated in the Additional Interest Reserve Account; provided, however, that the City shall not be required to replenish the Additional Interest Reserve Account in the event funds are transferred from the Additional Interest Reserve Account to the Redemption Fund as a result of an extraordinary optional redemption of Bonds from the proceeds of a Prepayment pursuant to Section 4.4 of this Indenture. In the event the amount on deposit in the Additional Interest Reserve Account is less than the Additional Interest Reserve Requirement, then the deposits described in the immediately preceding sentence shall continue until the Additional Interest Reserve Account has been fully replenished to the Additional Interest Reserve Requirement. If, after such deposits, there is surplus Additional Interest remaining, the Trustee shall transfer such

surplus Additional Interest to the Redemption Fund, and shall notify the City of such transfer in writing. In transferring the amounts to be transferred pursuant to this Section, the Trustee may conclusively rely on the Annual Installments as shown on the Improvement Area #3 Assessment Roll in the Service and Assessment Plan or an Annual Service Plan Update, unless and until it receives a City Certificate directing that a different amount be used.

(c) Whenever a transfer is made from an Account of the Reserve Fund to the Bond Fund due to a deficiency in the Bond Fund, the Trustee shall provide written notice thereof to the City, specifying the amount withdrawn and the source of said funds.

(d) Whenever Bonds are to be redeemed with the proceeds of Prepayments pursuant to Section 4.4, the Trustee shall transfer, on the Business Day prior to the redemption date (or on such other date as agreed to by the City and the Trustee), from the Reserve Account of the Reserve Fund to the Redemption Fund, an amount specified in a City Certificate to be applied to the redemption of the Bonds. The amount so transferred from the Reserve Account of the Reserve Fund shall be equal to the principal amount of Bonds to be redeemed with Prepayments multiplied by the lesser of: (i) the amount required to be in the Reserve Account of the Reserve Fund divided by the principal amount of Outstanding Bonds prior to the redemption, and (ii) the amount actually in the Reserve Account of the Reserve Fund divided by the principal amount of Outstanding Bonds prior to the redemption. If after such transfer, and after applying investment earnings on the Prepayments toward payment of accrued interest, there are insufficient funds in the Redemption Fund to pay the principal amount plus accrued and unpaid interest to the date fixed for redemption of the Bonds to be redeemed, as identified in a City Certificate as a result of such Prepayments and as a result of the transfer from the Reserve Account under this Section 6.7(d), the Trustee shall transfer an amount equal to the shortfall, and/or any additional amounts necessary to permit the Bonds to be redeemed in minimum principal amounts of \$1,000, from the Additional Interest Reserve Account to the Redemption Fund to be applied to the redemption of the Bonds.

(e) Whenever, on any Interest Payment Date, or on any other date at the written request of a City Representative, the amount in the Reserve Account exceeds the Reserve Account Requirement, the Trustee shall provide written notice to the City Representative of the amount of the excess via access to its online portfolio system. Such excess shall be transferred to the Principal and Interest Account to be used for the payment of debt service on the Bonds on the next Interest Payment Date in accordance with Section 6.4 hereof, unless within 30 days of such notice to the City Representative, the Trustee receives a City Certificate instructing the Trustee to apply such excess: (i) to pay amounts due under Section 6.8 hereof, (ii) to a specified Account of the Project Fund if such application and the expenditure of funds is expected to occur within three years of the Closing Date, or (iii) for such other use specified in such City Certificate if the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that such alternate use will not adversely affect the exemption from federal income tax of the interest on any Bond.

(f) Whenever, on any Interest Payment Date, the amount on deposit in the Bond Fund is insufficient to pay the debt service on the Bonds due on such date, the Trustee shall transfer first, from the Additional Interest Reserve Account of the Reserve Fund to the Bond Fund and, second, from the Reserve Account of the Reserve Fund to the Bond Fund the amounts necessary to cure such deficiency.

(g) At the final maturity of the Bonds, the amount on deposit in the Reserve Account and the Additional Interest Reserve Account shall be transferred to the Principal and Interest Account of the Bond Fund and applied to the payment of the principal of the Bonds.

(h) If, after a Reserve Account withdrawal pursuant to Section 6.7(f), the amount on deposit in the Reserve Account of the Reserve Fund is less than the Reserve Account Requirement, the Trustee shall transfer from the Pledged Revenue Fund to the Reserve Account of the Reserve Fund the amount of such deficiency, in accordance with Section 6.3.

(i) If the amount held in the Reserve Fund together with the amount held in the Bond Fund and Redemption Fund is sufficient to pay the principal amount of all Outstanding Bonds on the next Interest Payment Date, together with the unpaid interest accrued on such Outstanding Bonds as of such Interest Payment Date, the moneys shall be transferred to the Redemption Fund and thereafter used to redeem all Outstanding Bonds as of such Interest Payment Date.

Section 6.8. Rebate Fund; Rebate Amount.

(a) There is hereby established a special fund of the City to be designated "City of Justin, Texas, Rebate Fund" (the "Rebate Fund") to be held by the Trustee in accordance with the terms and provisions of this Indenture. Amounts on deposit in the Rebate Fund shall be used solely for the purpose of paying amounts relating to the Bonds due the United States Government in accordance with the Code.

(b) In order to assure that the Rebate Amount is paid to the United States rather than to a third party, investments of funds on deposit in the Rebate Fund, as directed by the City in a written instruction to the Trustee, shall be made in accordance with the Code and the Tax Certificate.

(c) The Trustee conclusively shall be deemed to have complied with the provisions of this Section and Section 7.5(h) and shall not be liable or responsible if it follows the instructions of the City and shall not be required to take any action under this Section and Section 7.5(h) in the absence of written instructions from the City.

(d) If, on the date of each annual calculation, the amount on deposit in the Rebate Fund exceeds the Rebate Amount, the City may direct the Trustee, pursuant to a City Certificate, to transfer the amount in excess of the Rebate Amount to the Bond Fund.

Section 6.9. Administrative Fund.

(a) The City shall deposit or cause to be deposited to the District Administration Account of the Administrative Fund the amounts collected each year to pay Administrative Expenses and Delinquent Collection Costs.

(b) Moneys in the District Administration Account of the Administrative Fund shall be held by the Trustee separate and apart from the other Funds and Accounts created and administered hereunder and used as directed by a City Certificate solely for the purposes set forth in the Service and Assessment Plan.

Section 6.10. Investment of Funds.

(a) Money in any Fund or Account established pursuant to this Indenture shall be invested by the Trustee, as directed by the City pursuant to a City Certificate, filed with the

Trustee at least two days in advance of the making of such investment. The money in any Fund or Account shall be invested in time deposits or certificates of deposit secured in the manner required by law for public funds, or be invested in direct obligations of, including obligations the principal of and interest on which are unconditionally guaranteed by, the United States of America, in obligations of any agencies or instrumentalities thereof, or in such other investments as are permitted under the Public Funds Investment Act, Texas Government Code, Chapter 2256, as amended, or any successor law, as in effect from time to time; provided that all such deposits and investments shall be made in such manner (which may include repurchase agreements for such investment with any primary dealer of such agreements) that the money required to be expended from any Fund will be available at the proper time or times. Notwithstanding the preceding sentence, amounts in the Additional Interest Reserve Account may not be invested above the Yield (as defined in Section 7.5(a) hereof) on the Bonds, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that such investment and/or the failure to comply with such yield restriction will not adversely affect the exemption from federal income tax of the interest on any Bond. Investments shall be valued each year in terms of current market value as of September 30. For purposes of maximizing investment returns, to the extent permitted by law, money in such Funds or Accounts may be invested pursuant to a City Certificate in common investments of the kind described above, or in a common pool of such investment which shall be kept and held at an official depository bank, which shall not be deemed to be or constitute a commingling of such money or funds provided that safekeeping receipts or certificates of participation clearly evidencing the investment or investment pool in which such money is invested and the share thereof purchased with such money or owned by such Fund or Account are held by or on behalf of each such Fund or Account. If necessary, such investments shall be promptly sold to prevent any default. If the City does not give the Trustee written or timely instructions with respect to investments of funds, the Trustee is hereby directed to hold such funds uninvested and shall have no obligation to invest or reinvest such funds.

(b) Obligations purchased as an investment of moneys in any Fund or Account shall be deemed to be part of such Fund or Account, subject, however, to the requirements of this Indenture for transfer of interest earnings and profits resulting from investment of amounts in Funds and Accounts. Whenever in this Indenture any moneys are required to be transferred by the City to the Trustee, such transfer may be accomplished by transferring a like amount of Investment Securities as directed pursuant to a City Certificate.

(c) The Trustee and its affiliates may act as sponsor, advisor, depository, principal or agent in the acquisition or disposition of any investment. The Trustee shall have no investment discretion and the Trustee's only responsibility for investments shall be to follow the written instructions contained in any City Certificate. The Trustee shall not incur any liability for losses arising from any investments made or sold pursuant to this Section. The Trustee shall not be required to determine the suitability or legality of any investments or whether investments otherwise comply with this Indenture. The parties acknowledge that the Trustee is not providing investment supervision, recommendations, or advice.

(d) Investments in any and all Funds and Accounts may be commingled in a separate fund or funds for purposes of making, holding and disposing of investments, notwithstanding provisions herein for transfer to or holding in or to the credit of particular Funds or Accounts of amounts received or held by the Trustee hereunder, provided that the Trustee shall at all times account for such investments strictly in accordance with the Funds and Accounts to which they are credited and otherwise as provided in this Indenture.

(e) The Trustee will furnish the City and the Administrator, upon the written request of the City or the Administrator, monthly cash transaction statements via access to its online portfolio system which include detail for all investment transactions made by the Trustee hereunder; and, unless the Trustee receives a written request, the Trustee is not required to provide brokerage confirmations so long as the Trustee is providing such monthly cash transaction statements.

(f) If, following an annual calculation of the Rebate Amount in accordance with Sections 6.8 and 7.5(h) hereof, it is determined that a Rebate Amount is owed with respect to the Bonds, the City shall direct the Trustee, pursuant to a City Certificate, to transfer to the Rebate Fund an amount equal to the Rebate Amount owed by the City from investment earnings derived from the investment of the amount on deposit in Pledged Funds. The City Certificate shall specify the amount to be transferred and identify the Pledged Fund or Pledged Funds from which the investment earnings shall be transferred.

(g) The Trustee may conclusively rely on City Certificates pursuant to Section 6.10(a) that such investment will comply with the City's investment policy and with the Public Funds Investment Act, Chapter 2256, Texas Government Code, as amended.

Section 6.11. Security of Funds.

All Funds or Accounts heretofore created, to the extent not invested as herein permitted, shall be secured in the manner and to the fullest extent required by law for the security of public funds, and such Funds or Accounts shall be used only for the purposes and in the manner permitted or required by this Indenture.

ARTICLE VII

COVENANTS

Section 7.1. Confirmation of Assessments.

The City hereby confirms, covenants, and agrees that the Assessments to be collected from the Assessed Property are as so reflected in the Service and Assessment Plan (as it may be updated from time to time) and, in accordance with the Assessment Ordinance, it has levied the Assessments against the respective Assessed Parcels from which the Pledged Revenues will be collected and received.

Section 7.2. Collection and Enforcement of Assessments.

(a) For so long as any Bonds are Outstanding and/or amounts are due to the Developer to pay it for funds it has contributed to pay Actual Costs of the Improvement Area #3 Improvements in accordance with the Improvement Area #3 Improvements Construction, Funding, and Acquisition Agreement, the City covenants, agrees and warrants that it will take and pursue all actions permissible under Applicable Laws to cause the Assessments to be collected and the liens thereof enforced continuously, in the manner and to the maximum extent permitted by Applicable Laws, and, to the extent permitted by Applicable Laws to cause no reduction, abatement or exemption in the Assessments.

(b) The City will determine or cause to be determined, no later than February 15 of each year, whether or not any Annual Installment is delinquent and, if such delinquencies exist, the City will order and cause to be commenced as soon as practicable any and all appropriate and legally permissible actions to obtain such Annual Installment, and any delinquent charges and interest thereon, including diligently prosecuting an action in district court to foreclose the currently delinquent Annual Installment. Notwithstanding the foregoing, the City shall not be required under any circumstances to purchase or make payment for the purchase of the delinquent Assessment or the corresponding Assessed Parcel. Furthermore, nothing shall obligate the City, the City Attorney, or any appropriate designee to undertake collection or foreclosure actions against delinquent accounts in violation of applicable state law, court order, or existing contractual provisions between the City and its appropriate collections enforcement designees.

Section 7.3. Against Encumbrances.

(a) Other than Refunding Bonds, the City shall not create and, to the extent Pledged Revenues are received, shall not suffer to remain, any lien, encumbrance or charge upon the Trust Estate, other than that specified in Section 9.6 of this Indenture, or upon any other property pledged under this Indenture, except the pledge created for the security of the Bonds, and other than a lien or pledge subordinate to the lien and pledge of such property related to the Bonds.

(b) So long as Bonds are Outstanding hereunder, and except as set forth in Section 13.2 hereof, the City shall not issue any bonds, notes or other evidences of indebtedness other than the Bonds and Refunding Bonds, if any, secured by any pledge of or other lien or charge on the Trust Estate except for other indebtedness incurred in compliance with Section 13.2 hereof.

Section 7.4. Records, Accounts, Accounting Reports.

The City hereby covenants and agrees that so long as any of the Bonds or any interest thereon remain Outstanding and unpaid, and/or the obligation to the Developer to pay it for funds it has contributed to pay Actual Costs of the Improvement Area #3 Improvements in accordance with the Improvement Area #3 Improvements Construction, Funding, and Acquisition Agreement remain outstanding and unpaid, it will keep and maintain a proper and complete system of records and accounts pertaining to the Assessments. The Trustee and the Owners of any Bonds or any duly authorized agent or agents of such Owners shall have the right at all reasonable times to inspect all such records, accounts, and data relating thereto, upon written request to the City by the Trustee or duly authorized representative, as applicable; provided, however, the Trustee shall have no duty to so inspect. The City shall provide the Trustee or duly authorized representative, as applicable, an opportunity to inspect such books and records relating to the Bonds during the City's regular business hours and on a mutually agreeable date not later than 30 days after the City receives such request.

Section 7.5. Covenants to Maintain Tax-Exempt Status.

(a) Definitions. When used in this Section, the following terms shall have the following meanings:

“Closing Date” means the date on which the Bonds are first authenticated and delivered to the initial purchasers against payment therefor.

“Code” means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

“Computation Date” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Gross Proceeds” means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Bonds.

“Investment” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Nonpurpose Investment” means any investment property, as defined in Section 148(b) of the Code, in which Gross Proceeds of the Bonds are invested and which is not acquired to carry out the governmental purposes of the Bonds.

“Regulations” means any proposed, temporary or final Income Tax Regulations issued pursuant to Sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Bonds. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

“Yield” of (1) any Investment has the meaning set forth in Section 1.148-5 of the Regulations; and (2) the Bonds has the meaning set forth in Section 1.148-4 of the Regulations.

(b) Not to Cause Interest to Become Taxable. The City shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Bond to become includable in the gross income, as defined in Section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Bond, the City shall comply with each of the specific covenants in this Section.

(c) No Private Use or Private Payments. Except as permitted by Section 141 of the Code and the Regulations and rulings thereunder, the City shall at all times prior to the last Stated Maturity of Bonds:

(i) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Bonds, and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(ii) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Bonds or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds, other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(d) No Private Loan.

(i) Except to the extent permitted by Section 141 of the Code and the Regulations and rulings thereunder, the City shall not use Gross Proceeds of the Bonds to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be "loaned" to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(ii) The City covenants and agrees that the levied Assessments will meet the requirements of the "tax assessment loan exception" within the meaning of Section 1.141-5(d) of the Regulations on the date the Bonds are delivered and will ensure that the Assessments continue to meet such requirements for so long as the Bonds are outstanding hereunder.

(e) Not to Invest at Higher Yield. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, the City shall not at any time prior to the final Stated Maturity of the Bonds directly or indirectly invest Gross Proceeds in any Investment (or use Gross Proceeds to replace money so invested) if, as a result of such investment, the Yield from the Closing Date of all Investments acquired with Gross Proceeds (or with money replaced thereby), whether then held or previously disposed of, exceeds the Yield of the Bonds.

(f) Not Federally Guaranteed. Except to the extent permitted by Section 149(b) of the Code and the Regulations and rulings thereunder, the City shall not take or omit to take any action which would cause the Bonds to be federally guaranteed within the meaning of Section 149(b) of the Code and the Regulations and rulings thereunder.

(g) Information Report. The City shall timely file the information required by Section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

(h) Rebate of Arbitrage Profits. Except to the extent otherwise provided in Section 148(f) of the Code and the Regulations and rulings thereunder:

(i) The City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last outstanding Bond is discharged. However, to the extent permitted by law, the City may commingle Gross Proceeds of the Bonds with other money of the City, provided that the City separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(ii) Not less frequently than each Computation Date, the City shall calculate the Rebate Amount in accordance with rules set forth in Section 148(f) of the Code and the Regulations and rulings thereunder. The City shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Bonds until six years after the final Computation Date.

(iii) As additional consideration for the purchase of the Bonds by the Purchasers and the loan of the money represented thereby and in order to induce such purchase by measures designed to ensure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the City shall, pursuant to a City Certificate, direct the Trustee to transfer to the Rebate Fund from the funds or subaccounts designated in such City Certificate and direct the Trustee to pay to the United States from the Rebate Fund the amount that when added to the future value of previous rebate payments made for the Bonds equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, 100% of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, 90% of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

(iv) The City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (ii) and (iii), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within 180 days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(i) Not to Divert Arbitrage Profits. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, the City shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have

resulted if the transaction had been at arm's length and had the Yield of the Bonds not been relevant to either party.

(j) Elections. The City hereby directs and authorizes the Mayor, Mayor Pro Tem, City Manager, Finance Director or City Secretary, individually or jointly, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Bonds, in the Tax Certificate or similar or other appropriate certificate, form or document.

ARTICLE VIII

LIABILITY OF CITY

The City shall not incur any responsibility in respect of the Bonds or this Indenture other than in connection with the duties or obligations explicitly herein or in the Bonds assigned to or imposed upon it. The City shall not be liable in connection with the performance of its duties hereunder, except for its own willful default or act of bad faith. The City shall not be bound to ascertain or inquire as to the performance or observance of any of the terms, conditions covenants or agreements of the Trustee herein or of any of the documents executed by the Trustee in connection with the Bonds, or as to the existence of a default or Event of Default thereunder.

In the absence of bad faith, the City may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the City and conforming to the requirements of this Indenture. The City shall not be liable for any error of judgment made in good faith unless it shall be proved that it was negligent in ascertaining the pertinent facts.

No provision of this Indenture, the Bonds, the Assessment Ordinance, or any agreement, document, instrument, or certificate executed, delivered or approved in connection with the issuance, sale, delivery, or administration of the Bonds (the "Bond Documents"), shall require the City to expend or risk its own general funds or otherwise incur any financial liability (other than with respect to the Trust Estate and the Administrative Expenses) in the performance of any of its obligations hereunder, or in the exercise of any of its rights or powers, if in the judgment of the City there are reasonable grounds for believing that the repayment of such funds or liability is not reasonably assured to it.

Neither the Owners nor any other Person shall have any claim against the City or any of its officers, officials, agents, or employees for damages suffered as a result of the City's failure to perform in any respect any covenant, undertaking, or obligation under any Bond Documents or as a result of the incorrectness of any representation in, or omission from, any of the Bond Documents, except to the extent that any such claim relates to an obligation, undertaking, representation, or covenant of the City, in accordance with the Bond Documents and the PID Act. Any such claim shall be payable only from the Trust Estate, the funds available for such payment in any of the Pledged Funds, if any, or the amounts collected to pay Administrative Expenses on deposit in the Administrative Fund. Nothing contained in any of the Bond Documents shall be construed to preclude any action or proceeding in any court or before any governmental body, agency, or instrumentality against the City or any of its officers, officials, agents, or employees to enforce the provisions of any of the Bond Documents or to enforce all rights of the Owners of the Bonds by mandamus or other proceeding at law or in equity.

The City may rely on and shall be protected in acting or refraining from acting upon any notice, resolution, request, consent, order, certificate, report, warrant, bond, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or proper parties. The City may consult with counsel with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

Whenever in the administration of its duties under this Indenture, the City shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of willful misconduct on the part of the City, be deemed to be conclusively proved and established by a certificate of the Trustee, an Independent Financial Consultant, an independent inspector, the City Manager or other person designated by the City Council to so act on behalf of the City, and such certificate shall be full warrant to the City for any action taken or suffered under the provisions of this Indenture upon the faith thereof, but in its discretion the City may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

In order to perform its duties and obligations hereunder, the City may employ such persons or entities as it deems necessary or advisable. The City shall not be liable for any of the acts or omissions of such persons or entities employed by it in good faith hereunder, and shall be entitled to rely, and shall be fully protected in doing so, upon the opinions, calculations, determinations, and directions of such persons or entities.

ARTICLE IX

THE TRUSTEE

Section 9.1. Trustee as Paying Agent/Registrar.

The Trustee is hereby designated and agrees to act as Paying Agent/Registrar for and in respect to the Bonds.

Section 9.2. Trustee Entitled to Indemnity.

The Trustee shall be under no obligation to spend its own funds, to institute any suit, or to undertake any proceeding under this Indenture, or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to take any steps in the execution of the trusts hereby created or in the enforcement or exercise of any rights and powers hereunder, until it shall be indemnified by the Owners, to the extent permitted by law and the provisions of this Indenture, to its satisfaction against any and all costs and expenses, outlays, and counsel fees and other reasonable disbursements, and against all liability except to the extent the same shall have been finally adjudicated by a court of competent jurisdiction to have been directly caused by the Trustee's own negligence or willful misconduct; provided, however, that in no event shall the Trustee request or require indemnification as a condition to making any deposits, payments, or transfers (provided such deposit, payment or transfer is prior to an Event of Default) when required hereunder, or to delivering any notice when required hereunder. Nevertheless, the Trustee may begin suit, or appear in and defend suit, or do anything else in its judgment proper to be done by it as the Trustee, without indemnity, and in such case the Trustee may, to the extent permitted pursuant to the provisions of this Indenture, make transfers from the District Administration

Account of the Administrative Fund, and to the extent moneys in the District Administration Account of the Administrative Fund are insufficient, from the Pledged Revenue Fund, to pay all fees, costs and expenses, outlays, and counsel fees and other reasonable disbursements properly incurred in connection therewith and shall, to the extent permitted by law, be entitled to a preference therefor over any Bonds Outstanding hereunder.

Section 9.3. Responsibilities of the Trustee.

The Trustee accepts the trusts imposed upon it by this Indenture, and agrees to observe and perform those trusts, but only upon and subject to the terms and conditions set forth in this Article, to all of which the parties hereto and the Owners agree.

(a) Prior to the occurrence of an Event of Default of which the Trustee has been notified, and after the cure or waiver of all defaults or Events of Default which may have occurred,

(i) the Trustee undertakes to perform only those duties and obligations which are set forth specifically and expressly in this Indenture, and no duties or obligations shall be implied to the Trustee, these duties shall be deemed purely ministerial in nature, and the Trustee shall not be liable except for the performance of such duties, and no implied covenants shall be read into this Indenture against the Trustee; and

(ii) the Trustee may request and rely conclusively, as to the due execution, the truth of the statements, and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture, and shall incur no liability and shall be fully protected in acting or refraining from acting in accordance therewith; but in the case of any such certificates or opinions which by any provision hereof are required specifically to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform on their face to the requirements of this Indenture.

(b) In case an Event of Default has occurred and is continuing hereunder (of which the Trustee has been notified in writing, or is deemed to have notice), the Trustee shall exercise those rights and powers vested in it by this Indenture and shall use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of his own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that

(i) this subparagraph shall not be construed to affect the limitation of the Trustee's duties and obligations provided in subparagraph (a)(i) of this Section or the Trustee's right to rely on the truth of statements and the correctness of opinions as provided in subparagraph (a)(ii) of this Section;

(ii) the Trustee shall not be liable for any actions taken, or error of judgment, made in good faith by any one of its officers, employees, or agents, unless it shall be finally adjudicated by a court of competent jurisdiction that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in accordance with the direction of the controlling Owners relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture; and

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not assured to it.

(d) The recitals contained in this Indenture and in the Bonds shall be taken as the statements of the City and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of the offering documents, this Indenture, or the Bonds or with respect to the security afforded by this Indenture, and the Trustee shall incur no liability with respect thereto. Except as otherwise expressly provided in this Indenture, the Trustee shall have no responsibility or duty with respect to: (i) the issuance of Bonds for value; (ii) the application of the proceeds thereof, except to the extent that such proceeds are received by it in its capacity as Trustee; (iii) the application of any moneys paid to the City or others in accordance with this Indenture, except as to the application of any moneys paid to it in its capacity as Trustee; or (iv) any calculation of arbitrage or rebate under the Code. The Trustee has the right to act through agents and attorneys and shall have no liability for the acts or omissions of any of the agents and attorneys appointed by it with due care.

(e) The duties and obligations of the Trustee shall be determined by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture.

(f) The Trustee shall not be liable for any action taken or omitted by it in the performance of its duties under this Indenture, except for such losses, damages, or expenses which have been fully adjudicated by a court of competent jurisdiction to have directly resulted from the Trustee's own negligence or willful misconduct. In no event shall the Trustee be liable for incidental, indirect, punitive, special or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) in connection with or arising from this Indenture, irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action. The Trustee will not be liable with respect to any action taken or omitted to be taken in good faith in accordance with the written direction of the Owners of not less than a majority in principal amount of the Bonds then Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture.

(g) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care.

(h) Except for its certificate of authentication on the Bonds, the Trustee shall not be responsible for:

(i) the validity, priority, recording, re-recording, filing or re-filing of this Indenture or any Supplemental Indenture,

(ii) any instrument or document of further assurance or collateral assignment,

(iii) the filing, execution, delivery, recording, or authorization of any financing statements, amendments thereto or continuation statements,

(iv) insurance of the Improvement Area #3 Improvements or collection of insurance money,

(v) the validity of the execution by the City of this Indenture, any Supplemental Indenture or instruments or documents of further assurance, or

(vi) the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby.

(i) The Trustee shall not be accountable for the application by any Person of the proceeds of any Bonds authenticated or delivered hereunder; provided the Trustee follows the written instructions provided by the City with respect to the use of the proceeds of the Bonds.

(j) The Trustee, as an Administrative Expense, may request, conclusively rely on and shall be protected in acting upon any resolution, statement, instrument, opinion, report, notice, request, direction, consent, certificate, order, judgment, affidavit, letter, telegram or other paper or document believed by it to be genuine and correct and to have been signed or sent by the proper Person or Persons, not only as to due execution, validity, and effectiveness, but also as to the truth and accuracy of any information contained therein. Any action taken by the Trustee pursuant to this Indenture upon the direction, request, authority or consent of any Person who is the Owner of any Bonds at the time of making the request or giving the authority or consent, shall be conclusive and binding upon all future Owners of the same Bond and of Bonds issued in exchange therefor or in place thereof.

(k) The Trustee shall not be required to take notice, and shall not be deemed to have notice, of any events or information, default or Event of Default, except Events of Default described in Section 11.1(a)(i), unless the Trustee has actual knowledge thereof or shall be notified specifically of the default or Event of Default in a written instrument or document delivered to it by the City or by the Owners of more than 66-2/3% of the aggregate outstanding principal amount of Bonds. In the absence of delivery of a notice satisfying those requirements, the Trustee may assume conclusively that there is no Event of Default, except as noted above.

(l) The Trustee shall not be required to give any bond or surety with respect to the execution of these trusts and powers or otherwise in respect of the premises.

(m) Any resolution by the City, and any opinions, certificates and other instruments and documents for which provision is made in this Indenture, may be accepted by the Trustee, in the absence of bad faith on its part, as conclusive evidence of the facts and conclusions stated therein and shall be full warrant, protection and authority to the Trustee for its actions or inactions taken hereunder.

(n) The Trustee shall be entitled to file proofs of claim in bankruptcy at the direction of no less than 66-2/3% of the Owners. Ordinary trustee and paying agent/registrar fees and expenses and extraordinary fees and expenses of the Trustee and the Paying Agent/Registrar incurred hereunder are intended to constitute administrative expenses in bankruptcy.

(o) The Trustee's immunities and protections from liability and its right to indemnification in connection with the performance of its duties under this Indenture shall extend to the Trustee's officers, directors, agents, attorneys and employees. Such immunities and protections and rights to indemnification, together with the Trustee's right to compensation for trustee and paying agent/registrar services, subject to the limitations set forth herein, shall survive the Trustee's resignation or removal, the discharge of this Indenture, and final payment of the Bonds.

(p) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit), irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(q) The Trustee shall have no responsibility with respect to any information, statement or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds, except for any information provided by the Trustee, and shall have no responsibility for compliance with any state or federal securities laws in connection with the Bonds.

(r) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty and, with respect to such permissive rights, the Trustee shall not be answerable for other than its negligence or willful misconduct.

(s) The Trustee shall not be responsible or liable for the environmental condition or any contamination of the Improvement Area #3 Improvements or any real property or improvements related thereto or for any diminution in value of the same as a result of any contamination by any hazardous substance, hazardous material, pollutant or contaminant. The Trustee shall not be liable for any claims by or on behalf of the Owners or any other person or entity arising from contamination by any hazardous substance, hazardous material, pollutant or contaminant, and shall have no duty or obligation to assess the environmental condition of the Improvement Area #3 Improvements or any real property or improvements related thereto or with respect to compliance thereof under state or federal laws pertaining to the transport, storage, treatment or disposal of, hazardous substances, hazardous materials, pollutants, or contaminants or regulations, permits or licenses issued under such laws.

(t) Neither the Trustee nor any of its directors, officers, employees, agents or affiliates shall be responsible for nor have any duty to monitor the performance or any action of the City, or any of its directors, members, officers, agents, affiliates or employees, nor shall it have any liability in connection with the malfeasance or nonfeasance by such party. The Trustee may assume performance by all Persons of their respective obligations. The Trustee shall have no enforcement or notification obligations relating to breaches of representations or warranties of any other Person.

(u) In the event that any assets held hereunder shall be attached, garnished or levied upon by any court order, or the delivery thereof shall be stayed or enjoined by an order of a court,

or any order, judgment or decree shall be made or entered by any court order affecting such assets, the Trustee is hereby expressly authorized, in its sole discretion, to respond as it deems appropriate or to comply with all writs, orders or decrees so entered or issued, or which it is advised by legal counsel of its own choosing is binding upon it, whether with or without jurisdiction. In the event that the Trustee obeys or complies with any such writ, order or decree it shall not be liable to any of the parties or to any other person, firm or corporation, should, by reason of such compliance notwithstanding, such writ, order or decree be subsequently reversed, modified, annulled, set aside or vacated.

(v) The Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused, directly or indirectly, by circumstances beyond its control, including without limitation, any act or provision of any present or future law or regulation or governmental authority; acts of God; earthquakes; fires; floods; wars; terrorism; civil or military disturbances; sabotage; epidemics; riots; interruptions, loss or malfunctions of utilities, computer (hardware or software) or communications service; accidents; labor disputes; acts of civil or military authority or governmental actions; or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility.

Section 9.4. Property Held in Trust.

All moneys and securities held by the Trustee at any time pursuant to the terms of this Indenture shall be held by the Trustee in trust for the purposes and under the terms and conditions of this Indenture.

Section 9.5. Trustee Protected in Relying on Certain Documents.

The Trustee may, as an Administrative Expense, request, conclusively rely on and shall be protected in acting or refraining from acting upon any resolution, instrument, opinion, report, direction, order, notice, judgment, request, consent, waiver, certificate, statement, affidavit, requisition, bond, debenture, note or other document provided to the Trustee in accordance with the terms of this Indenture that it shall in good faith believe to be genuine and to have been adopted or signed by the proper board or Person or to have been prepared and furnished pursuant to any of the provisions of this Indenture, or for any action taken or omitted to be taken upon the advice or written opinion of any counsel, architect, engineer, insurance consultant, management consultant, accountant or other professional retained or consulted by the Trustee, and the Trustee shall be under no duty to make any investigation or inquiry into any statements contained or matters referred to in any such instrument. Subject to Sections 9.1 and 9.3 hereof, the Trustee may consult with counsel, selected by the Trustee with due care, who may or may not be Bond Counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of, and the Trustee shall not be liable for, any action taken, suffered, or omitted to be taken by it in good faith and in accordance therewith.

Whenever the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under this Indenture, the Trustee may request a City Certificate, and such matter may be deemed to be conclusively proved and established by such City Certificate, unless other evidence in respect thereof be hereby specifically prescribed. Such City Certificate shall be full warrant for any action taken or suffered in good faith under the provisions hereof, but in its sole discretion the Trustee may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable. Except as otherwise expressly provided herein, any request, order, notice, or other

direction required or permitted to be furnished pursuant to any provision hereof by the City to the Trustee shall be sufficiently executed if executed in the name of the City by the City Representative.

The Trustee shall not be under any obligation to see to the recording or filing of this Indenture, or otherwise to the giving to any Person of notice of the provisions hereof except as expressly required in Section 9.13 herein.

Section 9.6. Compensation.

The City hereby agrees to compensate the Trustee, from the amount collected each year for Administrative Expenses and in the manner set forth in this Section, for the Trustee's services as Trustee and as Paying Agent/Registrar. The Trustee shall transfer from the District Administration Account of the Administrative Fund, from time to time, reasonable compensation for all services rendered by it hereunder, including its services as Paying Agent/Registrar, together with all its reasonable expenses, charges, and other disbursements and those of its counsel, agents and employees, incurred in and about the administration and execution of the trusts hereby created and the exercise of its powers and the performance of its duties hereunder, subject to any limit on the amount of such compensation or recovery of expenses or other charges as shall be prescribed by specific agreement, and the Trustee shall have a lien therefor on any and all funds at any time held by it in the Administrative Fund. None of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if in the judgment of the Trustee there are reasonable grounds for believing that the repayment of such funds or liability is not assured to it. If the City shall fail to make any payment required by this Section, the Trustee may make such payment from any moneys in its possession in the Administrative Fund, subject to the limitations set forth herein.

In the event that the Trustee renders any service not contemplated in this Indenture, or if any material controversy arises hereunder, or the Trustee is made a party to any litigation pertaining to this Indenture or the subject matter hereof, then the Trustee shall be compensated from any and all funds at any time held by it for such extraordinary services and any services or work performed by Trustee in connection with any delay, controversy, litigation or event, and reimbursed for all costs and expenses, including reasonable attorneys' fees and expenses, occasioned by any such delay, controversy, litigation or event.

Section 9.7. Permitted Acts.

The Trustee and its directors, officers, employees, or agents may become the owner of or may in good faith buy, sell, own, hold and deal in Bonds and may join in any action that any Owner of Bonds may be entitled to take as fully and with the same rights as if it were not the Trustee. The Trustee may act as depository, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, the City or any committee formed to protect the rights of Owners or to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Indenture, whether or not such committee shall represent the Owners of a majority in aggregate outstanding principal amount of the Bonds.

Section 9.8. Resignation of Trustee.

The Trustee may at any time resign and be discharged of its duties and obligations hereunder by giving not fewer than 30 days' written notice, specifying the date when such resignation shall take effect, to the City and each Owner of any Outstanding Bond. Such resignation shall take effect upon the appointment of a successor as provided in Section 9.10 and the acceptance of such appointment by such successor.

Section 9.9. Removal of Trustee.

The Trustee may be removed at any time on 30 days' advance written notice to the Trustee by (i) the Owners of at least a majority of the aggregate Outstanding principal of the Bonds by an instrument or concurrent instruments in writing signed and acknowledged by such Owners or by their attorneys-in-fact, duly authorized and delivered to the City, or (ii) the City, so long as the City is not in default under this Indenture. Copies of each such instrument shall be delivered by the City to the Trustee and any successor thereof. The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of this Indenture with respect to the duties and obligations of the Trustee by any court of competent jurisdiction upon the application of the City or the Owners of not less than 10% of the aggregate Outstanding principal of the Bonds.

Section 9.10. Successor Trustee.

(a) If the Trustee shall resign, be removed, be dissolved, or become incapable of acting, or shall be adjudged as bankrupt or insolvent, or if a receiver, liquidator, or conservator of the Trustee or of its property shall be appointed, or if any public officer shall take charge or control of the Trustee or of its property or affairs, the position of the Trustee hereunder shall thereupon become vacant.

(b) If the position of Trustee shall become vacant for any of the foregoing reasons or for any other reason, a successor Trustee may be appointed within one year after any such vacancy shall have occurred by the Owners of at least 25% of the aggregate outstanding principal of the Bonds by an instrument or concurrent instruments in writing signed and acknowledged by such Owners or their attorneys-in-fact, duly authorized and delivered to such successor Trustee, with notification thereof being given to the predecessor Trustee and the City.

(c) Unless and until such successor Trustee shall have been appointed by the Owners of the Bonds, the City shall forthwith (and in no event in excess of 30 days after such vacancy occurs) appoint a Trustee to act hereunder. Copies of any instrument of the City providing for any such appointment shall be delivered by the City to the Trustee so appointed. The City shall mail notice of any such appointment to each Owner of any Outstanding Bonds within 30 days after such appointment. Any appointment of a successor Trustee made by the City immediately and without further act shall be superseded and revoked by an appointment subsequently made by the Owners of Bonds in accordance with the immediately preceding paragraph.

(d) If in a proper case no appointment of a successor Trustee shall be made within 45 days after the giving by any Trustee of any notice of resignation in accordance with Section 9.8 herein or after the occurrence of any other event requiring or authorizing such appointment, the Trustee or any Owner of Bonds may apply to any court of competent jurisdiction for the

appointment of such a successor, and the court may thereupon, after such notice, if any, as the court may deem proper, appoint such successor and the City shall be responsible for the costs of such appointment process.

(e) Any successor Trustee appointed under the provisions of this Section shall be a commercial bank or trust company or national banking association (i) having a capital and surplus and undivided profits aggregating at least \$50,000,000, if there be such a commercial bank or trust company or national banking association willing and able to accept the appointment on reasonable and customary terms, and (ii) authorized by law to perform all the duties of the Trustee required by this Indenture and Applicable Laws.

(f) Each successor Trustee shall mail, in accordance with the provisions of the Bonds, notice of its appointment as Trustee, to any rating agency which, at the time of such appointment, is providing a rating on the Bonds and each of the Owners of the Bonds.

(g) Trustee shall not be responsible for or liable for the acts or omissions of any successor trustee, nor shall it be responsible or liable for any costs of appointment or transition of such successor trustee.

Section 9.11. Transfer of Rights and Property to Successor Trustee.

Any successor Trustee appointed under the provisions of Section 9.10 shall execute, acknowledge, and deliver to its predecessor and the City an instrument in writing accepting such appointment, and thereupon such successor, without any further act, deed, or conveyance, shall become fully vested with all moneys, estates, properties, rights, immunities, powers, duties, obligations, and trusts of its predecessor hereunder, with like effect as if originally appointed as Trustee. However, the Trustee then ceasing to act shall nevertheless, on request of the City or of such successor, execute, acknowledge, and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor all the rights, immunities, powers, and trusts of such Trustee and all the right, title, and interest of such Trustee in and to the Trust Estate, and upon receipt of payment of its outstanding charges, shall pay over, assign, and deliver to such successor any moneys or other properties subject to the trusts and conditions herein set forth. Should any deed, conveyance, or instrument in writing, including any supplement or amendment to this Indenture, from the City be required by such successor for more fully and certainly vesting in and confirming to it any such moneys, estates, properties, rights, powers, duties, or obligations, any and all such deeds, conveyances, and instruments in writing, on request and so far as may be authorized by law, shall be executed, acknowledged, and delivered by the City.

Section 9.12. Merger, Conversion or Consolidation of Trustee.

Any corporation or association into which the Trustee may be converted or merged, or with which it may be consolidated or any corporation or association resulting from any merger, conversion or consolidation to which it shall be a party or any corporation or association to which the Trustee may sell or transfer all or substantially all of its corporate trust business shall be the successor to such Trustee hereunder and will have and succeed to the rights, powers, duties, immunities, and privileges as predecessor, without any further act, deed or conveyance, provided that such corporation or association shall be a commercial bank or trust company or national banking association qualified to be a successor to such Trustee under the provisions of Section 9.10, or a trust company that is a wholly-owned subsidiary of any of the foregoing.

Section 9.13. Trustee to File Continuation Statements.

If necessary, the Trustee may file or cause to be filed, such continuation statements as are delivered to the Trustee by the City, or on behalf of the City, and which may be required by the Texas Uniform Commercial Code, as from time to time in effect (the "UCC"), in order to continue perfection of the security interest of the Trustee in such items of tangible or intangible personal property and any fixtures as may have been granted to the Trustee pursuant to this Indenture in the time, place and manner required by the UCC. Under no circumstances shall the Trustee have an obligation or responsibility to file such financing statements or continuation statements except as provided in this Section.

Section 9.14. Construction of Indenture.

The Trustee may construe any of the provisions of this Indenture insofar as the same may appear to be ambiguous or inconsistent with any other provision hereof, and any construction of any such provisions hereof by the Trustee in good faith shall be binding upon the Owners of the Bonds. Permissive rights of the Trustee are not to be construed as duties. Whether or not therein expressly so provided, every provision of this Indenture or any other financing document relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Article IX.

ARTICLE X

MODIFICATION OR AMENDMENT OF THIS INDENTURE

Section 10.1. Amendments Permitted.

(a) This Indenture and the rights and obligations of the City and of the Owners of the Bonds may be modified or amended at any time by a Supplemental Indenture, executed by both the City and the Trustee, except as provided below, pursuant to the affirmative vote at a meeting of Owners of the Bonds, or with the written consent without a meeting, of the Owners of at least 51% of the aggregate principal amount of the Bonds then Outstanding. No such modification or amendment shall (i) extend the maturity of any Bond or reduce the interest rate thereon, or otherwise alter or impair the obligation of the City to pay the principal of, and the interest and any premium on, any Bond, without the express consent of the Owner of such Bond, or (ii) permit the creation by the City of any pledge or lien upon the Trust Estate superior to or on a parity with the pledge and lien created for the benefit of the Bonds (except as otherwise permitted by Applicable Laws and this Indenture), or reduce the percentage of Owners of Bonds required for the amendment hereof. Any such amendment may not modify any of the rights, immunities or obligations of the Trustee without its written consent.

(b) This Indenture and the rights and obligations of the City and of the Owners may also be modified or amended at any time by a Supplemental Indenture, without the consent of any Owners, only to the extent permitted by law and only for any one or more of the following purposes:

(i) to add to the covenants and agreements of the City in this Indenture contained, other covenants and agreements thereafter to be observed, or to limit or surrender any right or power herein reserved to or conferred upon the City;

(ii) to make modifications not adversely affecting any Outstanding Bonds in any material respect;

(iii) to make such provisions for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained in this Indenture, or in regard to questions arising under this Indenture, as the City and the Trustee may deem necessary or desirable and not inconsistent with this Indenture, and that shall not adversely affect the rights of the Owners of the Bonds;

(iv) to provide for the issuance of Refunding Bonds, as set forth in Section 13.2 hereof;

(v) to appoint or accept a successor trustee in accordance with the provisions of Section 9.10 hereof; provided, however, in no event shall this provision limit the Owners' ability to appoint a successor trustee pursuant to Section 9.10(b) hereof; and

(vi) to make such additions, deletions or modifications as may be necessary or desirable to assure exemption from federal income taxation of interest on the Bonds.

(c) Any modification or amendment made pursuant to Section 10.1(b) shall not be subject to the notice procedures specified in Section 10.3 below.

(d) Notwithstanding the above, no Supplemental Indenture under this Section shall be effective unless the City first delivers to the Trustee an opinion of Bond Counsel to the effect that such amendment or supplement: (i) is permitted under Applicable Laws and the provisions of this Indenture in effect after taking into account the proposed amendment or supplement; (ii) will not adversely affect the interests of the Owners in any material respect; provided, however, that an appointment of a successor trustee in accordance with the provisions hereof and the issuance of Refunding Bonds in accordance with the provisions of Section 13.2 hereof are each deemed to not be a material adverse effect for purposes of such opinion; and (iii) will not adversely affect the exclusion of interest on any Bond from gross income for purposes of federal income taxation.

Section 10.2. Owners' Meetings.

The City may at any time call a meeting of the Owners of the Bonds. In such event the City is authorized to fix the time and place of said meeting and to provide for the giving of notice thereof, and to fix and adopt reasonable rules and regulations for the conduct of said meeting.

Section 10.3. Procedure for Amendment with Written Consent of Owners.

The City and the Trustee may at any time adopt a Supplemental Indenture amending the provisions of the Bonds or of this Indenture, to the extent that such amendment is permitted by Section 10.1 herein, to take effect when and as provided in this Section. A copy of such Supplemental Indenture, together with a request to Owners for their consent thereto, shall be mailed by first-class mail, by the Trustee to each Owner of Bonds from whom consent is required under this Indenture, but failure to mail copies of such Supplemental Indenture and request shall not affect the validity of the Supplemental Indenture when assented to as in this Section provided.

Except as set forth in Section 10.1, such Supplemental Indenture shall not become effective unless there shall be filed with the Trustee the written consents of the Owners as required by this Indenture and a notice shall have been mailed as hereinafter in this Section provided and the City or Bond Counsel, acting on the City's behalf, has delivered to the Trustee an opinion of Bond Counsel to the effect that such amendment is permitted and will not adversely affect the exclusion of interest on any Bond from gross income for purposes of federal income taxation. Each such consent shall be effective only if accompanied by proof of ownership of the Bonds for which such consent is given, which proof shall be such as is permitted by Section 11.6 herein. Any such consent shall be binding upon the Owner of the Bonds giving such consent and on any subsequent Owner (whether or not such subsequent Owner has notice thereof), unless such consent is revoked in writing by the Owner giving such consent or a subsequent Owner by filing such revocation with the Trustee prior to the date when the notice hereinafter in this Section provided for has been mailed.

After the Owners of the required percentage of Bonds shall have filed their consents to the Supplemental Indenture, the City shall mail a notice to the Owners in the manner hereinbefore provided in this Section for the mailing of the Supplemental Indenture, stating in substance that the Supplemental Indenture has been consented to by the Owners of the required percentage of Bonds and will be effective as provided in this Section (but failure to mail copies of said notice shall not affect the validity of the Supplemental Indenture or consents thereto). Proof of the mailing of such notice shall be filed with the Trustee. A record, consisting of the papers required by this Section 10.3 to be filed with the Trustee, shall be proof of the matters therein stated until the contrary is proved. The Supplemental Indenture shall become effective upon the filing with the Trustee of the proof of mailing of such notice, and the Supplemental Indenture shall be deemed conclusively binding (except as otherwise hereinabove specifically provided in this Article) upon the City and the Owners of all Bonds at the expiration of 60 days after such filing, except in the event of a final decree of a court of competent jurisdiction setting aside such consent in a legal action or equitable proceeding for such purpose commenced within such 60 day period; provided, that the Trustee shall have no obligation to take or refrain from taking any such action and the Trustee shall have no liability with respect to any action taken or any instance of inactions.

Section 10.4. Effect of Supplemental Indenture.

From and after the time any Supplemental Indenture becomes effective pursuant to this Article X, this Indenture shall be deemed to be modified and amended in accordance therewith, the respective rights, duties, and obligations under this Indenture of the City, the Trustee, and all Owners of Outstanding Bonds shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such Supplemental Indenture shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

Section 10.5. Endorsement or Replacement of Bonds Issued After Amendments.

The City may determine that Bonds issued and delivered after the effective date of any action taken as provided in this Article X shall bear a notation, by endorsement or otherwise, in form approved by the City, as to such action. In that case, upon demand of the Owner of any Bond Outstanding at such effective date and presentation of his Bond for that purpose at the designated office of the Trustee or at such other office as the City may select and designate for that purpose, a suitable notation shall be made on such Bond. The City may determine that new Bonds, so modified as in the opinion of the City is necessary to conform to such Owners' action,

shall be prepared, executed, and delivered. In that case, upon demand of the Owner of any Bonds then Outstanding, such new Bonds shall be exchanged at the designated office of the Trustee without cost to any Owner, for Bonds then Outstanding, upon surrender of such Bonds.

Section 10.6. Amendatory Endorsement of Bonds.

The provisions of this Article X shall not prevent any Owner from accepting any amendment as to the particular Bonds held by such Owner, provided that due notation thereof is made on such Bonds.

Section 10.7. Waiver of Default.

Subject to the second and third sentences of Section 10.1 hereof, with the written consent of at least 51% of the Owners in aggregate principal amount of the Bonds then Outstanding, the Owners may waive non-compliance by the City with certain past defaults under this Indenture and their consequences. Any such consent shall be conclusive and binding upon the Owners and upon all future Owners. For the avoidance of doubt, any waiver given pursuant to this Section shall be subject to Section 11.5 hereof.

Section 10.8. Execution of Supplemental Indenture.

In executing, or accepting the additional trusts created by, any Supplemental Indenture permitted by this Article or the modification thereby of the trusts created by this Indenture, the Trustee shall receive, and shall be fully protected in relying upon, an opinion of counsel addressed and delivered to the Trustee and the City stating that the execution of such Supplemental Indenture is permitted by and in compliance with this Indenture. The Trustee may, but shall not be obligated to, enter into any such Supplemental Indenture which affects the Trustee's own rights, duties and immunities under this Indenture or otherwise.

ARTICLE XI

DEFAULT AND REMEDIES

Section 11.1. Events of Default.

(a) Each of the following occurrences or events shall be and is hereby declared to be an "Event of Default," to wit:

(i) The failure of the City to deposit the Pledged Revenues to the Bond Pledged Revenue Account of the Pledged Revenue Fund;

(ii) The failure of the City to enforce the collection of the Assessments, including the prosecution of foreclosure proceedings;

(iii) The failure to make payment of the principal of or interest on any of the Bonds when the same becomes due and payable and such failure is not remedied within 30 days; provided, however, that the payments are to be made only from Pledged Revenues or other funds currently available in the Pledged Funds and available to the City to make the payments; and

(iv) Default in the performance or observance of any covenant, agreement or obligation of the City under this Indenture and the continuation thereof for a period of 90

days after written notice to the City by the Trustee, or by the Owners of at least 25% of the aggregate Outstanding principal of the Bonds with a copy to the Trustee, specifying such default and requesting that the failure be remedied.

(b) Nothing in Section 11.1(a) will be an Event of Default if it is in violation of any applicable state law or court order.

Section 11.2. Immediate Remedies for Default.

(a) Subject to Article VIII, upon the happening and continuance of any of the Events of Default described in Section 11.1, the Trustee may, and at the written direction of the Owners of at least 25% of the Bonds then Outstanding and its receipt of indemnity satisfactory to it, shall proceed against the City for the purpose of protecting and enforcing the rights of the Owners under this Indenture, by action seeking mandamus or by other suit, action, or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief to the extent permitted by this Indenture or by Applicable Laws, including, but not limited to, the specific performance of any covenant or agreement contained herein, or injunction; provided, however, that no action for money damages against the City may be sought or shall be permitted. The Trustee retains the right to obtain the advice of counsel in its exercise of remedies of default.

(b) THE PRINCIPAL OF THE BONDS SHALL NOT BE SUBJECT TO ACCELERATION UNDER ANY CIRCUMSTANCES.

(c) If the assets of the Trust Estate are sufficient to pay all amounts due with respect to all Outstanding Bonds, in the selection of Trust Estate assets to be used in the payment of Bonds due under this Article, the City shall determine, in its absolute discretion, and shall instruct the Trustee by City Certificate, which Trust Estate assets shall be applied to such payment and shall not be liable to any Owner or other Person by reason of such selection and application. In the event that the City shall fail to deliver to the Trustee such City Certificate, the Trustee shall select and liquidate or sell Trust Estate assets as provided in the following paragraph, and shall not be liable to any Owner, or other Person, or the City by reason of such selection, liquidation or sale.

(d) Whenever moneys are to be applied pursuant to this Article XI, irrespective of whether other remedies authorized under this Indenture shall have been pursued in whole or in part, the Trustee may cause any or all of the assets of the Trust Estate, including Investment Securities, to be sold. The Trustee may so sell the assets of the Trust Estate and all right, title, interest, claim and demand thereto and the right of redemption thereof, in one or more parts, at any such place or places, and at such time or times and upon such notice and terms as the Trustee may deem appropriate and as may be required by law and apply the proceeds thereof in accordance with the provisions of this Section. Upon such sale, the Trustee may make and deliver to the purchaser or purchasers a good and sufficient assignment or conveyance for the same, which sale shall be a perpetual bar both at law and in equity against the City, and all other Persons claiming such properties. No purchaser at any sale shall be bound to see to the application of the purchase money proceeds thereof or to inquire as to the authorization, necessity, expediency, or regularity of any such sale. Nevertheless, if so requested by the Trustee, the City shall ratify and confirm any sale or sales by executing and delivering to the Trustee or to such purchaser or purchasers all such instruments as may be necessary or, in the reasonable judgment of the Trustee, proper for the purpose which may be designated in such request.

Section 11.3. Restriction on Owner's Action.

(a) No Owner shall have any right to institute any action, suit or proceeding at law or in equity for the enforcement of this Indenture or for the execution of any trust thereof or any other remedy hereunder, unless (i) a default has occurred and is continuing of which the Trustee has been notified in writing, (ii) such default has become an Event of Default and the Owners of not less than 25% of the aggregate principal amount of the Bonds then Outstanding have made written request to the Trustee and offered it reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, (iii) the Owners have furnished to the Trustee written evidence of indemnity as provided in Section 9.2 herein, (iv) the Trustee has for 90 days after such notice failed or refused to exercise the powers hereinbefore granted, or to institute such action, suit, or proceeding in its own name, (v) no written direction inconsistent with such written request has been given to the Trustee during such 90-day period by the Owners of at least a majority of the aggregate principal amount of the Bonds then Outstanding, and (vi) written notice of such action, suit, or proceeding is given to the Trustee; however, no one or more Owners of the Bonds shall have any right in any manner whatsoever to affect, disturb, or prejudice this Indenture by its, his, or their action or to enforce any right hereunder except in the manner provided herein, and that all proceedings at law or in equity shall be instituted and maintained in the manner provided herein and for the equal benefit of the Owners of all Bonds then Outstanding. (b) Subject to Article VIII, nothing in this Indenture shall affect or impair the right of any Owner to enforce, by action at law, payment of any Bond at and after the maturity thereof, or on the date fixed for redemption or the obligation of the City to pay each Bond issued hereunder to the respective Owners thereof at the time and place, from the source and in the manner expressed herein and in the Bonds.

(c) In case the Trustee or any Owners shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee or any Owners, then and in every such case the City, the Trustee and the Owners shall be restored to their former positions and rights hereunder, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

SECOND: To the payment to the Owners entitled thereto of the unpaid principal of Outstanding Bonds, or Redemption Price of any Bonds which shall have become due, whether at maturity or by call for redemption, in the direct order of their due dates and, if the amounts available shall not be sufficient to pay in full all the Bonds due on any date, then to the payment thereof ratably, according to the amounts of principal due and to the Owners entitled thereto, without any discrimination or preference.

Within 10 days of receipt of such good and available funds, the Trustee may fix a record and payment date for any payment to be made to Owners pursuant to this Section 11.4.

(b) In the event funds are not adequate to cure any of the Events of Default described in Section 11.1, the available funds shall be allocated to the Bonds that are Outstanding in proportion to the quantity of Bonds that are currently due and in default under the terms of this Indenture.

(c) The restoration of the City to its prior position after any and all defaults have been cured, as provided in Section 11.3, shall not extend to or affect any subsequent default under this Indenture or impair any right consequent thereon.

Section 11.5. Effect of Waiver.

No delay or omission of the Trustee, or any Owner, to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this Indenture to the Trustee or the Owners, respectively, may be exercised from time to time and as often as may be deemed expedient.

Section 11.6. Evidence of Ownership of Bonds.

Where such execution is by an officer of a corporation or association or a member of a partnership, on behalf of such corporation, association or

partnership, such signature guarantee, certificate, or affidavit shall also constitute sufficient proof of his authority.

(ii) The ownership of Bonds and the amount, numbers and other identification and date of holding the same shall be proved by the Register.

(b) Except as otherwise provided in this Indenture with respect to revocation of a consent, any request or consent by an Owner of Bonds shall bind all future Owners of the same Bonds in respect of anything done or suffered to be done by the City or the Trustee in accordance therewith.

This Bond is one of a duly authorized issue of assessment revenue bonds of the City having the designation specified in its title (herein referred to as the "Bonds"), dated September 25, 2025 and issued in the aggregate principal amount of \$_____ and issued, with the limitations described herein, pursuant to an Indenture of Trust, dated as of September 1, 2025 (the "Indenture"), by and between the City and the Trustee, to which Indenture reference is hereby made for a description of the amounts thereby pledged and assigned, the nature and extent of the lien and security, the respective rights thereunder to the holders of the Bonds, the Trustee, and the City, and the terms upon which the Bonds are, and are to be, authenticated and delivered and by this reference to the terms of which each holder of this Bond hereby consents. All Bonds issued under the Indenture are equally and ratably secured by the amounts thereby pledged and assigned. The Bonds are being issued for the purpose of (i) paying a portion of the Actual Costs of the Improvement Area #3 Improvements, (ii) paying a portion of the costs incidental to the organization and administration of the District, and (iii) paying the Bond Issuance Costs, including funding a reserve fund, and other costs related to the issuance of the Bonds.

The Bonds are special, limited obligations of the City payable solely from the Trust Estate as defined in the Indenture. Reference is hereby made to the Indenture, copies of which are on file with and available upon request from the Trustee, for the provisions, among others, with respect to the nature and extent of the duties and obligations of the City, the Trustee and the Owners. The Owner of this Bond, by the acceptance hereof, is deemed to have agreed and consented to the terms, conditions and provisions of the Indenture.

Notwithstanding any provision hereof, the Indenture may be released and the obligation of the City to make money available to pay this Bond may be defeased by the deposit of money and/or certain direct or indirect Defeasance Securities sufficient for such purpose as described in the Indenture.

The Bonds are issuable as fully registered bonds only in Authorized Denominations, subject to the provisions of the Indenture authorizing redemption in denominations of \$100,000 and any multiple of \$1,000 in excess thereof.

The Bonds are subject to sinking fund redemption prior to their stated maturities and will be redeemed by the City in part at a price equal to the principal amount thereof plus accrued and unpaid interest thereon to the date set for redemption from moneys available for such purpose in the Principal and Interest Account of the Bond Fund pursuant to Article VI of the Indenture, on the dates and in the Sinking Fund Installment amounts as set forth in the following schedule:

At least 45 days prior to each mandatory sinking fund redemption date, and subject to any prior reduction authorized by the Indenture, the Trustee shall select for redemption, pursuant to the provisions of the Indenture, a principal amount of Bonds of such maturity equal to the Sinking Fund Installments of such Bonds to be redeemed, shall call such Bonds for redemption on such scheduled mandatory sinking fund redemption date, and shall give notice of such redemption, as provided in the Indenture.

The principal amount of Bonds of a stated maturity required to be redeemed on any mandatory sinking fund redemption date shall be reduced, at the option of the City, by the principal amount of any Bonds of such maturity which, at least 45 days prior to the mandatory sinking fund redemption date shall have been acquired by the City at a price not exceeding the principal amount of such Bonds plus accrued and unpaid interest to the date of purchase thereof, and delivered to the Trustee for cancellation.

The principal amount of Bonds required to be redeemed on any mandatory sinking fund redemption date shall be reduced on a pro rata basis among Sinking Fund Installments by the principal amount of any Bonds which, at least 45 days prior to the mandatory sinking fund redemption date shall have been redeemed pursuant to the optional redemption or extraordinary optional redemption provisions of the Indenture and not previously credited to a mandatory sinking fund redemption.

The City reserves the right and option to redeem the Bonds maturing on or after September 1, 20__ before their scheduled maturity dates, in whole or in part, on any date on or after September 1, 20__, such redemption date or dates to be fixed by the City, at the redemption price of par plus accrued interest to the date of redemption.

Bonds are subject to extraordinary optional redemption prior to maturity in whole or in part, and in an amount and on any date specified in a City Certificate, at a redemption price equal to the principal amount of the Bonds called for redemption, plus accrued and unpaid interest to the date fixed for redemption, pursuant to the provisions of the Indenture, from amounts on deposit in the Redemption Fund as a result of Prepayments, other transfers to the Redemption Fund pursuant to the Indenture, or as a result of unexpended amounts transferred from the Project Fund as provided in the Indenture.

The Trustee shall give notice of any redemption of Bonds by sending notice by United States mail, first-class, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond (or part thereof) to be redeemed, at the address shown on the Register. The notice shall state the redemption date, the Redemption Price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds Outstanding are to be redeemed, an identification of the Bonds or portions thereof to be redeemed. Any notice so given shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

With respect to any optional redemption of the Bonds, unless the Trustee has received funds sufficient to pay the redemption price of the Bonds to be redeemed before giving of a notice

of redemption, the notice may state the City may condition redemption on the receipt of such funds by the Trustee on or before the date fixed for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption are not satisfied and sufficient funds are not received, the notice shall be of no force and effect, the City shall not redeem the Bonds, and the Trustee shall give notice, in the manner in which the notice of redemption was given, that the Bonds have not been redeemed.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the City and the rights of the holders of the Bonds under the Indenture at any time Outstanding affected by such modification. The Indenture also contains provisions permitting the holders of specified percentages in aggregate principal amount of the Bonds at the time Outstanding, on behalf of the holders of all the Bonds, to waive compliance by the City with certain past defaults under the Bond Ordinance or the Indenture and their consequences. Any such consent or waiver by the holder of this Bond or any predecessor Bond evidencing the same debt shall be conclusive and binding upon such holder and upon all future holders thereof and of any Bond issued upon the transfer thereof or in exchange therefor or in lieu thereof, whether or not notation of such consent or waiver is made upon this Bond.

As provided in the Indenture, this Bond is transferable upon surrender of this Bond for transfer at the Designated Payment/Transfer Office, with such endorsement or other evidence of transfer as is acceptable to the Trustee, and upon delivery to the Trustee of such certifications and/or opinion of counsel as may be required under the Indenture for the transfer of this Bond. Upon satisfaction of such requirements, one or more new fully registered Bonds of the same Stated Maturity, of Authorized Denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

Neither the City nor the Trustee shall be required to issue, transfer or exchange any Bond called for redemption where such redemption is scheduled to occur within 45 calendar days of the transfer or exchange date; provided, however, such limitation shall not be applicable to an exchange by the registered owner of the uncalled principal balance of a Bond redeemed in part.

The City, the Trustee, and any other Person may treat the Person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except interest shall be paid to the Person in whose name this Bond is registered on the Record Date or Special Record Date, as applicable) and for all other purposes, whether or not this Bond be overdue, and neither the City nor the Trustee shall be affected by notice to the contrary.

The City has reserved the right to issue Additional Obligations on the terms and conditions specified in the Indenture.

NEITHER THE FULL FAITH AND CREDIT NOR THE GENERAL TAXING POWER OF THE CITY OF JUSTIN, TEXAS, THE STATE OF TEXAS, OR ANY POLITICAL SUBDIVISION THEREOF, IS PLEDGED TO THE PAYMENT OF THE BONDS.

IT IS HEREBY CERTIFIED AND RECITED that the issuance of this Bond and the series of which it is a part is duly authorized by law; that all acts, conditions and things required to be done precedent to and in the issuance of the Bonds have been properly done and performed and have happened in regular and due time, form and manner, as required by law; and that the total

indebtedness of the City, including the Bonds, does not exceed any Constitutional or statutory limitation.

IN WITNESS WHEREOF, the City Council of the City has caused this Bond to be executed under the official seal of the City.

CITY OF JUSTIN, TEXAS,
SPECIAL ASSESSMENT REVENUE BONDS, SERIES 2025

BOND PURCHASE AGREEMENT

August 28, 2025

City of Justin, Texas
415 N. College Avenue
Justin, Texas 76247

Ladies and Gentlemen:

The undersigned, FMSbonds, Inc. (the “Underwriter”), offers to enter into this Bond Purchase Agreement (this “Agreement”) with the City of Justin, Texas (the “City”), which will be binding upon the City and the Underwriter upon the acceptance of this Agreement by the City. This offer is made subject to its acceptance by the City by execution of this Agreement and its delivery to the Underwriter on or before 10:00 p.m., Central Time, on the date hereof and, if not so accepted, will be subject to withdrawal by the Underwriter upon written notice delivered to the City at any time prior to the acceptance hereof by the City. All capitalized terms not otherwise defined herein shall have the meanings given to such terms in the Indenture (defined herein), between the City and Wilmington Trust, National Association, as trustee (the “Trustee”), authorizing the issuance of the Bonds (defined herein), and the Limited Offering Memorandum (defined herein).

1. Purchase and Sale of Bonds. Upon the terms and conditions and upon the basis of representations, warranties, and agreements hereinafter set forth, the Underwriter hereby agrees to purchase from the City, and the City hereby agrees to sell to the Underwriter, all (but not less than all) of the \$6,381,000 aggregate principal amount of the “City of Justin, Texas, Special Assessment Revenue Bonds, Series 2025 (Timberbrook Public Improvement District No. 1 Improvement Area #3 Project)” (the “Bonds”), at a purchase price of \$_____ (representing the aggregate principal amount of the Bonds, less an original issue discount of \$_____, and less an Underwriter’s discount of \$_____).

Inasmuch as this purchase and sale represents a negotiated transaction, the City understands, and hereby confirms, that the Underwriter is not acting as a municipal advisor or fiduciary of the City (including, without limitation, a “municipal advisor” (as such term is defined in Section 975(e) of the Dodd Frank Wall Street Reform and Consumer Protection Act)), but rather is acting solely in its capacity as Underwriter for its own account. The City acknowledges and agrees that (i) the purchase and sale of the Bonds pursuant to this Agreement is an arm’s length commercial transaction between the City and the Underwriter, (ii) in

connection with the discussions, undertakings, and procedures leading up to the consummation of this transaction, the Underwriter is and has been acting solely as a principal and is not acting as the agent, municipal advisor, financial advisor, or fiduciary of the City, (iii) the Underwriter has not assumed an advisory or fiduciary responsibility in favor of the City with respect to the offering described herein or the discussions, undertakings, and procedures leading thereto (regardless of whether the Underwriter has provided other services or is currently providing other services to the City on other matters) and the Underwriter has no obligation to the City with respect to the offering described herein except the obligations expressly set forth in this Agreement, (iv) the City has consulted its own legal, financial and other advisors to the extent it has deemed appropriate, (v) the Underwriter has financial and other interests that differ from those of the City, and (vi) the Underwriter has provided to the City prior disclosures under Rule G-17 of the Municipal Securities Rulemaking Board (“MSRB”), which have been received by the City. The City further acknowledges and agrees that following the issuance and delivery of the Bonds, the Underwriter has indicated that it may have periodic discussions with the City regarding the expenditure of Bond proceeds and the construction of the Improvement Area #3 Improvements financed with the Bonds and, in connection with such discussions, the Underwriter shall be acting solely as a principal and will not be acting as the agent or fiduciary, and will not be assuming an advisory or fiduciary responsibility in favor, of the City.

The Bonds shall be dated as of the Closing Date, and shall have the maturities and redemption features, if any, and bear interest at the rates per annum shown on Schedule I hereto. Payment for and delivery of the Bonds, and the other actions described herein, shall take place on September 25, 2025 (or such other date as may be agreed to by the City and the Underwriter).

2. Authorization Instruments and Law. The Bonds were authorized by the Bond Ordinance enacted by the City Council on August 28, 2025, and shall be issued pursuant to the provisions of the PID Act, and the Indenture of Trust, dated as of September 1, 2025, between the City and the Trustee, authorizing the issuance of the Bonds (the “Indenture”). The Bonds shall be substantially in the form described in, and shall be secured under the provisions of, the Indenture.

The Bonds and interest thereon shall be secured by the Trust Estate consisting primarily of revenue from the Assessments levied pursuant to the Assessment Ordinance against the Assessed Property, all to the extent and upon the conditions described in the Indenture. The District was established by a resolution (the “Creation Resolution”), enacted by the City Council on September 25, 2017, in accordance with the PID Act. The Service and Assessment Plan for the District was approved on August 28, 2025. The Creation Resolution, the Assessment Ordinance, the Bond Ordinance, and the Indenture are collectively referred to herein as the “Authorizing Documents.”

The Bonds shall be as described in Schedule I attached hereto, the Indenture, and the Limited Offering Memorandum. The proceeds of the Bonds shall be used for the purposes described in the Limited Offering Memorandum under “PLAN OF FINANCE – The Bonds” and shall be generally applied as described in the Limited Offering Memorandum under “SOURCES AND USES OF FUNDS.”

The City has been advised that the Reserve Account, funded at the Reserve Account Requirement, is reasonably required for the purposes for which the Reserve Account has been established, is a vital factor in marketing the Bonds, and facilitates the marketing of the Bonds at interest rates comparable to those of other bonds of a similar type.

3. Initial Offering. The Underwriter agrees to make an initial offering of all of the Bonds in accordance with Section 4 hereof and to limit the initial offering of the Bonds to persons that qualify as “Accredited Investors” (as defined in Rule 501 of Regulation D under the Securities Act of 1933, as amended and as then in effect (the “Securities Act”)) or “Qualified Institutional Buyers” (within the meaning of Rule 144A under the Securities Act). On or before the third (3rd) business day prior to the Closing Date, the Underwriter shall execute and deliver to Bond Counsel the Issue Price Certificate (defined herein), in substantially the form attached hereto as Appendix B.

4. Establishment of Issue Price.

a. The Underwriter agrees to assist the City in establishing the issue price of the Bonds and shall execute and deliver to the City on or before the third (3rd) business day prior to the Closing Date an “issue price” or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Appendix B (the “Issue Price Certificate”), with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the City and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds. All actions to be taken by the City under this Section to establish the issue price of the Bonds may be taken on behalf of the City by the Financial Advisor (defined below) and any notice or report to be provided to the City may be provided to the Financial Advisor or to Bond Counsel.

b. The Underwriter confirms that it has offered all the Bonds of each maturity to the public on or before the date of this Agreement at the respective offering price (the “initial offering price”), or at the corresponding yield or yields, set forth in Schedule I attached hereto, except as otherwise set forth therein. The City will treat the first price at which 10% of each maturity of the Bonds is sold to the public as of the sale date as the issue price of that maturity (the “10% test”). At or promptly after the execution of this Agreement, the Underwriter shall report to the City on Schedule A to the Issue Price Certificate the first price at which the Underwriter has sold to the public each maturity of Bonds and shall identify to the City on Schedule A to the Issue Price Certificate those maturities of the Bonds for which the 10% test has not been satisfied. If different interest coupons apply within a maturity, each separate CUSIP number within that maturity will be treated as a separate maturity for this purpose.

c. The City and the Underwriter agree that the restrictions set forth in the next sentence shall apply to those maturities of the Bonds for which the 10% test has not been met as of the date of this Agreement, which will allow the City to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the “hold-the-offering-price rule”). So long as the hold-the-offering-price

rule remains applicable to any maturity of the Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (i) the close of the fifth (5th) business day after the sale date; or
- (ii) the date on which the Underwriter has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter shall promptly advise the City when the Underwriter has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public, if such sale occurs prior to the close of the fifth (5th) business day after the sale date.

d. The Underwriter confirms that any selling group agreement and each third-party distribution agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such third-party distribution agreement, as applicable, to (A) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter and as set forth in the related pricing wires, (B) promptly notify the Underwriter of any sales of Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Bonds to the public, and (C) acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public. The City acknowledges that, in making the representation set forth in this subsection, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, if applicable, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a third-party distribution agreement was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, if applicable, as set forth in the third-party distribution agreement and the related pricing wires. The City further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Bonds.

e. The Underwriter acknowledges that sales of any Bonds to any person that is a related party to the Underwriter shall not constitute sales to the public for purposes of this Section. Further, for purposes of this Section:

- (i) “public” means any person other than an underwriter or a related party to an underwriter;

(ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the City (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the public);

(iii) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other); and

(iv) “sale date” means the date of execution of this Agreement by all parties.

5. Limited Offering Memorandum.

a. Delivery of Limited Offering Memorandum. The City previously has delivered, or caused to be delivered, to the Underwriter the Preliminary Limited Offering Memorandum for the Bonds dated August 14, 2025 (the “Preliminary Limited Offering Memorandum”), in a “designated electronic format,” as defined in the MSRB Rule G-32 (“Rule G-32”). The City will prepare, or cause to be prepared, a final Limited Offering Memorandum relating to the Bonds (as more particularly defined below, the “Limited Offering Memorandum”) which will be (i) dated the date of this Agreement, (ii) complete within the meaning of the United States Securities and Exchange Commission’s Rule 15c2-12, as amended (“Rule 15c2-12”), (iii) in a “designated electronic format,” and (iv) substantially in the form of the most recent version of the Preliminary Limited Offering Memorandum provided to the Underwriter before the execution hereof, except for the inclusion of the information permitted to be excluded from the Preliminary Limited Offering Memorandum by Section (b)(1) of Rule 15c2-12. The Limited Offering Memorandum, including the cover page thereto, all exhibits, schedules, appendices, maps, charts, pictures, diagrams, reports, and statements included or incorporated therein or attached thereto, and all amendments and supplements thereto that may be authorized for use with respect to the Bonds are collectively referred to herein as the “Limited Offering Memorandum.” Until the Limited Offering Memorandum has been prepared and is available for distribution, the City shall provide to the Underwriter, upon request, sufficient quantities (which may be in electronic format) of the Preliminary Limited Offering Memorandum as the Underwriter reasonably deems necessary to satisfy

the obligation of the Underwriter under Rule 15c2-12 with respect to distribution to each potential customer.

b. Preliminary Limited Offering Memorandum Deemed Final. The Preliminary Limited Offering Memorandum has been prepared for use by the Underwriter in connection with the public offering, sale, and distribution of the Bonds. The City hereby represents and warrants that the Preliminary Limited Offering Memorandum has been deemed “final” by the City as of its date, except for the omission of such information which is dependent upon the final pricing of the Bonds for completion, all as permitted to be excluded by Section (b)(1) of Rule 15c2-12.

c. Use of Limited Offering Memorandum in Offering and Sale. The City hereby authorizes the Limited Offering Memorandum and the information therein contained to be used by the Underwriter in connection with the public offering and the sale of the Bonds. The City consents to the use by the Underwriter prior to the date hereof of the Preliminary Limited Offering Memorandum in connection with the public offering of the Bonds. The City shall provide, or cause to be provided, to the Underwriter as soon as practicable after the date of the City’s acceptance of this Agreement (but, in any event, not later than the earlier of the Closing Date or seven (7) business days after the City’s acceptance of this Agreement) copies of the Limited Offering Memorandum which is complete as of the date of its delivery to the Underwriter. The City shall provide the Limited Offering Memorandum, or cause the Limited Offering Memorandum to be provided, (i) in a “designated electronic format” consistent with the requirements of Rule G-32 and (ii) in a printed format in such quantity as the Underwriter shall reasonably request in order for the Underwriter to comply with Section (b)(4) of Rule 15c2-12 and the rules of the MSRB.

d. Updating of Limited Offering Memorandum. If, after the date of this Agreement, up to and including the date the Underwriter is no longer required to provide a Limited Offering Memorandum to potential customers who request the same pursuant to Rule 15c2-12 (the earlier of (i) ninety (90) days from the “end of the underwriting period” (as defined in Rule 15c2-12) and (ii) the time when the Limited Offering Memorandum is available to any person from the MSRB, but in no case less than the twenty-fifth (25th) day after the “end of the underwriting period” for the Bonds), the City becomes aware of any fact or event which might or would cause the Limited Offering Memorandum, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, or if it is necessary to amend or supplement the Limited Offering Memorandum to comply with law, the City will promptly notify the Underwriter (and for the purposes of this clause provide the Underwriter with such information as it may from time to time reasonably request), and if, in the reasonable judgment of the Underwriter, such fact or event requires preparation and publication of a supplement or amendment to the Limited Offering Memorandum, the City will forthwith prepare and furnish, at no expense to the Underwriter (in a form and manner approved by the Underwriter), either an amendment or a supplement to the Limited Offering Memorandum so that the statements therein as so amended and supplemented will not contain any untrue statement

of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading or so that the Limited Offering Memorandum will comply with law; provided, however, that for all purposes of this Agreement and any certificate delivered by the City in accordance herewith, the City makes no representations with respect to the following information (collectively, the “Non-City Disclosures”) (i) the descriptions in the Preliminary Limited Offering Memorandum or the Limited Offering Memorandum of The Depository Trust Company, New York, New York (“DTC”), or its book-entry-only system, and (ii) the information in the Preliminary Limited Offering Memorandum or the Limited Offering Memorandum in the maps of the District therein or under the captions and subcaptions “PLAN OF FINANCE” (except for the information under the subcaptions “Additional Indebtedness – Prior Indebtedness” and “– The Bonds”), “LIMITATIONS APPLICABLE TO INITIAL PURCHASERS,” “BOOK-ENTRY ONLY SYSTEM,” “OVERLAPPING TAXES AND DEBT – Agricultural Valuation” and “– Homeowners’ Association Dues,” “THE IMPROVEMENT AREA #3 IMPROVEMENTS,” “THE DEVELOPMENT,” “THE DEVELOPER,” “THE ADMINISTRATOR,” “APPRAISAL OF PROPERTY WITHIN IMPROVEMENT AREA #3,” “BONDHOLDERS’ RISKS” (only as it pertains to the Developer, the Improvement Area #3 Improvements, and the Development (as defined in the Limited Offering Memorandum)), “LEGAL MATTERS – Litigation – The Developer,” “CONTINUING DISCLOSURE – The Developer” and “– The Developer’s Compliance with Prior Undertakings,” “INFORMATION RELATING TO THE TRUSTEE,” “SOURCES OF INFORMATION – Source of Certain Information,” “APPENDIX E-2,” and “APPENDIX H.” If such notification shall be subsequent to the Closing (defined herein), the City, at no expense to the Underwriter, shall furnish such legal opinions, certificates, instruments, and other documents as the Underwriter may reasonably deem necessary to evidence the truth and accuracy of such supplement or amendment to the Limited Offering Memorandum. The City shall provide any such amendment or supplement or cause any such amendment or supplement to be provided, (i) in a “designated electronic format” consistent with the requirements of Rule G-32 and (ii) in a printed format in such quantity as the Underwriter shall reasonably request in order for the Underwriter to comply with Section (b)(4) of Rule 15c2-12 and the rules of the MSRB.

e. Filing with MSRB. The Underwriter hereby agrees to timely file the Limited Offering Memorandum with the MSRB through its Electronic Municipal Market Access (“EMMA”) system within one (1) business day after receipt but no later than the Closing Date. Unless otherwise notified in writing by the Underwriter, the City can assume that the “end of the underwriting period” for purposes of Rule 15c2-12 is the Closing Date.

6. City Representations, Warranties and Covenants. The City represents, warrants, and covenants that:

a. Due Organization, Existence and Authority. The City is a political subdivision of the State of Texas (the “State”), and has, and at the Closing Date will have, full legal right, power, and authority:

- (i) to enter into and perform its duties and obligations under:
 - (1) this Agreement;
 - (2) the Indenture;

b. Due Authorization and Approval of City. By all necessary official action of the City, the City has duly authorized and approved the adoption or execution and delivery by the City of, and the performance by the City of the obligations on its part contained in, the City Documents and, as of the date hereof, such authorizations and approvals are in full force and effect and have not been amended, modified, or rescinded, except as may have been approved by the Underwriter. When validly executed and delivered by the other parties thereto, the City Documents will constitute the legally valid and binding obligations of the City enforceable upon the City in accordance with their

respective terms, except insofar as enforcement may be limited by principles of sovereign immunity, bankruptcy, insolvency, reorganization, moratorium, or similar laws or equitable principles relating to or affecting creditors' rights generally. The City has complied, and will at the Closing be in compliance, in all material respects, with the obligations on its part to be performed on or prior to the Closing Date under the City Documents.

To the City's knowledge, no event has occurred which, with the lapse of time or the giving of notice, or both, would constitute an event of default under the Bonds or the City Documents.

e. No Litigation. At the time of acceptance hereof there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body (collectively and individually, an "Action") pending against the City with respect to which the City has been served with process, nor to the knowledge of the City is any Action threatened against the City, in which any such Action (i) in any way questions the existence of the City or the rights of the members of

f. Bonds Issued Pursuant to Indenture. The City represents that the Bonds, when issued, executed, and delivered in accordance with the Indenture and sold to the Underwriter as provided herein, will be validly issued and outstanding obligations of the City subject to the terms of the Indenture, entitled to the benefits of the Indenture and the security of the pledge of the proceeds of the levy of the Assessments received by the City, all to the extent provided for in the Indenture. The Indenture creates a valid pledge of certain revenues and the monies in certain funds and accounts established pursuant to the Indenture to the extent provided for in the Indenture, including the investments thereof, subject in all cases to the provisions of the Indenture permitting the application thereof for the purposes and on the terms and conditions set forth therein.

g. Assessments. h. Consents and Approvals. All authorizations, approvals, licenses, permits, consents, elections, and orders of or filings with any governmental authority, legislative body, board, agency, or commission having jurisdiction in the matters which are required by the Closing Date for the due authorization of, which would constitute a condition precedent to or the absence of which would adversely affect the due performance by the City of, its obligations in connection with the City Documents have been duly obtained or made and are in full force and effect, except the approval of the Bonds by the Attorney General of the State, registration of the Bonds by the Comptroller of Public Accounts of the State, and the approvals, consents and orders as may be required under Blue Sky or securities laws of any jurisdiction.

i. Public Debt. Prior to the Closing, the City will not offer or issue any bonds, notes or other obligations for borrowed money or incur any material liabilities, direct or contingent, payable from or secured by a pledge of the Assessments which secure the Bonds without the prior approval of the Underwriter.

j. Preliminary Limited Offering Memorandum. The information contained in the Preliminary Limited Offering Memorandum is true and correct in all material respects, and such information does not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that the City makes no representations with respect to the Non-City Disclosures.

k. Limited Offering Memorandum. At the time of the City's acceptance hereof and (unless the Limited Offering Memorandum is amended or supplemented pursuant to paragraph (d) of Section 5 of this Agreement) at all times subsequent thereto during the period up to and including the twenty-fifth (25th) day subsequent to the "end of the underwriting period," the information contained in the Limited Offering Memorandum does not and will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that the City makes no representations with respect to the Non-City Disclosures; and further provided, however, that if the City notifies the Underwriter of any fact or event as required by Section 5(d) hereof, and the Underwriter determines that such fact or event does not require preparation and publication of a supplement or amendment to the Limited Offering Memorandum, then the Limited Offering Memorandum in its then-current form shall be conclusively deemed to be complete and correct in all material respects.

l. Supplements or Amendments to Limited Offering Memorandum. If the Limited Offering Memorandum is supplemented or amended pursuant to paragraph (d) of Section 5 of this Agreement, at the time of each supplement or amendment thereto and (unless subsequently again supplemented or amended pursuant to such paragraph) at all times subsequent thereto during the period up to and including the twenty-fifth (25th) day subsequent to the "end of the underwriting period," the Limited Offering Memorandum as so supplemented or amended will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that if the City notifies the Underwriter of any fact or event as required by Section 5(d) hereof, and the Underwriter determines that such fact or event does not require preparation and publication of a supplement or amendment to the Limited Offering Memorandum, then the Limited Offering Memorandum in its then-current form shall be conclusively deemed to be complete and correct in all material respects.

n. Use of Bond Proceeds. The City will apply, or cause to be applied, the proceeds from the sale of the Bonds as provided in and subject to all of the terms and

provisions of the Indenture and will not take or omit to take any action which action or omission will adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Bonds.

o. Blue Sky and Securities Laws and Regulations. The City will furnish such information and execute such instruments and take such action in cooperation with the Underwriter as the Underwriter may reasonably request, at no expense to the City, (i) to (y) qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions in the United States as the Underwriter may designate and (z) determine the eligibility of the Bonds for investment under the laws of such states and other jurisdictions and (ii) to continue such qualifications in effect so long as required for the initial distribution of the Bonds by the Underwriter (provided, however, that the City will not be required to qualify as a foreign corporation or to file any general or special consents to service of process under the laws of any jurisdiction) and will advise the Underwriter immediately of receipt by the City of any notification with respect to the suspension of the qualification of the Bonds for sale in any jurisdiction or the initiation or threat of any proceeding for that purpose.

r. Financial Advisor. The City has engaged Hilltop Securities Inc. as its financial advisor (the “Financial Advisor”) in connection with its offering and issuance of the Bonds.

By delivering the Limited Offering Memorandum to the Underwriter, the City shall be deemed to have reaffirmed, with respect to the Limited Offering Memorandum, the representations, warranties, and covenants set forth above.

(xi) a general banking moratorium shall have been declared by federal or State authorities having jurisdiction and shall be in force; or

(xiii) a decision by a court of the United States shall be rendered, or a stop order, release, regulation or no-action letter by or on behalf of the Securities and Exchange Commission or any other governmental agency having jurisdiction of the subject matter shall have been issued or made, to the effect that the issuance, offering or sale of the Bonds, including the underlying obligations as described in this Agreement or in the Limited Offering Memorandum, or any document relating to the issuance, offering or sale of the Bonds, is or would be in violation of any provision of the federal securities laws on the Closing Date, including the Securities Act, the Securities Exchange Act of 1934 and the Trust Indenture Act; or

necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that such counsel expressly excludes from the scope of this paragraph and expresses no view with respect to both the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum about any CUSIP numbers, financial, accounting, statistical, economic, engineering or demographic data or forecasts, numbers, charts, tables, graphs, estimates, projections, assumptions or expressions of opinion, any information about verification, feasibility, valuation, appraisals, absorption, real estate or environmental matters, relationship among the parties, litigation, Appendices, or any information about book-entry, DTC, Cede & Co., limitations applicable to initial purchasers, financial advisor, trustee, tax exemption, underwriters, or underwriting included or referred to therein or omitted therefrom. 24. Underwriter Standing Letter and Bringdown Verification. The Underwriter represents that it has, or will have prior to the date of Closing, on file with the Texas Attorney General a standing letter addressing the representation and verifications contained in Section 22 of this Agreement in a form accepted by the Texas Attorney General. In addition, if the Underwriter or the parent company, a wholly- or majority-owned subsidiary or another affiliate of the Underwriter receives or has received a letter from the Texas Comptroller of Public Accounts pursuant to Chapter 809, Texas Government Code seeking written verification that it does not boycott energy companies (a “Comptroller Request Letter”), such Underwriter shall promptly notify the City and Bond Counsel (if it has not already done so) and provide to the City or Bond Counsel, two Business Days prior to Closing and additionally upon request by the City or Bond Counsel, written verification to the effect that its standing letter described in the preceding sentence remains in effect and may be relied upon by the City and the Texas Attorney General (the “Bringdown Verification”). The Bringdown Verification shall also confirm that the Underwriter (or the parent company, a wholly- or majority-owned subsidiary or other affiliate of the Underwriter that received the Comptroller Request Letter) intends to timely respond or has timely responded to the Comptroller Request Letter. The Bringdown Verification may be in the form of an e-mail.

25. Counterparts. This Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument. Frisco, Texas 75034

Ladies and Gentlemen:

This letter is being delivered to the City of Justin, Texas (the "City") and FMSbonds, Inc. (the "Underwriter"), in consideration for your entering into the Bond Purchase Agreement dated the date hereof (the "Bond Purchase Agreement") for the sale and purchase the \$6,381,000 "City of Justin, Texas, Special Assessment Revenue Bonds, Series 2025 (Timberbrook Public Improvement District No. 1 Improvement Area #3 Project)" (the "Bonds"). Pursuant to the Bond Purchase Agreement, the Underwriter has agreed to purchase from the City, and the City has agreed to sell to the Underwriter, the Bonds. In order to induce the City to enter into the Bond Purchase Agreement and as consideration for the execution, delivery, and sale of the Bonds by the City and the purchase of them by the Underwriter, Bloomfield Homes, L.P., a Texas limited partnership (the "Developer"), makes the representations, warranties, and covenants contained in this Developer's Letter of Representations. Unless the context clearly indicates otherwise, each capitalized term used in this Developer's Letter of Representations will have the meaning set forth in the Bond Purchase Agreement.

1. Purchase and Sale of Bonds. Inasmuch as the purchase and sale of the Bonds represents a negotiated transaction, the Developer understands, and hereby confirms, that the Underwriter is not acting as a fiduciary of the Developer, but rather is acting solely in its capacity as Underwriter of the Bonds for its own account.

2. Updating of the Limited Offering Memorandum. If, after the date of this Developer's Letter of Representations, up to and including the date the Underwriter is no longer

required to provide a Limited Offering Memorandum to potential customers who request the same pursuant to Rule 15c2-12 (the earlier of (i) ninety (90) days from the “end of the underwriting period” (as defined in Rule 15c2-12) and (ii) the time when the Limited Offering Memorandum is available to any person from the MSRB, but in no case less than twenty-five (25) days after the “end of the underwriting period” for the Bonds), the Developer becomes aware of any fact or event which might or would cause the Limited Offering Memorandum, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, or if it is necessary to amend or supplement the Limited Offering Memorandum to comply with law, the Developer will notify the Underwriter (and for the purposes of this clause provide the Underwriter with such information as it may from time to time request); however, that for the purposes of this Developer’s Letter of Representations and any certificate delivered by the Developer in accordance with the Bond Purchase Agreement, the Developer makes no representations with respect to the information appearing in the Preliminary Limited Offering Memorandum or the Limited Offering Memorandum except for the information set forth in the maps of the District therein and under the captions and subcaptions “PLAN OF FINANCE” (except for the subcaptions “Additional Indebtedness – Prior Indebtedness,” “Additional Indebtedness – Future Indebtedness” (second and third paragraph), and “The Bonds”), “OVERLAPPING TAXES AND DEBT – Agricultural Valuation” (third paragraph only) and “– Homeowners’ Association Dues,” “THE IMPROVEMENT AREA #3 IMPROVEMENTS,” “THE DEVELOPMENT,” “THE DEVELOPER” and, to the Developer’s knowledge after due inquiry, under the captions “BONDHOLDERS’ RISKS” (only as it pertains to Developer, the Improvement Area #3 Improvements, and the Development (as defined in the Limited Offering Memorandum)), “LEGAL MATTERS – Litigation – The Developer,” “CONTINUING DISCLOSURE – The Developer” and “– The Developer’s Compliance with Prior Undertakings,” “SOURCES OF INFORMATION – Source of Certain Information,” “APPENDIX E-2,” “APPENDIX F,” and “APPENDIX G” (collectively, the “Developer Disclosures”) in accordance with subsection 4(f) herein.

3. Developer Documents. The Developer has executed and delivered each of the below listed documents (individually, a “Developer Document” and collectively, the “Developer Documents”) in the capacity provided for in each such Developer Document, and each such Developer Document constitutes a valid and binding obligation of the Developer, enforceable against the Developer in accordance with its terms:

- f. the Continuing Disclosure Agreement of Developer with respect to the Bonds, dated as of September 1, 2025, executed and delivered by the Developer, P3Works, LLC, as Administrator, and HTS Continuing Disclosure Services, a division of Hilltop Securities Inc., as Dissemination Agent.

The Developer has complied in all material respects with all of the Developer's agreements and covenants and satisfied all conditions required to be complied with or satisfied by the Developer under the Developer Documents on or prior to the date hereof.

The representations and warranties of the Developer contained in the Developer Documents are true and correct in all material respects on and as of the date hereof.

4. Developer Representations, Warranties and Covenants. The Developer represents, warrants, and covenants to the City and the Underwriter that:

a. Due Organization and Existence. The Developer is duly formed and validly existing as a limited partnership under the laws of the State of Texas and is authorized to do business in the State of Texas.

c. No Breach. The execution and delivery of the Developer Documents by the Developer does not violate any judgment, order, writ, injunction or decree binding on the Developer or any indenture, agreement, or other instrument to which the Developer is a party.

d. No Litigation. Other than as described in the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum, there are no proceedings pending or threatened in writing before any court or administrative agency against the Developer that are either not covered by insurance or which singularly or collectively would have a material, adverse effect on the ability of the Developer to perform its obligations under the Developer Documents in all material respects or that would reasonably be expected to prevent or prohibit the development of the District in accordance with the description thereof in the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum.

e. Information. The information prepared and submitted by the Developer to the City or the Underwriter in connection with the preparation of the

Preliminary Limited Offering Memorandum and the Limited Offering Memorandum was, and is, as of this date, true and correct in all material respects.

The Developer represents and warrants that the information set forth in the Developer Disclosures in the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum is true and correct and does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. The Developer agrees to provide a certificate dated the Closing Date affirming, as of such date, the representations contained in this subsection (f) with respect to the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum.

g. Events of Default. No “Event of Default” or “event of default” by the Developer under any of the Developer Documents, any documents to which the Developer is a party described in the Limited Offering Memorandum, or under any material documents relating to the financing and construction of the Improvement Area #3 Improvements to which the Developer is a party, or event that, with the passage of time or the giving of notice or both, would constitute such “Event of Default” or “event of default” by the Developer has occurred and is continuing.

5. Indemnification.

a. The Developer will indemnify and hold harmless the City and the Underwriter and each of their officers, directors, employees and agents against any losses, claims, damages or liabilities to which any of them may become subject, under the Securities Act of 1933 or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained or incorporated by reference in the Developer Disclosures in the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum, or any amendment or supplement to the Limited Offering Memorandum amending or supplementing the information contained under the aforementioned captions (as qualified above), or arise out of or are based upon the omission, untrue statement or alleged untrue statement or omission to state therein a material fact necessary to make the statements under the aforementioned captions (as qualified above) not misleading under the circumstances under which they were made and will reimburse any indemnified party for any reasonable legal or other expenses reasonably incurred by them in connection with investigating or defending any such action or claim as such expenses are incurred.

b. Promptly after receipt by an indemnified party under subsection (a) above of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve the indemnifying party from any liability which it may have to the indemnified party otherwise than under such subsection, unless such indemnifying party was prejudiced by such delay or lack of notice. In case any such action shall be brought against

an indemnified party, it shall promptly notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party under such subsection for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. The indemnifying party shall not be liable for any settlement of any such action effected without its consent, but if settled with the consent of the indemnifying party or if there is a final judgment for the plaintiff in any such action, the indemnifying party will indemnify and hold harmless any indemnified party from and against any loss or liability by reason of such settlement or judgment. The indemnity herein shall survive delivery of the Bonds and shall survive any investigation made by or on behalf of the City, the Developer, or the Underwriter.

6. Survival of Representations, Warranties and Covenants. All representations, warranties, and agreements in this Developer's Letter of Representations will survive regardless of (a) any investigation or any statement in respect thereof made by or on behalf of the Underwriter, (b) delivery of any payment by the Underwriter for the Bonds hereunder, and (c) any termination of the Bond Purchase Agreement.

7. Binding on Successors and Assigns. (i) Such other documents, records, agreements, or certificates as we have deemed necessary or appropriate to enable us to render the opinions expressed below.

The Creation Resolution, the Assessment Ordinance, the Indenture, and the Bond Ordinance shall hereinafter be collectively referred to as the “Authorizing Documents” and the remaining documents shall hereinafter be collectively referred to as the “City Documents.”

In all such examinations, we have assumed that all signatures on documents and instruments executed by the City are genuine and that all documents submitted to us as copies conform to the originals. In addition, for purposes of this opinion, we have assumed the due authorization, execution, and delivery of the City Documents by all parties other than the City.

Based upon and subject to the foregoing and the additional qualifications and assumptions set forth herein, We are of the opinion that:

1. The City is a Texas political subdivision and has all necessary power and authority to enter into and perform its obligations under the Authorizing Documents and the City Documents. The City has taken or obtained all actions, approvals, consents, and authorizations required of it by applicable laws in connection with the execution of the Authorizing Documents and the City Documents and the performance of its obligations thereunder.

2. To the best of our knowledge, there is no action, suit, proceeding, inquiry or investigation at law or in equity, before or by any court, public board or body, pending, or

threatened against the City: (a) affecting the existence of the City or the titles of its officers to their respective offices, (b) in any way questioning the formation or existence of the District, (c) affecting, contesting or seeking to prohibit, restrain or enjoin the delivery of any of the Bonds, or the payment, collection or application of any amounts pledged or to be pledged to pay the principal of and interest on the Bonds, including the Assessments in Improvement Area #3 of the District pursuant to the provisions of the Assessment Ordinance and the Service and Assessment Plan referenced therein, (d) contesting or affecting the validity or enforceability or the City's performance of the City Documents, (e) contesting the exclusion of the interest on the Bonds from federal income taxation, or (f) which may result in any material adverse change relating to the financial condition of the City.

3. The Authorizing Documents were duly enacted by the City and remain in full force and effect on the date hereof.

4. The City Documents have been duly authorized, executed and delivered by the City and are legal, valid, and binding obligations of the City enforceable against the City in accordance with their respective terms. However, the enforceability of the obligations of the City under such City Documents may be limited or otherwise affected by (a) bankruptcy, insolvency, reorganization, moratorium, and other laws affecting the rights of creditors generally, (b) principles of equity, whether considered at law or in equity, or (c) the application of State law relating to action by future councils and relating to governmental immunity applicable to governmental entities.

5. The performance by the City of the obligations under the Authorizing Documents and the City Documents will not violate any provision of any Federal or Texas constitutional or statutory provision.

6. No further consent, approval, authorization, or order of any court or governmental agency or body or official is required to be obtained by the City as a condition precedent to the performance by the City of its obligations under the Authorizing Documents and the City Documents (other than those that have been or will be obtained prior to the delivery of the Bonds, including the opinion of the Texas Attorney General).

7. The City has duly authorized and delivered the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum.

8. Based upon our limited participation in the preparation of the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum, the statements and information contained in the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum with respect to the City under the captions and subcaptions "ASSESSMENT PROCEDURES – Assessment Methodology" and " – Assessment Amounts," "THE CITY," "THE DISTRICT" (except for the subcaptions "Collection and Delinquency History of the Timberbrook Development," "Prepayment History," and "Foreclosure History"), "THE DEVELOPMENT – Development Agreement," "LEGAL MATTERS – Litigation – The City," and "CONTINUING DISCLOSURE – The City" are a fair and accurate summary of the laws and the documents and facts summarized therein.

9. The adoption of the Authorizing Documents, the execution and delivery of the City Documents and the compliance with the provisions of the Authorizing Documents and the City Documents under the circumstances contemplated thereby, to the best of our knowledge: (a) do not and will not in any material respect conflict with or constitute on the part of the City a breach of or default under any agreement to which the City is a party or by which it is bound, and (b) do not and will not in any material respect conflict with or constitute on the part of the City a violation, breach of or default under any existing law, regulation, constitutional provision, court order or consent decree to which the City is subject.

We express no opinion as to the laws of any jurisdiction other than the laws of Texas and the laws of the United States of America. The opinions expressed above concern only the effect of the laws (excluding the principles of conflict of laws) of Texas and the United States of America as currently in effect.

We assume there are no material misstatements in the legal opinions delivered by the other parties and entities to this transaction; and further specifically rely upon Bond Counsel to the City with regard to the Bond Ordinance, Indenture, bond purchase agreement or other documents prepared, delivered or executed in connection with the Bonds and Bond documents, and the Attorney General's review and approval of the transaction.

This opinion letter has been rendered solely for the benefit of the addressees named above in connection with the transactions described therein, and may not be used, circulated, quoted, relied upon or otherwise referred to for any other purpose or by any other person without our prior written consent. In basing the opinions and other matters set forth herein on “our knowledge,” the words “our knowledge” signify that, in the course of our representation of the Developer the principal attorneys in this firm involved in the current actual transaction do not have actual knowledge or actual notice that any such opinions or other matters are not accurate or that any of the documents, certificates, reports and information on which we have relied are not accurate and complete. Except as otherwise stated herein, we have undertaken no independent investigation or certification of such matters. The words “our knowledge” and similar language used herein

are intended to be limited to the knowledge of the attorneys within our firm who have worked on the matters contemplated by our representation as special counsel.

In rendering the opinions set forth herein, we have assumed, without independent investigation (other than the Developer), that: (i) the due authorization, execution, and delivery of each of the documents referred to in this opinion letter by all parties thereto (other than the authorization, execution, and delivery by the Developer) and that each such document constitutes a valid, binding, and enforceable obligation of each party (other than the Developer) thereto, (ii) all of the parties to the documents referred to in this opinion letter are duly organized, validly existing, in good standing and have the requisite power, authority (corporate, limited liability company, partnership or other) and legal right to execute, deliver, and perform its obligations under such documents (except to the extent set forth in our opinions set forth herein regarding valid existence and power and authority of the Developer to execute, deliver, and perform its obligations under the Material Documents), (iii) each certificate from governmental officials reviewed by us is accurate, complete, and authentic, and all official public records are accurate and complete, (iv) the legal capacity of all natural persons, (v) the genuineness of all signatures (other than those of the Developer in respect of the Material Documents), (vi) the authenticity and accuracy of all documents submitted to us as originals, (vii) the conformity to original documents of all documents submitted to us as photostatic or certified copies, (viii) that no laws or judicial, administrative, or other action of any governmental entity of any jurisdiction not expressly opined to herein would adversely affect the opinions set forth herein, and (ix) that the execution and delivery by each party of, and performance of its agreements in, the Material Documents do not breach or result in a default under any existing obligation of such party under any agreements, contracts or instruments to which such party is a party to or otherwise subject to or any order, writ, injunction, or decree of any court applicable to such party.

In addition, we have assumed that the Material Documents accurately reflect the complete understanding of the parties with respect to the transactions contemplated thereby and the rights and obligations of the parties thereunder. We have also assumed that the terms and conditions of the transaction as reflected in the Material Documents have not been amended, modified, or supplemented, directly or indirectly, by any other agreement or understanding of the parties or waiver of any of the material provisions of the Material Documents.

We assume that none of the parties to the Material Documents (other than the Developer) is a party to any court or regulatory proceeding relating to or otherwise affecting the Material Documents or is subject to any order, writ, injunction, or decree of any court or federal, state, or local governmental agency or commission that would prohibit the execution and delivery of the Material Documents, or the consummation of the transactions therein contemplated in the manner therein provided, or impair the validity or enforceability thereof. We assume that each of the parties to the Material Documents (other than the Developer) has full authority to close this transaction in accordance with the terms and provisions of the Material Documents.

We assume that neither the Underwriter nor the City nor their respective counsel has any current actual knowledge of any facts not known to us or any law or judicial decision which would make the opinions set forth herein incorrect, and that no party upon whom we have relied for purposes of this opinion letter has perpetrated a fraud.

We have only been engaged by our clients in connection with the Material Documents (and the transactions contemplated in the Material Documents) and do not represent these clients generally.

II. Opinions and Assurances

(b) The Developer has the power and authority to execute and deliver the Material Documents to which it is a party, and to perform its obligations thereunder.

(c) The execution and delivery by the Developer of the Material Documents to which it is a party, and the performance by the Developer of its obligations under the Material Documents will not (i) violate any applicable law; or (ii) conflict with or result in the breach of any court decree or order of any governmental body identified in the Developer Certificate or otherwise actually known to the lawyers who have provided substantive attention to the representation reflected in this opinion binding upon or affecting the Developer, the conflict with which or breach of which would have a material, adverse effect on the ability of the Developer to perform its obligations under the Material Documents to which it is a party.

(d) To our knowledge, no governmental approval which has not been obtained is required to be obtained by the Developer on or before the date hereof as a condition to the performance by the Developer of its obligations under the Material Documents to which it is a party, except for governmental approvals that may be required to comply with certain covenants contained in the Material Documents (including, without limitation, covenants to comply with applicable laws).

The execution, delivery, and performance by the Developer of its obligations under the Material Documents do not violate any existing laws of the State of Texas applicable to the Developer.

(f) To our knowledge, there are no actions, suits, or proceedings pending or threatened against the Developer identified in the Developer Certificate, or otherwise actually known to the lawyers who have provided substantive attention to the representation reflected in this opinion in any court of law or equity, or before or by any governmental instrumentality with respect to: (i) its organization or existence or qualification to do business in the State of Texas; (ii) its authority to execute or deliver the Material Documents to which it is a party; (iii) the titles

or omitted or omits to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

III. Qualifications

In addition to any assumptions, qualifications, and other matters set forth elsewhere herein, the opinions set forth above are subject to the following assumptions and qualifications:

(a) We have not examined any court dockets, agency files or other public records regarding the entry of any judgments, writs, decrees, or orders or the pendency of any actions, proceedings, investigations, or litigation.

(b) We have relied upon the Developer Certificate, as well as the representations of the Developer contained in the Material Documents, with respect to certain facts material to our opinion. Except as otherwise specifically indicated herein, we have made no independent investigation regarding any of the foregoing documents, or the representations contained therein. With respect to our opinion in II(a) relating to the Developer's good standing, we have relied solely on a Certificate of Fact being issued by the Secretary of State of Texas with respect to the Developer and an online search of the Franchise Tax Account Status page of the website of the Texas Comptroller of Public Accounts which indicated the right of the Developer to do business in the State of Texas is intact.

(c) Our opinion is subject to the effect of any applicable bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium or other laws affecting creditors' rights generally and to the effect of general principles of equity, including (without limitation) remedies of specific performance and injunctive relief and concepts of materiality, reasonableness, good faith, and fair dealing (regardless of whether considered in a proceeding in equity or at law).

(d) Except for the Material Documents, we have not reviewed, and express no opinion as to, any other contracts or agreements to which the Developer is a party or by which the Developer is or may be bound.

(e) The opinions expressed herein are based upon and limited to the applicable laws of the State of Texas and the laws of the United States of America, excluding the principles of conflicts of laws thereof, as in effect as of the date hereof, and our knowledge of the facts relevant to such opinions on such date. In this regard, we note that we are members of the Bar of the State of Texas, we do not express any opinion herein as to matters governed by the laws of any other jurisdiction, except the United States of America, we do not purport to be experts in any other laws, and we can accept no responsibility for the applicability or effect of any such laws. In addition, we assume no obligation to supplement the opinions expressed herein if any applicable laws change after the date hereof, or if we become aware of any facts or circumstances that affect the opinions expressed herein.

(f) This letter is strictly limited to the matters expressly set forth herein and no statements or opinions should be inferred beyond such matters.

(g) Notwithstanding anything contained herein to the contrary, we express no opinion whatsoever concerning the status of title to any real or personal property.

(h) The opinions expressed herein regarding the enforceability of the Material Documents are subject to the qualification that certain of the remedial, waiver or other provisions thereof may not be enforceable; but such unenforceability will not, in our judgment, render the Material Documents invalid as a whole or substantially interfere with the practical realization of the principal legal benefits provided in the Material Documents, except to the extent of any economic consequences of any procedural delays which may result therefrom.

(i) The opinion expressed herein as to the enforceability of the Material Documents is specifically subject to the qualification that enforceability of the Material Documents is limited by the following: (i) the rights of the United States under the Federal Tax Lien Act of 1966, as amended; (ii) principles of equity, public policy and unconscionability which may limit the availability of certain remedies; (iii) bankruptcy, insolvency, reorganization, fraudulent conveyance, liquidation, probate, conservatorship, and other laws applicable to creditors' rights or the collection of debtors' obligations generally; and (iv) requirements of due process under the United States Constitution, the Constitution of the State of Texas, and other laws or court decisions limiting the rights of creditors to repossess, foreclose, or otherwise realize upon the property of a debtor without appropriate notice or hearing or both.

(j) We express no opinion as to whether a court would grant specific performance or any other equitable remedy with respect to the enforcement of the Material Documents.

(k) We express no opinion as to the validity, binding effect, or enforceability of: (i) provisions which purport to waive rights or notices, including rights to trial by jury, counterclaims or defenses, jurisdiction, or venue; (ii) provisions relating to consent judgments, waivers of defenses or the benefits of statutes of limitations, marshaling of assets, the transferability of any assets which by their nature are nontransferable, sales in inverse order of alienation, or severance; (iii) provisions purporting to waive the benefits of present or of future laws relating to exemptions, appraisal, valuation, stay of execution, redemption, extension of time for payment, setoff, and similar debtor protection laws; or (iv) provisions requiring a party to pay fees and expenses regardless of the circumstances giving rise to such fees or expenses or the reasonableness thereof.

(l) The opinions expressed herein are subject to the effect of generally applicable rules of law that provide that forum selection clauses in contracts are not necessarily binding on the court(s) in the forum selected.

(m) We express no opinion as to the enforceability of any provisions in the Material Documents purporting to entitle a party to indemnification in respect of any matters arising in whole or in part by reason of any negligent, illegal, or wrongful act or omission of such party.

This opinion is furnished to those parties addressed in this letter solely in connection with the transactions, for the purposes and on the terms described above and may not be relied upon for any other purpose or by any other person in any manner or for any purpose.

Very truly yours,

In the event the Issuer fails to provide the Dissemination Agent with such a report, the Dissemination Agent shall file a notice of failure to file no later than the applicable Annual Collections Report Filing Date.

(b) The Annual Collections Report for the Bonds shall contain, and the Issuer agrees to provide or cause to be provided to the Dissemination Agent to file by the Annual Collections Report Filing Date, certain financial information and operating data with respect to collection of the Assessments of the general type and in substantially similar form to that shown in the tables provided in Exhibit C attached hereto. Such information shall cover the period beginning the first (1st) day of the Fiscal Year succeeding the reporting Fiscal Year through the Collections Reporting Date. If the State Legislature amends the definition of Delinquency Date or Tax Year, the Issuer shall file notice of such change or changes with the MSRB prior to the next Annual Collections Report Filing Date. The Administrator, and if no Administrator is designated, Issuer's staff, shall prepare the Annual Collections Report. In all cases, the Issuer shall have the sole responsibility for the content, design, and other elements comprising substantive contents of the Annual Collections Report under this Section 5.

SECTION 6. Reporting of Significant Events.

(a) Pursuant to the provisions of this Section 6, each of the following is a Listed Event with respect to the Bonds:

1. Principal and interest payment delinquencies.
2. Non-payment related defaults, if material.
3. Unscheduled draws on debt service reserves reflecting financial difficulties.
4. Unscheduled draws on credit enhancements reflecting financial difficulties.
5. Substitution of credit or liquidity providers, or their failure to perform.

6. Adverse tax opinions, the issuance by the IRS of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds.

7. Modifications to rights of Owners, if material.

8. Bond calls, if material, and tender offers.

9. Defeasances.

10. Release, substitution, or sale of property securing repayment of the Bonds, if material.

11. Rating changes.

12. Bankruptcy, insolvency, receivership or similar event of the Issuer.

13. The consummation of a merger, consolidation, or acquisition of the Issuer, or the sale of all or substantially all of the assets of the Issuer, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material.

14. Appointment of a successor or additional trustee under the Indenture or the change of name of a trustee, if material.

15. Incurrence of a Financial Obligation of the Issuer, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of the Issuer, any of which affect security holders, if material.

16. Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the Issuer, any of which reflect financial difficulties.

Any sale by the Developer of real property within Improvement Area #3 in the ordinary course of the Developer's business will not constitute a Listed Event for the purposes of paragraph (10) above.

For these purposes, any event described in paragraph (12) above is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the Issuer in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the Issuer, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Issuer.

The Issuer intends the words used in paragraphs (15) and (16) above and the definition of Financial Obligation to have the same meanings as when they are used in the Rule, as evidenced by SEC

Release No. 34-83885, dated August 20, 2018. For the avoidance of doubt, the incurrence of Additional Obligations without the filing of a corresponding official statement with the MSRB will constitute the incurrence of a material Financial Obligation for which a notice of a Listed Event in accordance with this Section 6 must be filed with the MSRB.

Upon the occurrence of a Listed Event, the Issuer shall promptly notify the Dissemination Agent in writing and the Issuer shall direct the Dissemination Agent to file a notice of such occurrence with the MSRB. The Dissemination Agent shall file such notice no later than one Business Day immediately following the day on which it receives written notice of such occurrence from the Issuer. Any such notice is required to be filed within ten (10) Business Days of the occurrence of such Listed Event; provided, however, the failure of the Issuer to provide timely written notice to the Dissemination Agent in accordance with this paragraph shall not constitute a failure of the Dissemination Agent to comply with the MSRB's ten (10) Business Day filing requirement.

Any notice under the preceding paragraphs shall be accompanied with the text of the disclosure that the Issuer desires to make, the written authorization of the Issuer for the Dissemination Agent to disseminate such information as provided herein, and the date the Issuer desires for the Dissemination Agent to disseminate the information.

In all cases, the Issuer shall have the sole responsibility for the content, design and other elements comprising substantive contents of all disclosures made under this Section 6. In addition, the Issuer shall have the sole responsibility to ensure that any notice required to be filed under this Section 6 is filed within ten (10) Business Days of the occurrence of the Listed Event.

(b) The Dissemination Agent shall, promptly, and not more than five (5) Business Days after obtaining actual knowledge of the occurrence of any Listed Event with respect to the Bonds, notify the Disclosure Representative in writing of such Listed Event. The Dissemination Agent shall not be required to file a notice of the occurrence of such Listed Event with the MSRB unless and until it receives written instructions from the Disclosure Representative to do so. If the Dissemination Agent has been instructed in writing by the Disclosure Representative on behalf of the Issuer to report the occurrence of a Listed Event under this subsection (b), the Dissemination Agent shall file a notice of such occurrence with the MSRB no later than one (1) Business Day following the day on which it receives such written instructions. It is agreed and understood that the duty to make or cause to be made the disclosures herein is that of the Issuer and not that of the Dissemination Agent. It is agreed and understood that the Dissemination Agent has agreed to give the foregoing notice to the Issuer as an accommodation to assist it in monitoring the occurrence of such event, but is under no obligation to investigate whether any such event has occurred. As used above, "actual knowledge" means the actual fact or statement of knowing, without a duty to make any investigation with respect thereto. In no event shall the Dissemination Agent be liable in damages or in tort to the Issuer, the Participating Underwriter, the Trustee, any Owner or beneficial owner of any interests in the Bonds, or any other party as a result of its failure to give the foregoing notice or to give such notice in a timely fashion.

(c) If in response to a notice from the Dissemination Agent under subsection (b), the Issuer determines that the Listed Event under number 2, 7, 8 (as to bond calls only), 10, 13, 14, or 15 of subparagraph (a) above is not material under applicable federal securities laws, the Issuer shall promptly, but in no case more than five (5) Business Days after the occurrence of the event, notify the

Dissemination Agent and the Trustee (if the Dissemination Agent is not the Trustee) in writing and instruct the Dissemination Agent not to report the occurrence pursuant to subsection (b).

SECTION 7. Termination of Reporting Obligations. The obligations of the Issuer, the Administrator, and the Dissemination Agent under this Disclosure Agreement shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds, when the Issuer is no longer an obligated person with respect to the Bonds, or upon delivery by the Disclosure Representative to the Dissemination Agent and the Administrator of an opinion of nationally recognized bond counsel to the effect that continuing disclosure is no longer required. So long as any of the Bonds remain Outstanding, the Administrator and the Dissemination Agent may assume that the Issuer is an obligated person with respect to the Bonds until they receive written notice from the Disclosure Representative stating that the Issuer is no longer an obligated person with respect to the Bonds, and the Dissemination Agent and the Administrator may conclusively rely upon such written notice with no duty to make investigation or inquiry into any statements contained or matters referred to in such written notice. If such termination occurs prior to the final maturity of the Bonds, the Issuer shall give notice of such termination in the same manner as for a Listed Event with respect to the Bonds under Section 6(a).

SECTION 8. Dissemination Agent. The Issuer may, from time to time, appoint or engage a Dissemination Agent or successor Dissemination Agent to assist it in carrying out its obligations under this Disclosure Agreement, and may discharge such Dissemination Agent, with or without appointing a successor Dissemination Agent. If the Issuer discharges the Dissemination Agent without appointing a successor Dissemination Agent, the Issuer shall use best efforts to appoint a successor Dissemination Agent within 30 days of such discharge. The Dissemination Agent may resign at any time with 30 days' written notice to the Issuer. If at any time there is not any other designated Dissemination Agent, the Issuer shall be the Dissemination Agent.

SECTION 9. Amendment; Waiver. Notwithstanding any other provisions of this Disclosure Agreement, the Issuer, the Administrator, and the Dissemination Agent may amend this Disclosure Agreement (and the Dissemination Agent shall not unreasonably withhold its consent to any amendment so requested in writing by the Issuer or the Administrator), and any provision of this Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions of Sections 3(a), 4, 5, or 6(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Bonds, or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the delivery of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Owners of the Bonds in the same manner as provided in the Indenture for amendments to the Indenture with the consent of Owners, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Owners or beneficial owners of the Bonds.

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the Issuer shall describe such amendment in the next related Annual Financial Information, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the Issuer. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event under Section 6(a), and (ii) the Annual Financial Information for the Fiscal Year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. No amendment which adversely affects the Dissemination Agent may be made without its prior written consent (which consent will not be unreasonably withheld or delayed).

SECTION 10. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the Issuer from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Financial Information, Annual Financial Statements, Annual Collections Report, or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If the Issuer chooses to include any information in any Annual Financial Information, Annual Financial Statements, Annual Collections Report, or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, the Issuer shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Financial Information, Annual Financial Statements, Annual Collections Report, or notice of occurrence of a Listed Event.

SECTION 11. Default. In the event of a failure of the Issuer to comply with any provision of this Disclosure Agreement, the Dissemination Agent or any Owner or beneficial owner of the Bonds may, and the Dissemination Agent (at the written request of any Participating Underwriter or the Owners of at least twenty-five percent (25%) aggregate principal amount of Outstanding Bonds and upon being indemnified to its satisfaction) shall, take such actions as may be necessary and appropriate to cause the Issuer to comply with its obligations under this Disclosure Agreement. A default under this Disclosure Agreement shall not be deemed an Event of Default under the Indenture with respect to the Bonds, and the sole remedy under this Disclosure Agreement in the event of any failure of the Issuer to comply with this Disclosure Agreement shall be an action for mandamus or specific performance. A default under this Disclosure Agreement shall not be deemed a default under the Disclosure Agreement of Developer and a default under the Disclosure Agreement of Developer shall not be deemed a default under this Disclosure Agreement.

SECTION 12. Duties, Immunities and Liabilities of Dissemination Agent and Administrator.

(a) The Dissemination Agent shall not have any duty with respect to the content of any disclosures made pursuant to the terms hereof. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement, and no implied covenants shall be read into this Disclosure Agreement with respect to the Dissemination Agent. To the extent permitted by law, the Issuer agrees to indemnify and hold harmless the Dissemination Agent, its officers, directors, employees and agents, but only from Administrative Expenses collected from the property owners in Improvement Area #3, against any loss, expense and liabilities which it may incur arising out of or in the exercise or

performance of its powers and duties hereunder, including the costs and expenses (including attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's negligence or willful misconduct; provided, however, that nothing herein shall be construed to require the Issuer to indemnify the Dissemination Agent for losses, expenses or liabilities arising from information provided to the Dissemination Agent by the Developer or the failure of the Developer to provide information to the Dissemination Agent as and when required under the Disclosure Agreement of Developer. The obligations of the Issuer under this Section shall survive termination of this Disclosure Agreement, resignation or removal of the Dissemination Agent, and payment in full of the Bonds. Nothing in this Disclosure Agreement shall be construed to mean or to imply that the Dissemination Agent is an "obligated person" under the Rule. If the Issuer does not provide the Dissemination Agent with the Annual Financial Information or Annual Financial Statements in accordance with subsection 3(a) or the Annual Collections Report in accordance with subsection 5(a), the Dissemination Agent shall not be responsible for the failure to submit Annual Financial Information, Annual Financial Statements, or an Annual Collections Report, as applicable, to the MSRB. The Dissemination Agent is not acting in a fiduciary capacity in connection with the performance of its respective obligations hereunder.

The Dissemination Agent may, from time to time, consult with legal counsel of its own choosing in the event of any disagreement or controversy, or question or doubt as to the construction of any of the provisions hereof or its duties hereunder, and the Dissemination Agent shall not incur any liability and shall be fully protected in acting in good faith upon the advice of such legal counsel.

(b) The Administrator shall not have any duty with respect to the content of any disclosures made pursuant to the terms hereof. The Administrator shall have only such duties as are specifically set forth in this Disclosure Agreement, and no implied covenants shall be read into this Disclosure Agreement with respect to the Administrator. To the extent permitted by law, the Issuer agrees to hold harmless the Administrator, its officers, directors, employees and agents, but only from Administrative Expenses collected from the property owners in Improvement Area #3, against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including reasonable attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the Administrator's negligence or willful misconduct; provided, however, that nothing herein shall be construed to require the Issuer to indemnify the Administrator for losses, expenses or liabilities arising from information provided to the Administrator by third parties, or the failure of any third party to provide information to the Administrator as and when required under this Disclosure Agreement, or the failure of the Developer to provide information to the Administrator as and when required under the Disclosure Agreement of Developer. The obligations of the Issuer under this Section shall survive resignation or removal of the Administrator and payment in full of the Bonds. Nothing in this Disclosure Agreement shall be construed to mean or to imply that the Administrator is an "obligated person" under the Rule. The Administrator is not acting in a fiduciary capacity in connection with the performance of its respective obligations hereunder. The Administrator shall not in any event incur any liability with respect to (i) any action taken or omitted to be taken in good faith upon advice of legal counsel given with respect to any question relating to duties and responsibilities of the Administrator hereunder, or (ii) any action taken or omitted to be taken in reliance upon any document delivered to the Administrator and believed to be genuine and to have been signed or presented by the proper party or parties.

The Administrator may, from time to time, consult with legal counsel of its own choosing in the event of any disagreement or controversy, or question or doubt as to the construction of any of the

provisions hereof or its duties hereunder, and the Administrator shall not incur any liability and shall be fully protected in acting in good faith upon the advice of such legal counsel.

(c) UNDER NO CIRCUMSTANCES SHALL THE DISSEMINATION AGENT, THE ADMINISTRATOR, OR THE ISSUER BE LIABLE TO THE OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY ANY PARTY TO THIS DISCLOSURE AGREEMENT, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS DISCLOSURE AGREEMENT, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE. THE DISSEMINATION AGENT AND THE ADMINISTRATOR ARE UNDER NO OBLIGATION NOR ARE THEY REQUIRED TO BRING SUCH AN ACTION.

SECTION 13. Assessment Timeline. The basic expected timeline for the collection of Assessments and the anticipated procedures for pursuing the collection of delinquent Assessments is set forth in Exhibit D which is intended to illustrate the general procedures expected to be followed in enforcing the payment of delinquent Assessments. Failure to adhere to such expected timeline shall not constitute a default by the Issuer under this Disclosure Agreement, the Indenture, the Bonds, or any other document related to the Bonds.

SECTION 14. No Personal Liability. No covenant, stipulation, obligation or agreement of the Issuer, the Administrator, or the Dissemination Agent contained in this Disclosure Agreement shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future council members, officer, agent or employee of the Issuer, the Administrator, or the Dissemination Agent in other than that person's official capacity.

SECTION 15. Severability. In case any section or provision of this Disclosure Agreement, or any covenant, stipulation, obligation, agreement, act or action, or part thereof made, assumed, entered into, or taken thereunder or any application thereof, is for any reasons held to be illegal or invalid, such illegality or invalidity shall not affect the remainder thereof or any other section or provision thereof or any other covenant, stipulation, obligation, agreement, act or action, or part thereof made, assumed, entered into, or taken thereunder (except to the extent that such remainder or section or provision or other covenant, stipulation, obligation, agreement, act or action, or part thereof is wholly dependent for its operation on the provision determined to be invalid), which shall be construed and enforced as if such illegal or invalid portion were not contained therein, nor shall such illegality or invalidity of any application thereof affect any legal and valid application thereof, and each such section, provision, covenant, stipulation, obligation, agreement, act or action, or part thereof shall be deemed to be effective, operative, made, entered into or taken in the manner and to the full extent permitted by law.

SECTION 16. Sovereign Immunity. The Dissemination Agent and the Administrator agree that nothing in this Disclosure Agreement shall constitute or be construed as a waiver of the Issuer's sovereign or governmental immunities regarding liability or suit.

SECTION 17. Beneficiaries. This Disclosure Agreement shall inure solely to the benefit of the Issuer, the Administrator, the Dissemination Agent, the Participating Underwriter, and the Owners and the beneficial owners from time to time of the Bonds, and shall create no rights in any other person

or entity. Nothing in this Disclosure Agreement is intended or shall act to disclaim, waive or otherwise limit the duties of the Issuer under federal and state securities laws.

SECTION 18. Dissemination Agent and Administrator Compensation. The fees and expenses incurred by the Dissemination Agent and the Administrator for their respective services rendered in accordance with this Disclosure Agreement constitute Administrative Expenses and will be included in the Annual Installments as provided in the annual updates to the Service and Assessment Plan. The Issuer shall pay or reimburse the Dissemination Agent and the Administrator, but only with funds to be provided from the Administrative Expenses component of the Annual Installments collected from the property owners in Improvement Area #3, for the fees and expenses for their respective services rendered in accordance with this Disclosure Agreement.

SECTION 19. Statutory Verifications. The Dissemination Agent and the Administrator, each individually, make the following representation and verifications pursuant to Chapters 2252, 2271, 2274, and 2276, Texas Government Code, as heretofore amended (the “Government Code”), in entering into this Disclosure Agreement. As used in such verifications, “affiliate” means an entity that controls, is controlled by, or is under common control with the Dissemination Agent or the Administrator, as the case may be, within the meaning of SEC Rule 405, 17 C.F.R. § 230.405, and exists to make a profit. Liability for breach of any such verification during the term of this Disclosure Agreement shall survive until barred by the applicable statute of limitations, and shall not be liquidated or otherwise limited by any provision of this Disclosure Agreement, notwithstanding anything in this Disclosure Agreement to the contrary.

(a) Not a Sanctioned Company. The Dissemination Agent and the Administrator, each individually, represents that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Government Code. The foregoing representation excludes the Dissemination Agent and the Administrator and each of its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization.

(b) No Boycott of Israel. The Dissemination Agent and the Administrator, each individually, hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and will not boycott Israel during the term of this Disclosure Agreement. As used in the foregoing verification, “boycott Israel” has the meaning provided in Section 2271.001, Government Code.

(c) No Discrimination Against Firearm Entities. The Dissemination Agent and the Administrator, each individually, hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and will not discriminate against a firearm entity or firearm trade association during the term of this Disclosure Agreement. As used in the foregoing verification, “discriminate against a firearm entity or firearm trade association” has the meaning provided in Section 2274.001(3), Government Code.

(d) No Boycott of Energy Companies. As used in the foregoing verification, “boycott energy companies” has the meaning provided in Section 2276.001(1), Government Code.

SECTION 20. Disclosure of Interested Parties. Pursuant to Section 2252.908(c)(4), Texas Government Code, as amended, the Dissemination Agent hereby certifies it is a publicly traded business entity and is not required to file a Certificate of Interested Parties Form 1295 related to this Disclosure Agreement. Submitted herewith is a completed Form 1295 in connection with the Administrator’s participation in the execution of this Disclosure Agreement generated by the Texas Ethics Commission’s (the “TEC”) electronic filing application in accordance with the provisions of Section 2252.908 of the Texas Government Code and the rules promulgated by the TEC (the “Form 1295”). The Issuer hereby confirms receipt of the Form 1295 from the Administrator, and the Issuer agrees to acknowledge such form with the TEC through its electronic filing application not later than the thirtieth (30th) day after the receipt of such form. The Administrator and the Issuer understand and agree that, with the exception of information identifying the Issuer and the contract identification number, neither the Issuer nor its consultants are responsible for the information contained in the Form 1295; that the information contained in the Form 1295 has been provided solely by the Administrator; and, neither the Issuer nor its consultants have verified such information.

BASIC EXPECTED TIMELINE FOR ASSESSMENT COLLECTIONS AND PURSUIT OF DELINQUENCIES¹

<u>Date</u>	<u>Delinquency Clock (Days)</u>	<u>Activity</u>
January 31		Assessments are due.
February 1	1	Assessments delinquent if not received.
February 15	15	Immediately upon receipt, but in no event later than February 15, Issuer forwards payment to Trustee for all collections received, along with detailed breakdown. Subsequent payments and relevant details will follow monthly thereafter. Issuer and/or Administrator should be aware of actual and specific delinquencies. Administrator should be aware if Reserve Fund needs to be utilized for debt service payments during the corresponding Fiscal Year. Issuer and Administrator should determine if previously collected surplus funds, if any, plus actual Annual Installment collections will be fully adequate for debt service in the corresponding March and September.
March 1	43/44	Trustee pays bond interest payments to Owners.
April 1	59/60	At this point, if total delinquencies are under 5% and if there is adequate funding in the Pledged Revenue Fund for transfer to the Principal and Interest Account for full September payments, no further action is anticipated for collection of Assessments except that the Issuer or Administrator, working with the City Attorney or an appropriate designee, will begin process to cure deficiency. Issuer, or the Trustee on behalf of the Issuer, to notify Dissemination Agent in writing of the occurrence of draw on the Reserve Fund and, following receipt of such notice, Dissemination Agent to notify MSRB of such draw or the Reserve Fund.

¹ Illustrates anticipated dates and procedures for pursuing the collection of delinquent Annual Installments of Assessments, which dates and procedures shall be in accordance with Chapters 31, 32, 33, and 34, Texas Tax Code, as amended (the "Code"), and the Tax/Assessor Collector's procedures, and are subject to adjustment by the Issuer. If the collection and delinquency procedures under the Code are subsequently modified, whether due to an executive order of the Governor of Texas, an amendment to the Code, or otherwise, such modifications shall control.

July 1

152/153

If there are over 5% delinquencies or if there is insufficient funding in the Pledged Revenue Fund for transfer to the Principal and Interest Account of such amounts as shall be required for the full September payment, Issuer and/or Administrator to notify Dissemination Agent in writing for inclusion in the next Annual Financial Information.

Preliminary Foreclosure activity commences in accordance with Tax Assessor/Collector's procedures.

If Dissemination Agent has not received Foreclosure Schedule and Plan of Collections, Dissemination Agent to request same from the Issuer.

If the Issuer has not provided the Dissemination Agent with Foreclosure Schedule and Plan of Collections, Dissemination Agent requests that the Issuer commence foreclosure or provide plan for collection.

August 15

197/198

The designated lawyers or law firm will be preparing the formal foreclosure documents and will provide periodic updates to the Dissemination Agent and the Trustee. The goal for the foreclosure actions is a filing by no later than August 15 (day 197/198).

Foreclosure action to be filed with the court as soon as practicable, in accordance with the Tax Assessor/Collector's procedures.

Issuer notifies Trustee and Dissemination Agent of Foreclosure filing status in writing for inclusion in next Annual Report.

A committee of not less than twenty-five percent (25%) of the Owners may request a meeting with the Issuer to discuss the Issuer's actions in pursuing the repayment of any delinquencies. This would also occur after day thirty (30) if it is apparent that a Reserve Fund draw is required. Further, if delinquencies exceed five percent (5%), Owners may also request a meeting with the Issuer at any time to discuss the Issuer's plan and progress on collection and foreclosure activity. If the Issuer is not diligently proceeding with the foreclosure process, the Owners may seek an action for mandamus or specific performance to direct the Issuer to pursue the collections of delinquent Annual Installments of Assessments.

(b) The projects to be financed in part with the proceeds of the Bonds are the Improvement Area #3 Improvements. (c) The City's obligation with respect to the payment of the Costs of the Improvement Area #3 Improvements shall be limited to the lesser of the Actual Costs or Budgeted Costs, and shall be payable solely from amounts on deposit for the payment of such Costs as provided herein and in the Indenture. CONSTRUCTION OF THE IMPROVEMENT AREA #3 IMPROVEMENTS

Section 4.01. Duty of Developer to Construct.

(a) All Improvement Area #3 Improvements shall be constructed by or at the direction of the Developer in accordance with the Plans and in accordance with this Agreement and the Development Agreement. The Developer shall perform, or cause to be performed, all of its obligations and shall conduct, or cause to be conducted, all operations with respect to the construction of Improvement Area #3 Improvements in a good, workmanlike and commercially reasonable manner, with the standard of diligence and care normally employed by duly qualified persons utilizing their commercially reasonable efforts in the performance of comparable work and in accordance with generally accepted practices appropriate to the activities undertaken. The Developer shall employ at all times adequate staff or consultants with the requisite experience necessary to administer and coordinate all work related to the design, engineering, acquisition, construction and installation of all Improvement Area #3 Improvements, to be acquired and accepted by the City, from the Developer as provided in this Agreement.

(b) The Developer shall not be relieved of its obligation to construct or cause to be constructed each Improvement Area #3 Improvement and, upon completion, inspection, and acceptance, convey each such Improvement Area #3 Improvement to the City, in accordance with the terms hereof, even if there are insufficient funds in the Project Fund or other funds or account created under the Indenture to pay the Actual Costs thereof. In any event, this Agreement shall not affect any obligation of the Developer under any other agreement to which the Developer is a

party or any governmental approval to which the Developer or any land within the District is subject, with respect to the Improvement Area #3 Improvements required in connection with the development of the land within the District.

Section 4.02. No Competitive Bidding. The Improvement Area #3 Improvements shall not require competitive bidding pursuant to Section 252.022(a)(9) of the Texas Local Government Code, as amended.

Section 4.03. Independent Contractor. In performing this Agreement, the Developer is an independent contractor and not the agent or employee of the City with respect to the Improvement Area #3 Improvements.

Section 4.04. Remaining Funds After Completion of an Improvement Area #3 Improvement. Upon the Final Completion of any Improvement Area #3 Improvement (or any segment or section thereof) and payment of all outstanding invoices for such Improvement Area #3 Improvement (or segment or section thereof), if the Actual Cost of such Improvement Area #3 Improvement (or segment or section thereof) is less than the Budgeted Cost of such Improvement Area #3 Improvement (a “Cost Underrun”), any remaining Budgeted Cost may be made available to pay Cost Overruns on any other Improvement Area #3 Improvement, including Improvement Area #3 Improvements in a different improvement category shown in the Service and Assessment Plan. Any Cost Underrun for any Improvement Area #3 Improvement is available to pay Cost Overruns on any other Improvement Area #3 Improvement. If, upon Final Completion of all Improvement Area #3 Improvements in any improvement category, there are funds remaining in any improvement categories, those funds can then be used to reimburse the Developer for any qualifying costs of Improvement Area #3 Improvements that have not been previously paid.

The Administrator shall confirm that such remaining amounts are available to pay such Cost Overruns, and the Developer, the Administrator and the City Representative shall promptly agree on how to apply such moneys to the costs of other Improvement Area #3 Improvements. Developer or its contractors may approve and implement any change orders, even if such change order would increase the Cost of an Improvement Area #3 Improvement, but the Developer shall be solely responsible for payment of any Cost Overruns resulting from such change orders except to the extent amounts are available pursuant to Section 4.04. If any change order is for work that requires changes to be made by an engineer to the construction and design documents and plans previously approved under Section 4.01, then such revisions made by an engineer must be submitted to the City for approval by the City’s engineer prior to execution of the change order.

ARTICLE V

ACQUISITION, CONSTRUCTION, AND PAYMENT

Section 5.01. Payment Requests for Disbursements at Closing. In order to receive the disbursement from the Costs of Issuance Account of the Project Fund at closing of the Bonds, related to costs of issuance of the Bonds or costs incurred in the creation of the District, the Developer shall execute a Closing Disbursement Request, substantially in the form of **Exhibit A** hereto or otherwise acceptable and agreed to by the City, to be delivered to the City no less than five (5) business days prior to the scheduled Closing Date for the Bonds for payment in accordance with the provisions of the Indenture. In order to receive the disbursement for an Improvement Area #3 Improvement from the Improvement Area #3 Improvements Account of the Project Fund at closing of the Bonds, the Developer shall execute a Certification for Payment, substantially in the form of **Exhibit B** hereto or otherwise agreed to by the City, to be delivered to the City no later than five (5) business days prior to the scheduled Closing Date for the Bonds for payment in accordance with the provisions of the Indenture. Upon approval by the City, the City shall submit a Closing Disbursement Request or a Certification for Payment, as applicable, to the Trustee for disbursement to be made from the Costs of Issuance Account of the Project Fund or the Improvement Area #3 Improvements Account of the Project Fund, as applicable.

Section 5.02. Certification for Payment for an Improvement Area #3 Improvement.

(a) No payment hereunder shall be made from the Project Fund to the Developer for work on an Improvement Area #3 Improvement until a Certification for Payment is received from the Developer. Upon receipt of a Certification for Payment substantially in the form of **Exhibit B** hereto (and all accompanying documentation required by the City) from the Developer, the City Inspector shall conduct a review in order to confirm that such request is complete, that the work with respect to such Improvement Area #3 Improvement identified therein for which payment is requested was completed in accordance with all applicable governmental laws, rules and regulations and applicable Plans therefor and with the terms of this Agreement, the Development Agreement, and to verify and approve the Actual Cost of such work specified in such Certification for Payment (collectively, the “Developer Compliance Requirements”). The City Inspector and/or the City Representative shall also conduct such review as is required in his discretion to confirm the matters certified in the Certification for Payment. The Developer agrees to cooperate with the City Inspector and/or City Representative in conducting each such review and to provide the City Inspector and/or City Representative with such additional information and documentation as is reasonably necessary for the City Inspector and/or City Representative to conclude each such review.

(b) Within fifteen (15) business days of receipt of any Certification for Payment, the City Representative shall either (i) approve and execute the Certification for Payment and forward the same to the Administrator for approval and delivery to the Trustee for payment to the

Developer in accordance with Section 5.03(a) hereof or (ii) in the event the City Representative disapproves the Certification for Payment, give written notification to the Developer of the City Representative's disapproval, in whole or in part, of such Certification for Payment, specifying the reasons for such disapproval and the additional requirements to be satisfied for approval of such Certification for Payment. If a Certification for Payment seeking reimbursement is approved only in part, the City Representative shall specify the extent to which the Certification for Payment is approved and shall deliver such partially approved Certification for Payment to the Administrator for approval in accordance with Section 5.03 hereof and delivery to the Developer in accordance with Section 5.02(c) hereof, and any such partial work shall be processed for payment under Section 5.03 notwithstanding such partial denial.

(c) If the City Representative denies the Certification for Payment, the denial must be in writing, stating the reason(s) for denial. The denial may be appealed to the City Council by the Developer in writing within thirty (30) days of being denied by the City Representative. Denial of the Certification for Payment by the City Council shall be attempted to be resolved by half-day mediation between the parties in the event an agreement is not otherwise reached by the parties, with the mediator's fee being paid by Developer. The Certification for Payment shall not be forwarded to the Trustee for payment until the dispute is resolved by the City and the Developer.

(d) The Developer shall deliver the approved or partially approved Certification for Payment to the Trustee for payment and the City shall direct the Trustee to make such payment from the Project Fund in accordance with Section 5.03 below.

Section 5.03. Payment for Improvement Area #3 Improvement.

(a) Upon receipt of a reviewed and approved Certification for Payment, the Trustee shall make payment from the Improvement Area #3 Improvements Account of the Project Fund pursuant to the terms of the Certification for Payment and the Indenture in an amount not to exceed the Budgeted Cost for the particular Improvement Area #3 Improvement, unless a Cost Overrun amount has been approved for a particular Improvement Area #3 Improvement. If a Cost Overrun amount has been approved, then the amount reimbursed shall not exceed the Budgeted Amount plus the approved Cost Overrun amount.

(b) Approved Certifications for Payment that await reimbursement shall not accrue interest.

(c) Notwithstanding any other provisions of this Agreement, when payment is made, the City shall direct the Trustee to make payment directly to the general contractor or supplier of materials or services or jointly to Developer (or any permitted assignee of such Developer) and the general contractor or supplier of materials or services, as indicated in an approved Certification for Payment, out of available and appropriate funds in the Project Fund. If the request for payment results in ninety percent (90%) or more of the Budgeted Costs for such Improvement Area #3

Improvement identified in such request for payment being paid, then the City shall direct the Trustee to hold the payment until work with respect to that Improvement Area #3 Improvement has been completed and accepted by the City. If an unconditional lien release related to the items referenced in the Certification for Payment is attached to such Certification for Payment, the City shall direct the Trustee to make such payment to the Developer or any permitted assignee of the Developer. In the event the Developer provides a general contractor's or supplier of materials' unconditional lien release for a portion of the work covered by a Certification for Payment, the City shall direct the Trustee to make such payment directly to the Developer or any permitted assignee of the Developer to the extent of such lien release.

(d) Withholding Payments.

Nothing in this Agreement shall be deemed to prohibit the Developer or the City from contesting in good faith the validity or amount of any mechanics or materialman's lien and/or judgment nor limit the remedies available to the Developer or the City with respect thereto, including the withholding of any payment that may be associated with the exercise of such remedy, so long as such delay in performance shall not subject the Improvement Area #3 Improvement to foreclosure, forfeiture, or sale. In the event that any such mechanics or materialman's lien and/or judgment with respect to any Improvement Area #3 Improvement is contested, the Developer shall post or cause delivery of a surety bond in the amount determined by the City or City may decline to accept the Improvement Area #3 Improvements until such mechanics or materialman's lien and/or judgment is satisfied.

ARTICLE VI

OWNERSHIP AND TRANSFER OF IMPROVEMENT AREA #3 IMPROVEMENTS

Section 6.01. Improvement Area #3 Improvements to be Owned by the City– Title Evidence. If required by the City, the Developer shall furnish to the City a preliminary title report for land with respect to an Improvement Area #3 Improvement to be acquired and accepted by the City from the Developer and not previously dedicated or otherwise conveyed to the City for review and approval at least thirty (30) calendar days prior to the transfer of title of an Improvement Area #3 Improvement to the City. The City shall approve the preliminary title report unless it reveals a matter which, in the reasonable judgment of the City, could materially affect the City's clean title or use and enjoyment of any part of the property or easement covered by the preliminary title report. In the event the City does not approve the preliminary title report, the City shall not be obligated to accept title to the Improvement Area #3 Improvement until the Developer has cured such objections to title to the satisfaction of the City.

Section 6.02. Improvement Area #3 Improvement Constructed on City Land or Developer Land. If the Improvement Area #3 Improvement is on land owned by the City, the City hereby grants to the Developer a license to enter upon such land for purposes related to construction (and

maintenance pending acquisition and acceptance) of the Improvement Area #3 Improvement. If the Improvement Area #3 Improvement is on land owned by the Developer, the Developer hereby grants to the City an easement to enter upon such land for purposes related to inspection and maintenance (pending acquisition and acceptance) of the Improvement Area #3 Improvement. The grant of the permanent easement shall not relieve the Developer of any obligation to grant the City title to property and/or easements related to the Improvement Area #3 Improvement as required by the Development Agreement or as should in the City's reasonable judgment be granted to provide for convenient access to and routine and emergency maintenance of such Improvement Area #3 Improvement. The provisions for inspection and acceptance of such Improvement Area #3 Improvement otherwise provided herein shall apply.

Section 7.01. Representations, Covenants and Warranties of the Developer. The Developer represents and warrants for the benefit of the City as follows:

(f) Financial Records. For a period of two years after completion of the Improvement Area #3 Improvements, the Developer covenants to maintain proper books of record and account for the construction of the Improvement Area #3 Improvements and all Costs related thereto. Developer shall provide as-built plans for all Improvement Area #3 Improvements to the City.

(h) Additional Information. The Developer agrees to cooperate with all reasonable written requests for nonproprietary information by the initial purchaser of the Bonds, the City Manager and the City Representative related to the status of construction of the Improvement Area #3 Improvements within the District, the anticipated completion dates for future improvements and any other matter that the initial purchaser of the Bonds or City Representative deems material to the investment quality of the Bonds.

(i) Continuing Disclosure Agreement. The Developer agrees to provide the information required pursuant to the Continuing Disclosure Agreement of the Developer executed by the Developer in connection with the Bonds.

(j) Tax Certificate. The City will deliver a certificate relating to the Bonds (such certificate, as it may be amended and supplemented from time to time, being referred to herein as the “Tax Certificate”) containing covenants and agreements designed to satisfy the requirements of 26 U.S. Code Sections 103 and 141 through 150, inclusive, and the federal income tax regulations issued thereunder relating to the use of the proceeds of the Bonds or of any monies, securities or other obligations on deposit to the credit of any of the funds and accounts created by the Indenture or this Agreement or otherwise that may be deemed to be proceeds of the Bonds within the meaning of 26 U.S. Code Section 148 (collectively, “Bond Proceeds”).

The Developer covenants to provide, or cause to be provided, such facts and estimates as the City reasonably considers necessary to enable it to execute and deliver its Tax Certificate. The Developer further covenants that (i) such facts and estimates will be based on its reasonable expectations on the date of issuance of the Bonds and will be, to the best of the knowledge of the officers of the Developer providing such facts and estimates, true, correct and complete as of that date, and (ii) the Developer will make reasonable inquiries to ensure such truth, correctness and completeness. The Developer covenants that it will not make, or (to the extent that it exercises

control or direction) permit to be made, any use or investment of the Bond Proceeds (including, but not limited to, the use of the Improvement Area #3 Improvements) that would cause any of the covenants or agreements of the City contained in the Tax Certificate to be violated or that would otherwise have an adverse effect on the tax-exempt status of the interest payable on the Bonds for federal income tax purposes.

(k) Financial Resources. The Developer represents and warrants that it has the financial resources, or the ability to obtain sufficient financial resources, to meet its obligations under this Agreement, the Service and Assessment Plan and the Development Agreement.

Section 7.02. Indemnification and Hold Harmless. THE DEVELOPER SHALL INDEMNIFY AND HOLD HARMLESS THE CITY INSPECTOR, THE CITY, ITS OFFICIALS, EMPLOYEES, OFFICERS, REPRESENTATIVES AND AGENTS (EACH AN "INDEMNIFIED PARTY"), FROM AND AGAINST ALL ACTIONS, DAMAGES, CLAIMS, LOSSES OR EXPENSE OF EVERY TYPE AND DESCRIPTION TO WHICH THEY MAY BE SUBJECTED OR PUT: (I) BY REASON OF, OR RESULTING FROM THE BREACH OF ANY PROVISION OF THIS AGREEMENT BY THE DEVELOPER; (II) THE NEGLIGENT DESIGN, ENGINEERING, AND/OR CONSTRUCTION BY THE DEVELOPER OR ANY ARCHITECT, ENGINEER OR CONTRACTOR HIRED BY THE DEVELOPER OF ANY OF THE IMPROVEMENT AREA #3 IMPROVEMENTS ACQUIRED FROM THE DEVELOPER HEREUNDER; (III) THE DEVELOPER'S NONPAYMENT UNDER CONTRACTS BETWEEN THE DEVELOPER AND ITS CONSULTANTS, ENGINEERS, ADVISORS, CONTRACTORS, SUBCONTRACTORS AND SUPPLIERS IN THE PROVISION OF THE IMPROVEMENT AREA #3 IMPROVEMENTS; (IV) ANY CLAIMS OF PERSONS EMPLOYED BY THE DEVELOPER OR ITS AGENTS TO CONSTRUCT THE IMPROVEMENT AREA #3 IMPROVEMENTS; OR (V) ANY CLAIMS AND SUITS OF THIRD PARTIES, INCLUDING BUT NOT LIMITED TO DEVELOPER'S RESPECTIVE PARTNERS, OFFICERS, DIRECTORS, EMPLOYEES, REPRESENTATIVES, AGENTS, SUCCESSORS, ASSIGNEES, VENDORS, GRANTEES AND/OR TRUSTEES, REGARDING OR RELATED TO THE IMPROVEMENT AREA #3 IMPROVEMENTS OR ANY AGREEMENT OR RESPONSIBILITY REGARDING THE IMPROVEMENT AREA #3 IMPROVEMENTS, INCLUDING CLAIMS AND CAUSES OF ACTION WHICH MAY ARISE OUT OF THE SOLE OR PARTIAL NEGLIGENCE OF AN INDEMNIFIED PARTY (THE "CLAIMS"). NOTWITHSTANDING THE FOREGOING, NO INDEMNIFICATION IS GIVEN HEREUNDER FOR ANY ACTION, DAMAGE, CLAIM, LOSS OR EXPENSE DETERMINED BY A COURT OF COMPETENT JURISDICTION TO BE DIRECTLY ATTRIBUTABLE TO THE WILLFUL MISCONDUCT OF ANY INDEMNIFIED PARTY, DEVELOPER IS EXPRESSLY REQUIRED TO DEFEND CITY AGAINST ALL SUCH CLAIMS, AND CITY IS REQUIRED TO REASONABLY COOPERATE AND ASSIST DEVELOPER IN PROVIDING SUCH DEFENSE.

IN ITS REASONABLE DISCRETION, THE CITY SHALL HAVE THE RIGHT TO APPROVE OR SELECT DEFENSE COUNSEL TO BE RETAINED BY THE DEVELOPER IN FULFILLING ITS OBLIGATIONS HEREUNDER TO DEFEND AND INDEMNIFY THE INDEMNIFIED PARTIES, UNLESS SUCH RIGHT IS EXPRESSLY WAIVED BY THE CITY IN WRITING. THE INDEMNIFIED PARTIES RESERVE THE RIGHT TO PROVIDE A PORTION OR ALL OF THEIR/ITS OWN DEFENSE, AT THEIR/ITS SOLE COST; HOWEVER, INDEMNIFIED PARTIES ARE UNDER NO OBLIGATION TO DO SO. ANY SUCH ACTION BY AN INDEMNIFIED PARTY IS NOT TO BE CONSTRUED AS A WAIVER OF THE DEVELOPER'S OBLIGATION TO DEFEND INDEMNIFIED PARTIES OR AS A WAIVER OF THE DEVELOPER'S OBLIGATION TO INDEMNIFY INDEMNIFIED PARTIES, PURSUANT TO THIS AGREEMENT. THE DEVELOPER SHALL RETAIN CITY-APPROVED DEFENSE COUNSEL WITHIN SEVEN (7) BUSINESS DAYS OF WRITTEN NOTICE FROM AN INDEMNIFIED PARTY THAT IT IS INVOKING ITS RIGHT TO INDEMNIFICATION UNDER THIS AGREEMENT. IF THE DEVELOPER FAILS TO RETAIN COUNSEL WITHIN SUCH TIME PERIOD, INDEMNIFIED PARTIES SHALL HAVE THE RIGHT TO RETAIN DEFENSE COUNSEL ON ITS OWN BEHALF, AND THE DEVELOPER SHALL BE JOINTLY AND SEVERALLY LIABLE FOR ALL REASONABLE COSTS INCURRED BY INDEMNIFIED PARTIES.

THIS SECTION 7.02 SHALL SURVIVE THE TERMINATION OF THIS AGREEMENT.

THE PARTIES AGREE AND STIPULATE THAT THIS INDEMNIFICATION COMPLIES WITH THE CONSPICUOUSNESS REQUIREMENT AND THE EXPRESS NEGLIGENCE TEST, AND IS VALID AND ENFORCEABLE AGAINST THE DEVELOPER.

Section 7.03. Use of Monies by City; Changes to Indenture. The City agrees not to take any action or direct the Trustee to take any action to expend, disburse or encumber the monies held in the Project Fund and any monies to be transferred thereto for any purpose other than the purposes permitted by the Indenture. Prior to the acceptance of all the Improvement Area #3 Improvements, the City agrees not to modify or supplement the Indenture without the approval of the Developer if as a result or as a consequence of such modification or supplement: (a) the amount of monies that would otherwise have been available under the Indenture for disbursement for the Costs of the Improvement Area #3 Improvements is reduced, delayed or deferred, (b) the obligations or liabilities of the Developer is or may be substantially increased or otherwise adversely affected in any manner, or (c) the rights of the Developer is or may be modified, limited, restricted or otherwise substantially adversely affected in any manner.

Section 7.04. No Reduction of Assessments. The Developer agrees not to take any action or actions to reduce the total amount of such Assessments to be levied as of the effective date of this Agreement.

ARTICLE VIII TERMINATION

Section 8.01. Mutual Consent. This Agreement may be terminated by the mutual, written consent of the City and the Developer, in which event the City may either execute contracts for or perform any remaining work related to the Improvement Area #3 Improvements not accepted by the City or other appropriate entity and use all or any portion of funds on deposit in the Project Fund or other amounts transferred to the Project Fund under the terms of the Indenture to pay for same, and the Developer shall have no claim or right to any further payments for the Costs of an Improvement Area #3 Improvement hereunder, except as otherwise may be provided in such written consent.

Section 8.02. City's Election for Cause.

(a) The City, upon notice to the Developer and the passage of the cure period identified in subsection (b) below, may terminate this Agreement, without the consent of the Developer if the Developer shall breach any material covenant or default in the performance of any material obligation hereunder.

(b) If any such event described in Section 8.02(a) occurs, the City shall give written notice of its knowledge of such event to the Developer, and the Developer agrees to promptly meet and confer with the City Inspector and other appropriate City staff and consultants as to options available to assure timely completion, subject to the terms of this Agreement, of the Improvement Area #3 Improvements. Such options may include, but not be limited to, the termination of this Agreement by the City. If the City elects to terminate this Agreement, the City shall first notify the Developer (and any mortgagee or trust deed beneficiary specified in writing by the Developer to the City to receive such notice) of the grounds for such termination and allow the Developer a minimum of 45 days to eliminate or to mitigate to the satisfaction of the City the grounds for such termination. Such period may be extended, at the sole discretion of the City, if the Developer, to the reasonable satisfaction of the City, is proceeding with diligence to eliminate or mitigate such grounds for termination. If at the end of such period (and any extension thereof), as determined reasonably by the City, the Developer has not eliminated or completely mitigated such grounds to the satisfaction of the City, the City may then terminate this Agreement. In the event of the termination of this Agreement, the Developer is entitled to payment for work accepted by the City related to an Improvement Area #3 Improvement only as provided for under the terms of the Indenture and this Agreement prior to the termination date of this Agreement. Notwithstanding the foregoing, so long as the Developer has breached any material covenant or defaulted in the performance of any material obligation hereunder, notice of which has been given by the City to the Developer, and such event has not been cured or otherwise eliminated by the Developer, the City may in its discretion cause the Trustee to cease making payments for the Actual Costs of Improvement Area #3 Improvements, provided that the Developer shall receive payment of the Actual Costs of any Improvement Area #3 Improvements that were accepted by the City at the

time of the occurrence of such breach or default by the Developer upon submission of the documents and compliance with the other applicable requirements of this Agreement.

(c) If this Agreement is terminated by the City for cause, the City may either execute contracts for or perform any remaining work related to the Improvement Area #3 Improvements not accepted by the City and use all or any portion of the funds on deposit in the Project Fund or other amounts transferred to the Project Fund and the Developer shall have no claim or right to any further payments for the Improvement Area #3 Improvements hereunder, except as otherwise may be provided upon the mutual written consent of the City and the Developer. The City shall have no obligation to perform any work related to an Improvement Area #3 Improvement or to incur any expense or cost in excess of the remaining balance of the Project Fund.

Section 8.03. Termination Upon Redemption or Defeasance of Bonds. This Agreement will terminate automatically and with no further action by the City or the Developer upon the redemption or defeasance of all outstanding Bonds (including any refunding bonds issued to refund the Bonds) issued under the Indenture.

Section 8.04. Construction of the Improvement Area #3 Improvements Upon Termination of this Agreement. Notwithstanding anything to the contrary contained herein, upon the termination of this Agreement pursuant to this Article VIII, the Developer shall perform its obligations with respect to the Improvement Area #3 Improvements in accordance with this Agreement and the Development Agreement.

Section 8.05. Force Majeure. Whenever performance is required of a party hereunder, that party shall use all due diligence and take all necessary measures in good faith to perform, but if completion of performance is delayed by reasons of floods, earthquakes or other acts of God, war, civil commotion, riots, strikes, picketing or other labor disputes, damage to work in progress by casualty or by other cause beyond the reasonable control of the party (financial inability excepted) (“Force Majeure”), then the specified time for performance shall be extended by the amount of the delay actually so caused. The extension of time to perform allowed by this Section 8.05 shall not apply unless, upon the occurrence of an event of Force Majeure, the party needing additional time to perform notifies the other party of the event of Force Majeure and the amount of additional time reasonably required within ten (10) business days of the occurrence of the event of Force Majeure.

ARTICLE IX MISCELLANEOUS

Section 9.01. Limited Liability of City. The Developer agrees that any and all obligations of the City arising out of or related to this Agreement are special obligations of the City, and the City’s obligations to make any payments hereunder are restricted entirely to the moneys, if any, in the Project Fund and from no other source. Neither the City, the City Inspector, City

Representative nor any other City employee, officer, official or agent shall incur any liability hereunder to the Developer or any other party in their individual capacities by reason of their actions hereunder or execution hereof.

Section 9.02. Audit. The City Inspector, City Representative or a finance officer of the City shall have the right, during normal business hours and upon the giving of three business days' prior written notice to a Developer, to review all books and records of the Developer pertaining to costs and expenses incurred by the Developer with respect to any of the Improvement Area #3 Improvements and any bids taken or received for the construction thereof or materials therefor.

Section 9.03. Notices. Any notice, payment or instrument required or permitted by this Agreement to be given or delivered to any party shall be deemed to have been received (i) if delivered via a method other than e-mail, when delivered personally or upon the expiration of 72 hours following deposit of the same in any United States Post Office, registered or certified mail, postage prepaid or (ii) if delivered via e-mail, upon the earlier of receipt of a "delivery receipt" or on the next Business Day after being sent (as recorded on the device from which the sender sent the email) unless the sender receives an automated message that the email has not been delivered:

Any party may change its address or addresses for delivery of notice by delivering written notice of such change of address to the other party.

The City shall advise the Developer of the name and address of any person who is to receive any notice or other communication pursuant to this Agreement.

Section 9.04. Severability. If any part of this Agreement is held to be illegal or unenforceable by a court of competent jurisdiction, the remainder of this Agreement shall be given effect to the fullest extent possible.

Section 9.05. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the successors and assigns of the parties hereto. Any receivables due under this Agreement may be assigned by the Developer without the consent of, but upon written notice to the City pursuant to Section 9.03 of this Agreement. The obligations, requirements, or covenants of this Agreement shall be able to be assigned to an affiliate or related entity of the Developer, or any lien holder on the Property, without prior written consent of the City. The obligations, requirements, or covenants of this Agreement shall not be assigned by the Developer to a non-affiliate or non-related entity of the Developer without prior written consent of the City Manager, except pursuant to a collateral assignment to any person or entity providing construction financing to the Developer for an Improvement Area #3 Improvement, provided such person or entity expressly agrees to assume all obligations of the Developer hereunder if there is a default under such financing and such Person elects to complete the Improvement Area #3 Improvement. No such assignment shall be made by the Developer or any successor or assignee of the Developer that results in the City being an "obligated person" within the meaning of Rule 15c2-12 of the United States Securities and Exchange Commission (the "SEC") without the express written consent of the City. In connection with any consent of the City, the City may condition its consent upon the acceptability of the financial condition of the proposed assignee, upon the assignee's express assumption of all obligations of the Developer hereunder and/or upon any other reasonable factor which the City deems relevant in the circumstances. In any event, any such assignment shall be in writing, shall clearly identify the scope of the rights and/or obligations assigned. The City may assign by a separate writing certain rights as described in this Agreement and in the Indenture, to the Trustee and the Developer hereby consents to such assignment.

Section 9.06. Other Agreements. The obligations of the Developer hereunder shall be those of a party hereto and not as an owner of property in the District. Nothing herein shall be construed as affecting the City's or the Developer's rights or duties to perform their respective obligations under other agreements, use regulations, ordinances or subdivision requirements

relating to the development of the lands in the District, including the applicable Construction Contracts and the Development Agreement. To the extent there is a conflict between this Agreement and the Development Agreement, the Development Agreement shall control. To the extent there is a conflict between this Agreement and the Indenture, the Indenture shall control.

Section 9.07. Waiver. Failure by a party to insist upon the strict performance of any of the provisions of this Agreement by any other party, or the failure by a party to exercise its rights upon the default of any other party, shall not constitute a waiver of such party's right to insist and demand strict compliance by such other party with the terms of this Agreement thereafter.

Section 9.08. Merger. No other agreement, statement or promise made by any party or any employee, officer or agent of any party with respect to any matters covered hereby that is not in writing and signed by all the parties to this Agreement shall be binding.

Section 9.09. Parties in Interest. Nothing in this Agreement, expressed or implied, is intended to or shall be construed to confer upon or to give to any person or entity other than the City and the Developer any rights, remedies or claims under or by reason of this Agreement or any covenants, conditions or stipulations hereof, and all covenants, conditions, promises and agreements in this Agreement contained by or on behalf of the City or the Developer shall be for the sole and exclusive benefit of the City and the Developer.

Section 9.10. Amendment. This Agreement may be amended upon agreement of the parties, from time to time in a manner consistent with the Act, the Indenture, and the Bond Ordinance by written supplement hereto and executed in counterparts, each of which shall be deemed an original.

Section 9.11. Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original.

Section 9.12. Effective Date. This Agreement has been dated as of the date first above written solely for the purpose of convenience of reference and shall become effective upon its execution and delivery, on the Closing Date of the Bonds, by the parties hereto. All representations and warranties set forth therein shall be deemed to have been made on the Closing Date of the Bonds.

Section 9.13. Term. The term of this Agreement, other than the provisions contained in Section 7.02, which shall survive the termination of this Agreement, shall be thirty (30) years or upon redemption or defeasance of the Bonds (including any refunding bonds issued to refund the Bonds) issued under the Indenture. If the Developer defaults under this Agreement or the Development Agreement, this Agreement and the Development Agreement shall not terminate with respect to the Costs of the Improvement Area #3 Improvements that have been approved by the City pursuant to a Certification for Payment prior to the date of default.

Section 9.14 No Waiver of Powers or Immunity. The City does not waive or surrender any of its governmental powers, immunities, or rights except as necessary to allow Developer to enforce its remedies under this Agreement.

Section 9.15. Statutory Verifications. The Developer makes the following representation and covenants pursuant to Chapters 2252, 2271, 2274, and 2276, Texas Government Code, as heretofore amended (the “Government Code”), in entering into this Agreement. As used in such verifications, “affiliate” means an entity that controls, is controlled by, or is under common control with the Developer within the meaning of SEC Rule 405, 17 C.F.R. § 230.405, and exists to make a profit. Liability for breach of any such verification during the term of this Agreement shall survive until barred by the applicable statute of limitations, and shall not be liquidated or otherwise limited by any provision of this Agreement, notwithstanding anything in this Agreement to the contrary.

a. Not a Sanctioned Company. The Developer represents that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Government Code. The foregoing representation excludes the Developer and each of its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization.

b. No Boycott of Israel. The Developer hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and will not boycott Israel during the term of this Agreement. As used in the foregoing verification, “boycott Israel” has the meaning provided in Section 2271.001, Government Code.

c. No Discrimination Against Firearm Entities. The Developer hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and will not discriminate against a firearm entity or firearm trade association during the term of this Agreement. As used in the foregoing verification, “discriminate against a firearm entity or firearm trade association” has the meaning provided in Section 2274.001(3), Government Code.

d. No Boycott of Energy Companies. The Developer hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott energy companies and will not boycott energy companies during the term of this Agreement.
